

LCIF South and Alert reports for the 10-16-22 Penticton cabinet meeting

There have been no changes in either the Alert North or Alert South bank accounts. We still have the money to help where needed.

Hurricane Ian and its needs.

LCIF needs our help and support. This financial support can come from clubs or individuals. Donations can be made on line, or money given to the club treasurer and then sent in to LCIF. If help is needed, please feel free to contact me. LCIF is currently putting together a \$100,000 Major Catastrophe grant to help in Florida, and is expecting to give out emergency grants to other areas effected by hurricanes. Please help out this cause.
