

LIONESSE REPORT - August 2021

So long, farewell, auf Wiedersehen, goodbye

The Lions were our sponsors and took us under their wings and we were all one big family and we will miss all the friends we have made

We hate to go and leave all the things we have done and we'd like to stay and carry on as Lioness

But alas, we leave and heave a sigh - as Lioness - we say goodbye !

A final report from the Lioness of District D

Our Lioness theme was - "Every Little Thing Counts"

We finished with 4 clubs with 55 members. Moses Lake Lioness have chartered as the Lioness Club of Moses Lake Lions . Oliver and Williams Lake folded with each club having 4 of their members now as Lions. Kelowna Lioness folded with many of the members planning to continue to volunteer and support their community and assist with Lion projects as individuals.

Even though the year was not a "normal" year as we were used to in the past - the Lioness kept going like the "Ever ready bunny".

As the clubs closed their books as of 30 June 2021 - our totals for the year 2020 - 2021 were:

Hours - 2065

Donations - \$63,895.00

Closing the books for the District D Lioness Cabinet - \$3000.00 was donated to Camp Winfield
