ZC Debbie's Remarks

We had our Spring Conference via Zoom, and what a great conference it was. There was literally something for everyone, Showcase of Service, virtual silent auction – not to mention the speakers. The accommodation was great, no cost at all and my hat goes off to the conference committee for their amazing organizational skills in putting the whole thing together! It was a day of fun and fellowship and the best part was the chance to virtually visit with Lions that we have not seen for quite a while due to Covid.. We congratulate our District Governor Joyce for a year well done under challenging times. It's a shame not everyone gets to take in one of these conferences – why not make the commitment to send at least two delegates from your Club to at least one of the conferences this fall or next spring. They are going to be in person again, – the wealth of information that they can bring back to your Club will be invaluable. Now that the conference is over, its back to the last few official jobs of the year – to that end, Installation nights are coming up – please let me know as much in advance if you would like me & Lion Angus to attend so that we can put together a schedule I can share with all of you. With the officer training coming up, there are 3 dates to choose from, all the new officers will have on hand, the material that will help then put together a great year – those of you leaving office, please share any information you have gained from your year with the newcomers!

Club Officer Report Forms

Please make sure that your club has had your officers for 2022-2023 entered on MyLion for LCI and copy same to MD19 and to DG elect Debbie Allan. This has to be done even if there is no change in officers. As well please make sure that all outstanding balances to LCI and MD19 have been paid as your club will not be able to vote on redistricting if there are outstanding balances.

Incoming Officer Learning Dates

There are 3 opportunities for training coming up. They are: Jun 11th, July 16th and August 27th. All dates are a Saturday and will go from 9:00 to 12:30. All officers are urged to attend for the entire morning. The links to register are below. Click on the link below or put it in your search window and it will take you to the site. You must register so that information can be sent out to you prior to the training.

Kamloops Paddlewheelers Award Long Time Members

The club presented Lions Angela and Gerry Hamilton were both awarded Lion of the Year for all that they do for our club. They were each also presented with a Gordon Smith Fellowship. Between the two of them they have 83 years of Lions experience. Lion Angela was presented with her 45 years of service chevron the same evening. Both these Lions have volunteered over the years at several of the Care Homes in Kamloops dancing with residents as well as each other. Lion Angela was instrumental in getting the club behind donating I pads to the residents of several facilities so that the individuals could keep in touch with family during covid.

Redistricting

Secretaries please be aware that there is important information being sent out regarding redistricting. This is coming from the MD19 office and explains how the voting for this will take place. Please make sure you read and understand what is required of you regarding this important decision. Your club must select delegates to do the voting on June 4th between the hours of 8 am and 8 pm. You, as secretary, will have to send the unique link to each delegate. You will receive a separate email to you for each delegate you are entitled to as a club. You then send the email to the delegate in your club. If you have any concerns or questions do not hesitate to get in touch with me.

April Environment Month Projects

The Kamloops Paddlewheelers got out and cleaned up their stretch of Westsyde road that they have adopted. It was a beautiful day and we cleaned up in good time as there were enough of us to divide into 4 teams so we started at both ends and both sides of our stretch of road. After which we went for breakfast together at the local Denny's Restaurant.

Ashcroft & District Lions had fun on Earth Day!! The Cache Creek Elementary School has an amazing teacher who is doing a permaculture garden with his students. The Club donated two apple trees and two Honey Locust trees, and helped plant two of them. They are also working with Desert Sands Community School and will be doing trees with them, just didn't get it organized for Earth Day.
