D8 ZC Karen's Remarks

It's October already, fall is in full swing, temperatures are cooling off. The leaves are changing colors. As you can see, I am going to include D3 and D10 along with us in D8. Sadly those 2 zones have no Zone Chairs and I would like to continue to help them attain info and any other help if needed. If anyone has a spark of interest in stepping up to be a Zone Chair please ask me any questions, I am more than willing to always help out. It is a very rewarding experience, as you can see, I am on Year #2.

Don't Forget to do your MMR's before the 20th of each month.

You all have done great so far.

If you are a new Secretary and need help with MYLION or MYLCI please let me know and I can assist with training, and or forward you a "how to" brochure.

Upcoming events from around the Zone

Zone meeting: Saturday October 29th at 10am by zoom. This Zone meeting is for all D3, D8, and D10 . Please mark your calendars.

WHAT IS YOUR CLUB'S UPCOMING EVENTS.

I have not received many updates from D3, D8, or D10. Please let me know what your clubs are doing, this advertising could help promote your event.

Sorrento Lions November 5 will be our first and hopefully annual Craft Sale. It will be held at the Shuswap Lake Estates Community Centre at 2405 Centennial Drive in Blind Bay - right across from Duffer's Den and the golf course - from 9 am to 3 pm. We have an awesome collection of vendors already booked. This event is free and there is lots of free parking.

November 26 is our Seniors' Christmas Party and Silent Auction. Finally, after two and a half years, we are able to hold this popular event once again. It is also at the Shuswap Lake Estates Community Centre at 2405 Centennial Drive in Blind Bay - right across from Duffer's Den and the golf course - from 6 - 10 pm. Light refreshments will be served and we will be having a 50/50 draw. This event is free and there is lots of free parking.

Aberdeen Lions have been busy working with different clubs in different towns around SD73. They are doing vision screening with Grades 3 & 6. I had the most wonderful opportunity to be present in Chase last week when Bob and Beryl Cook were here. They allowed me to be “hands on” and assist in screening the 44 students that were available here to be screened. From there, we sent home 3 referrals to parents of possible concerns for parents to follow up on. It was a most rewarding experience doing it first hand. If you have the opportunity in your area to assist with your school, give it a try.
