

Summer Cabinet - 21 August 2022

CHILDHOOD CANCER

Childhood cancer is the number one cause of disease-related death in Canadian children

Childhood cancers respond well to treatment and children with cancer have a better chance today of living a longer life than ever before.

Camp Kakhamela summer camp for 2022 returned to an "all in person" camp. The camp provides kids the opportunity to meet other kids living with diabetes & take steps towards increasing self-management. The goal is to provide kids with a fun camp experience, filled with memories that will last a lifetime!

Camp Kakhamela celebrating 60 years in 2022
