August 2014

Lions, Lioness, and Leos of 5M7 –

I must start this article by thanking I-PDG Norm Kelzenberg for his leadership over the past year. He was and is a great mentor to me and led our District 5M7 well.

Attendance at the 97<sup>th</sup> Lions International Convention in Toronto will go down as a really enjoyable event. The first three days were spent in final DGE training. I was assigned to Group 11 (out of 26) consisting of Lions from all over the U.S., India, Australia, Singapore, South Korea and the Philippines. We had our picture taken with incoming President Joe Preston and his wife, Lion Joni, and received gifts including a nice rolling briefcase along with the traditional Presidents tie. It was a great convention in a great city. When I-PDG Norm removed my “Elect” ribbon from my badge, it really hit me that I am now Governor of 5M7! It was quite overwhelming, but I am settling in and moving on. I would be remiss if I didn't mention it was very apparent that the DGE's of Multiple District 5M were trained to a much higher level than most, if not all of the rest. This is a tribute to our excellent Multiple 5M training staff.

International President Joe Preston's theme for the year is, *Strengthen the Pride*, consisting of three points. First, *Strengthen the Pride through Service*. Second, *Strengthen the Pride through Strengthening your club*, and third, *Strengthen the Pride through Creativity*. I will be elaborating on these points during my Governor's visits to your clubs. Until then, go to the LCI website for a complete explanation.

Over the last week or so, I have been working with District Technology Chairs Lions Susan Johnson and Joanne Toews to update our 5M7 website. Lions Sue and Joanne have made it easy for the average Lion to use. Please download the current **2014-2015 District Governor Club Visit Request** form and send it to me (mail or email) as soon as possible. Doing so will give your club the best chance to schedule the night of your choice. Also, please refer to the Governor's Schedule elsewhere in this issue of the Gram for dates I am not available. (DG Club Visit Request form on p. #9)

Your Governor's team has made some adjustments in the structure of the District Cabinet, specifically as to how Zone Chairs report to and deal with your Vice District Governors. 1<sup>st</sup> VDG Tom will work closely with Zones 1, 2, 3 and 4, while 2<sup>nd</sup> VDG Steve will concentrate his efforts on Zones 5, 6, 7, 8 and 9. Also, your district coordinators for GMT, Judy Herrala and GLT, Dan Kaiser will be available to lend you their expertise and support in the issues that arise. Remember though; please call me if you feel the need for my input.

To those who received the MD5M online directory in a PDF, please look through your zones and club information and let me know of changes, corrections or updates by Monday, August 11<sup>th</sup>, so I can forward them onto Lion Steve Wasserman before he creates the disc.

Please **ASK 1**, give someone an opportunity to serve their community and the world — ask them to become a Lion!

*Serve The Need*

Hello Lions, Lioness, and Leos —

Well, I guess it's that time again for the 5M7 Gram letter and I hope all Lions, Lioness and Leos do read the 5M7 Gram. There is a lot of hard work put into the Gram by a lot of people and for one is Lion Becky Anderson, Gram editor.

Governor Lion Terry has had a meeting with Lion Tom 1<sup>st</sup> VDG, Lion Steve 2<sup>nd</sup> VDG, Lion Judy Herrala GMT Coordinator, and Lion Dan Kaiser GLT Coordinator. I can say Governor Lion Terry is ready to go to work. He has a lot of good ideas and one is to get new members into the Lions. You, as a Lion member, go out and ask someone to become a Lion member. As of right now we have 1,902 Lion Members. Just think, if every Lion Member would ask one person to become a Lion Member — Governor Lion Terry would have to do something special for 5M7

District. Let's go for it, I say!

⇒ At the [Council of Governors](#) meeting on July 26 we should get our Snowman Pins, District Pins and the MD5M Directory disc.

⇒ I will be going out to [Leader Dog for the Blind](#) on August 8-10. I am looking forward to seeing it again. It's been eight years from my first time there.

⇒ I am looking forward to the Zone Meetings coming up, Lions, Lioness and Leos activities and Governor Night's with Governor Lion Terry and Lion Steve, 2<sup>nd</sup> VDG.

Start thinking about the [Mid-Winter Convention](#) coming up on January 16-18, 2015 at the Minneapolis Airport Marriott Hotel in Bloomington. That time does come up fast on us. There are good seminars, very good meals again and good speakers this year.

Lion Tom Fiecke 1<sup>st</sup> VDG  
*Service From The Heart*

Lions, Lioness and Leos --

Governor Terry is back from the [Lions International Convention](#) and has handed out our new badges, so I guess our journey has begun. Governor Terry has given me Zones 5, 6, 7, 8, 9 and the clubs in these zones to help with any problems that may come up. I really enjoy visiting clubs meeting, or functions, so shoot me an email and let me know.

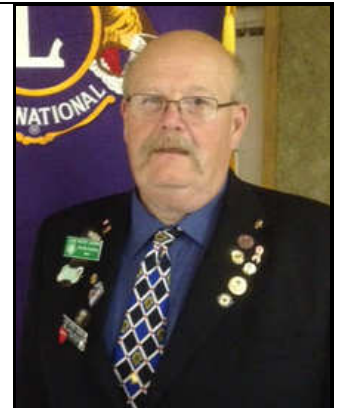

Also, please use the 5M7 website to advertise your club activities, and put it in the 5M7 Gram, let people know what's going on in our District.

I've attended my first Governor's visit as 2<sup>nd</sup> VDG. Lion Kathy and I attended Blaine Central Lions Club and had a great time. I was able to meet a bunch of great Lions, ate a great meal, and the Club got a new member.

Last week I attended the Coon Rapids Lion Club along with Family Promise. They informed us about the number of homeless people in Anoka County, with a large number of them being children. As Lion Ginny Hestekind commented on at Mid-winter, *"We have to plant the seeds and grow from there."*

Thank you for what you do as Lions,

2 VDG Steve Linder

# MN Vision & Hearing Foundations

The **MN State Fair** is fast approaching! This means the **MN Lions Hearing & Vision Foundations** will once again have an informational booth in the Education Building.

Visitors to the booth can receive information about both Foundations and about their work at the University of Minnesota. Visitors can also receive some free items, such as eyeglass cleaning cloths and earplugs, compliments of the Foundations.

Each MN District in the Multiple is assigned the task of staffing the booth during the entire run of the Fair. 5M7 has the following shifts to cover as assigned by the Multiple:

## Saturday, Aug. 30<sup>th</sup>

8:45 AM to 12:00 Noon  
11:45 AM to 3:00 PM  
2:45 PM to 6:00 PM  
5:45 PM to 9:00 PM

## Monday, Sept. 1<sup>st</sup>

4:45 PM to 9:00 PM

Your **5M7 Vision & Hearing Foundations** representatives are looking for volunteers to assist them in manning the booth during these five (5) shifts. At least three (3) persons are needed to staff the booth during each shift. Anyone is welcome to come and help out at the booth, whether they are a Lion or not. Information is available at the booth for the volunteers to use in helping answer questions posed by the visitors and materials to give away will be provided by the Foundations.

Volunteers will be responsible for their own transportation to and from the Fair, as well as their own pass to get onto the Fairgrounds. Volunteers are welcome to arrive at the Fair before their shift to see the sites and stay afterwards to take in the fun and excitement of the MN State Fair. Alcohol consumption by volunteers prior to and during their shifts is strictly prohibited. Volunteers are asked to conduct themselves as Lions since they are representing all of the Lions throughout Minnesota.

If you are interested in volunteering your time in the booth or have any questions regarding the event, you are encouraged to contact any of the **5M7 Hearing & Vision Foundation** representatives. More people helping for each shift allow for breaks for the volunteers and better service to the visitors.

We really need some 5M7 Lions to step up and help this important Lions event! **Please volunteer as soon as possible!** If you can't volunteer but will be attending the Fair, stop by the booth and let the staff know you're a Lion!

American  
Diabetes  
Association.

## You Are Invited!

The American Diabetes Association, Minnesota Area is currently planning our two largest programs of the year: **Camp Needlepoint/Daypoint** and our **Diabetes Expo**. I personally want to invite the members of your club to visit one or both of these programs this year.

**Camp Needlepoint** sessions are **Sunday, August 10 to Saturday, August 16** and **Sunday, August 17 to Saturday, August 23**. Since registration and camper pick-up are the Sundays and Saturdays, we ask that you schedule a day during the week. The time at camp

will include a tour of the camp facility, lunch with the campers and an opportunity to meet the medical staff, counselors and campers. Camp is located just south of Hudson, Wisconsin.

**Contact:** Chris Schaefer at 1-888-342-2383, ext. 6592 or by email at [cschaefer@diabetes.org](mailto:cschaefer@diabetes.org) to schedule your visit. We ask that you not show up without first contacting us as we need to know who is on-site for the safety of the campers and staff.

Our **Diabetes Expo** will be held on **Saturday, October 11<sup>th</sup> from 9:00 AM to 3:00 PM** at the

**Minneapolis Convention Center, Hall E.** It is billed as “everything you need to know about diabetes under one roof” including workshops, cooking demonstrations, fitness activities, free health screenings, an “Ask the Expert” area, and vendors offering the latest diabetes products and services. Last year nearly 8,300 people attended; we’re expecting more this year.

As a Lion, you and/or your club can get involved in several ways: We invite you to come to learn more about diabetes.

- ⇒ We need many **day-of-event volunteers** for this activity. Lions Clubs may want to volunteer as a club. Many clubs helped last year; by wearing their vests they gained more recognition for Lions Clubs and what they do in the community. Volunteer for a few hours (time slots are 8:15-12:00 PM or 11:30-3:15 PM) or for the entire day. Please contact me at 1-800-676-4065, ext. 6592 or at [cschaefer@diabetes.org](mailto:cschaefer@diabetes.org) if you or a club would like to volunteer.
- ⇒ Several areas outside of the Twin Cities worked on **organizing buses to and from the Expo** for members of their community. Clubs from several communities in your district could set up a bus route with several stops to pick up people. Work with your local clinics, hospitals, churches, etc. to get the word out. If you are thinking about having a bus please contact me at 1-800-676-4065, ext. 6592 or [cschaefer@diabetes.org](mailto:cschaefer@diabetes.org) for more information. All people will have free admission to the Expo and there will be free bus parking at the Minneapolis Convention Center.

We appreciate the support we have received from Lions Clubs in the past and invite you now to see how that funding is helping people with diabetes.

## Affordable Hearing Aid Program

Hearing Foundation, Inc.

I would like to explain the *Affordable Hearing Aid Program* from the MD5M Hearing Foundation.

A person needing hearing aids, who can't possibly afford them on their own, can approach a Lions Club for help. That Club then can contact a Trustee of the Lions Hearing Foundation. There is an application form that contains questions about the financial situation of the person seeking hearing aids; we also require the past two years income tax returns. With this information we can determine if the person qualifies financially. We also need to know if the person has insurance or Medical Assistance that will cover all or part of the hearing aids. We must separate *Need* from *Greed*.

The next thing that is needed is an audiologist that will work for Medical Assistance rates. The person needs the results of a hearing evaluation or test taken within the past year. The trustee will ask the person for some help in paying for the hearing aids and the Lions club to pay the rest of the expense. The hearing aids provided are refurbished by Starkey Labs and have a one year warranty. Starkey will not accept a personal check from the recipient, so they make out a check to the Trustee. The Trustee then waits for the check to clear the bank, then the Trustee makes out a personal check to Starkey and sends it in along with the check from the Lions Club that is made out to Starkey Labs. These two checks are deposited into the revolving account the District has at Starkey Labs. The list of hearing aids available for the audiologist to choose from is quite extensive. A good match can usually be made so the recipient gets hearing aids that will improve their quality of life.

The Hearing Foundation does not supply hearing aids Free of Charge under this program. The recipient and the Lions Club pay for them. Depending on the circumstances of the individuals hearing needs, the price is usually less than \$1000, and can be as little as half that. So, if your club is approached about help with hearing aids, contact one of the trustees of the Lions Hearing Foundation for help.

Yours in Lionism,

PDG Jim Mulroy, Trustee  
MD5M Hearing Foundation

## Global Membership Team

I am Judy Herrala and I am your District Global Membership Team (GMT) Coordinator. I am a member of the Nowthen Lions Club in Zone 4. I have been on the cabinet for a few years now and have now taken the GMT Coordinator position for our District. I am looking forward to working with all of our clubs in the membership area.

My 5M7 friends, there is **EXCITEMENT** in the air! Can you tell? I have just been to my coordinator training and am all trained and ready to go. I cannot wait to meet each of

our 5M7 members as I visit zones and clubs. There is so much to membership. It is not just asking people to join our awesome organization. Membership includes new clubs, orientations, retention, the CEP Process, and much more. Yikes! There is a lot to it, isn't there? Each of my Gram articles this year will focus on at least one topic, if not more.

I'd like to start off with our district goals. I sat down over a month ago with DG Terry and we thought hard about the goals that we wanted to have for our district. They are lofty goals and we are excited to make our goals and dreams come true. I would like to share those goals with you here.

1. To gain one new club to be completed between July 1, 2014 and June 30, 2015.
2. To achieve a net membership growth in 5M7 of base membership +40 by June 30, 2015.
3. To achieve a retention percentage of 90% for the year 2014-2015.
4. Communicate at least bi-weekly with the Executive Cabinet members in this district.

There are more goals that we have including personal goals. The goals stated here are goals which you, the members can help us with. We are very excited to work with you on membership.

I will be working closely also with the Global Leadership Team (GLT) Coordinator Dan Kaiser as well. We look forward to your asking us to visit our zones and clubs. Ready, Set, Go...Let's work on membership!

*Judy*
