\$35 individual (\$50 after August 15th)

Minnesota Lions Vision Foundation

Lions, Lioness and Leos of 5M-7:

Ninety years ago, Lions Clubs International (LCI) heard the call and accepted the challenge to take up the single most important cause for this service organization. On June 30, 1925 at the LCI convention in Cedar Point, Ohio; the attendees heard from a remarkable woman. This woman contracted an illness at 18 months old which left her blind and deaf. Her family was devastated by this and feared she would need to be institutionalized for the remainder of her life as she grew older. Through her determination, her family's efforts and those of her instructor, this remarkable woman was able to overcome her physical limitations and become an inspiration to others. This woman's name was Helen Keller and her presentation at the 1925 International Convention convinced Lions Clubs International to become the "Knights of the Blind".

This was the first of many worthwhile causes the Lions have dedicated their time and money towards since 1917. For the past ninety years Lions, as well as Lioness and Leos, have been working on vision-related projects both large and small. Some of these projects include: collecting used eyeglasses; assisting in vision screenings for the young, the old and the needy; providing free eyewear to those who would otherwise go without; working to aid those with vision impairments by gaining them guide dogs, devices to help with reading and doctor appointments; as well as financial donations toward various events and projects. This cause continues to be the backbone of what Lions do in their community and around the world every day.

The members of MD5M are now faced with a major challenge which will continue our efforts towards this 90-year-long commitment. The Minnesota Lions Vision Foundation (MLVF) and the University of Minnesota-Twin Cities' Department of Ophthalmology and Visual Neurosciences have proposed the creation of a Minnesota Lions Eye Surgical Center. This dedicated surgical suite at the U of M campus would allow for more efficient treatment of patients. Patients would be able to have their office visits and surgical procedures done on

campus, rather than having to travel to different locations across the Twin Cities for their surgeries and their clinic appointments.

This proposal comes with a cost of \$4 Million and these funds will be paid out over the next several years. This is a large amount of money but the end-result of this project will provide benefits to those who work and receive treatment at the U of M eye clinics for many years to come. This cause will be just like the other vision-related projects the members of MD5M have accepted and continue to support over the years such as the creation of the Minnesota Lions Eye Bank, the Minnesota Lions Research Building, the Minnesota Lions Eyeglass Recycling Center, the Minnesota Lions Children's Eye Clinic, the Macular Degeneration Center and the Minnesota Lions Fund to Prevent Blindness in Infants and Children. All we need is your support.

When you are budgeting for donations your Club will be making over the course of this next year, we ask that you please put the Minnesota Lions Eye Surgical Center on the list. Your financial support is needed to make this dream come true. Every dollar counts and is greatly appreciated. Please help do your part along with all the Lions in 5M7 to continue our commitment to Helen Keller's challenge. Prove to her that we are all truly "Knights of the Blind".

Yours in Lionism,

PDG Paul Hansen – MLVF West

St. Francis Lions

St Francis Lions Club installed two new members by Lion President PDG Schuldt and (not pictured) PDG Lion Al Zimmerman. Pictured from left to right: Sponsor Lion Monica Johnson, (new Lion) Steven Milius, sponsor Lion President PDG Schuldt, (new Lion) Lioness Jeanette Trimbo.

Montrose Lions

PDG Clay turns over the gavel to new President Wally Paschke.

PDG Clay congratulates new Lion Jayne Hofstad, who was sponsored by Lion Lonnie Weber.

Lion Lonnie Weber receives a 25-year Chevron from PDG Clay.

PDG Clay is pictured with new Lioness President Judy Salonek and new Lions President Wally Paschke.

Circle Pines Lexington Lions

The Circle Pines Lexington Lions, along with the Centennial Fire District Honor Guard and Boy Scout troop 65 did a flag retirement to lay to rest 40 American flags. The flags were lay to rest with words to say "You have served your country well, now rest in peace."

Lion Pat Devaney is shown with his daughter "Cub" Shea. The Circle Pines Lexington Lions, for the past year tested a program from Lions International called "The Cub" program. The club just wanted to see if this would be a fit. Yes, they believe it is and their first "Cubs" have received their shirts, just like club members with the "Cub" patch and their names. It was added to the club's bylaws and will give them the opportunity to invite younger members into the club for growth. The club proud to have one year "under the belt" with the program. Just think of how young kids can learn to give.
