## **Spring 2016 Lions Tours - April 30**

The Spring 2016 Lions Tour of the sight and hearing programs at the University of Minnesota is **Saturday, April 30, 2016.**

Please share this information with your club members, mark your calendars, and start planning your visit.

Never attended a tour? Here are some of the interesting things that you can see or hear about:

- Lions Children's Hearing Center and ENT Clinic
- Lions Voice Clinic
- Temporal Bone Lab
- Vestibular, Eye Movement, and Motor Learning Lab
- Low Vision Center
- Retinal Imaging Center
- Macular Degeneration Center
- Minnesota Lions Eye Bank
- Lions Children's Eye Clinic
- Testimonials from cornea transplant and cochlear implant patients

Lions tours are a great way for new club members to learn about the wonderful projects and services the Lions support at the University of Minnesota.

A formal invitation will be mailed to club secretaries next week, but you can make preliminary reservations at any time. To do so, contact Lion Jennifer Marshall at 612-626-6081 or [mader005@umn.edu](mailto:mader005@umn.edu).

Hope to see you in April!

## FEED MY STARVING CHILDREN FOOD PACKING EVENT

On Thursday, May 5, 2016, from 6:00 - 7:30 PM, the Lions, Lioness & Leos of Zone 5 (Andover Lions, Anoka Lions, Anoka Lioness, Coon Rapids Lions, Coon Rapids Lioness, Coon Rapids Leos, Ham Lake Lions and Ramsey Lions) and Zone 6 (Blaine Central Lions, Columbia Heights Lions, Coon Rapids North Star Lions, Fridley Lions, Spring Lake Park Lions and Spring Lake Park Leos) will come together at Feed My Starving Children, 401-93rd Avenue NW in Coon Rapids to pack food!

We are also asking all the participating Clubs to donate \$\$ to help pay for the cost of the meals that we pack. Feed My Starving Children (FMSC) is a 501c3. If needed, I do have copies available.

Appoint 1 Chairman from each Club to do fundraising for the event and to get the names of the volunteers to me so that they can be entered into the volunteer list for that evening.

We are hoping to have GREAT participation for this HUNGER event which would qualify as one of the 4 parts of the Centennial Service Challenge. That Challenge also includes Youth, Vision and Environment.

## 2016 USA-Canada Lions Leadership Forum

Omaha, Nebraska

Sept. 15-17, 2016

Leadership? Service? It's what Lions do!

“Leadership for Service”, the theme for the 2016 Forum, reflects our goal of equipping our Lions to meet the Centennial Service challenge in performing 100 million acts of service.

Saturday afternoon will have three large service projects that every attendee will be able to participate in.

Corresponding seminars have been added, teaching the skills and organization needed to better prepare service projects at the Club and District level.

Opening night, Thursday brings master illusionist and motivational entertainer, Billy Riggs.

On Friday, Lion Jay Blake brings his drag race car “Follow a Dream” to the Forum, along with his amazing story of

overcoming a blinding accident to follow his racing dream.

Saturday we look forward to the inspiring words of our then International President, Chancellor Bob Corlew. We finish the evening with Retired General Dick Abel, who after a a long career of Military, Private sector and public leadership will be talking about the leader within each of us.

Register now via our website: [www.lionsforum.org](http://www.lionsforum.org)

## Can Do Canines' Lions Newsletter Submission – March, 2016

Thanks to the support of Lions Clubs across 5M, Can Do Canines continues to train specially trained for people with disabilities and provide them to those in need, free of charge.

One recipient of a Can Do Canines assistance dog is Lion Bill Monson. Bill now has a greater sense of freedom, independence and peace of mind since thanks to Mobility Assist Dog Percy. Read their story below.

### BILL MONSON & MOBILITY ASSIST DOG PERCY

Bill Monson of Columbus, Minn. worked as an auto mechanic for 25 years until his back was broken in a terrible accident. Bill worked for five more years and endured four back surgeries until he and his doctors decided he should retire. Bill now uses a wheelchair to get around. He stays active, but there are many times when he needs help.

"I'm not supposed to reach down to pick things up," he says, "and I need support when transferring from my wheelchair to another area."

As a member of the Columbus Lions Club, Bill was familiar with Can Do Canines, so he applied for an assistance dog and was partnered with Mobility Assist Dog Percy, a two-year-old black Labrador retriever. Today Percy helps Bill by picking things up, opening doors and drawers, and taking his socks off.

Bill says, "I drop things a lot and I don't even think about it anymore. Percy will hand it to me and look at me like 'don't reach for it, don't bend over, I got this.'"

One of the best things Percy does is use his nose to close the footrests on Bill's wheelchair. Bending over aggravates Bill's back, so having Percy on hand to help is a big improvement.

Bill continues his involvement with the Columbus Lions and wants to tell his story to other clubs. With Percy at his side, he's an advocate for Can Do Canines, thanking the organization for all they've done for him.

Bill Monson and mobility assist dog Percy

## Delano Lions

Lion Rick Schaffer received the Lions Heart Award from Delano Lions President Joe McDonald and District Gov. Tom Fiecke during the Delano Lions Governor's Night.

Tom Stifter received the Lions Spirit Award from Delano Lions President Joe McDonald and District Gov. Tom Fiecke during the Delano Lions Governor's Night.

Lion Tom Schaffer received the Lions Claw Award from Delano Lions President Joe McDonald and District Gov. Tom Fiecke during the Delano Lions Governor's Night.

Lions Brad Felknor and Mike Bauer are pictured during the Delano Lions Governor's Night. Bauer was the winning bidder for John Sweet's Lion vest and gave it to Felknor in honor of his father, who passed away a year ago. Felknor also received an award for adding many new members to the club.

Lion Steve Rogers received the Lions Roar Award from Delano Lions President Joe McDonald and District Gov. Tom Fiecke during the Delano Lions Governor's Night.

## Spring Lake Park Leos

The Spring Lake Park Leos recently took a tour of the Animal Humane Society Animal Shelter. Before going on the tour the Leos made 20 tie fleece blankets, purchased animal toys and donated these items to the shelter. A total of 32 Leos attended the tour and got to see the shelter operations and pet some of the animals waiting to be adopted.

The Leos collaborated with the Spring Lake Park HS National Honor Society to collect over 300 pairs of shoes for the Soles for Souls program. The Leos connected the pairs together and boxed the shoes up to ready for shipment. Leo Jason Flakne and Leo Advisor Pete Yelle then dropped them off in Maple Grove at the Soles for Souls collection site.

# Minnesota Lions Vision Foundation

## Lions, Lioness and Leos of 5M-7:

In case you weren't aware of it, March is *National Eye Donor Month*. President Ronald Reagan proclaimed this in 1983 and for 33 years it has raised eye donation awareness, honored donors and their families, and celebrated cornea recipients. Your **Minnesota Lions Vision Foundation (MLVF)** board representatives, PDG Paul and Lion Lyle, would like to remind you to celebrate *National Eye Donor Month* by registering to be an organ donor. The contribution of your eyes to the **Minnesota Lions Eye Bank (MLEB)** will help others maintain and receive the gift of sight. Corneal transplants and important eye research can only occur when someone makes the selfless act of donating their eyes. During March, please make sure to tell your family and friends to sign up for organ donations and remember to tell your family of your wish to donate your eyes. By having your family informed about your choice, it will help simplify the process when the time comes.

One way to continue your financial support of the **MLVF** throughout the year is through **Amazon Smile**. If you're already making purchases on *Amazon* or *Amazon Prime*, you now have a great way to make a contribution to the **Minnesota Lions Vision Foundation** when using these on-line services. Just log into your Amazon account and enter '*Amazon Smile*' into the search bar. From there, you will be given the opportunity to register your charity of choice. Just type in '*Minnesota Lions Vi-*

*sion Foundation*' and you'll be able to link the Foundation to your Amazon account. Now every time you log into **Amazon Smile** to make a purchase, the **MLVF** will receive a contribution equaling 0.5% of your purchase. This passive fundraising can add up over time so, sign yourself up and have your family and friends do the same. The more this service is used, the greater the number of donations will be.

The first phase of the **Minnesota Lions Eye Surgery Center (MLESC)** has opened its doors in the brand new *University of Minnesota Health Clinics and Surgery Center*. This eye surgery suite will specialize in cataract surgeries, the most common type of surgery being performed today. With our aging population and the increasing number of cataract cases each year, the new **MLESC** will be very busy as time goes on. PDG Paul and Lion Lyle will be happy to update on the next phases of the **MLESC** as they are prepared for launch and on the progress of Phase One.

If you have any need for eyeglass collection boxes, information brochures, details on where your Club stands on Helen Keller awards you can give away, have used eyeglasses to turn in, or would like to schedule a Club presentation, please make sure to contact your Zone Chair, PDG Paul or Lion Lyle.

**Thank you, 5M-7, for being 'Knights of the Blind'!**  
Yours in Lionism,

PDG Paul Hansen – MLVF West

# Fluoride

Fluoride is the key to healthy teeth because it prevents cavities.

It is found in most of the foods we eat and in the public drinking water in most of Minnesota.

Fluoride makes teeth more resistant to damage and strengthens them. If your child drinks well water, ask your local health department about its fluoride content because well water is often low in fluoride.

Always drink fluoridated water if possible.

Also, reverse osmosis filters (but not charcoal filters) remove fluoride from water.

Make sure you are **fluoride smart**.

Learn more by visiting the Minnesota Oral Health Project website [minnesotaoralhealthproject.com](http://minnesotaoralhealthproject.com) and liking us on Facebook.

**Cavities can be prevented.**

Copyright 2013, Regents of the University of Minnesota. All rights reserved.

# Good Tooth Care for Children

Your child's teeth are important to good health and development.

You can prevent childhood cavities by following these simple steps:

- Limit sugary foods and drinks.
- Make sure your child's teeth are brushed twice daily with fluoride toothpaste starting when the first tooth appears.
- Take your child to the dentist every six months for an exam and fluoride treatment.
- If your child does not have a dentist, ask your child's doctor or nurse practitioner to apply fluoride varnish to your child's teeth every three months starting by age one at the latest.

Learn more by visiting the Minnesota Oral Health Project website [minnesotaoralhealthproject.com](http://minnesotaoralhealthproject.com) and liking us on Facebook.

**Cavities can be prevented.**

Copyright 2013, Regents of the University of Minnesota. All rights reserved.

# Oral Health Project

Your community wants to improve the health of children's teeth.

Doctors, dentists, nurse practitioners, physician assistants, pharmacists, teachers, social workers, business people, parents, social services groups and the media have teamed up to form the Minnesota Oral Health Project.

Together, they want to reduce the number of children who get cavities.

Cavities can be prevented with good tooth care.

Join the team and learn more by visiting the Minnesota Oral Health Project website [minnesotaoralhealthproject.com](http://minnesotaoralhealthproject.com) and liking us on Facebook.

**Cavities can be prevented.**

Copyright 2013, Regents of the University of Minnesota. All rights reserved.

# How Caregivers can Minimize Development of Childhood Cavities

- 1) Wipe your baby's teeth daily with a clean washcloth.
- 2) Do not wet your baby's pacifier with your spit. Do not pre-taste or pre-chew their food.
- 3) When the first tooth appears, clean teeth with a soft toothbrush and a smear of fluoride tooth paste. Then, wipe the inside of the mouth with a wet cloth until your child is old enough to spit (age 6-7).
- 4) Except at mealtimes, only put un-sugared water in your child's bottle or sippy-cup. Never put a baby to bed with a bottle.
- 5) Bring your child to a dentist by the first birthday.
- 6) If your child does not have a regular dentist ask your child's doctor or nurse practitioner for fluoride varnish every three months and tips to keep your child's teeth healthy.
- 7) Learn how you can help your child avoid cavities by visiting the Minnesota Oral Health Project website [minnesotaoralhealthproject.com](http://minnesotaoralhealthproject.com) and liking us on Facebook.

**Cavities can be prevented.**
