## MidWinter Convention

A Note From:  
District Governor  
Al Kvistero

Lions, Lioness and Leos,

I thank everyone who took the time and came down to the Mid-Winter Convention. I hope that you were able to reunite with some other people that you know, maybe met someone new and maybe even brought a new idea home to your club. It was quite busy and I know that I had a good time. Next year we will be holding our convention at a new site, the Rise in Brooklyn Center. If you have ideas you would like to see at your convention please forward them to us. Our International Director Gary Brown and his wife Lion Barb had a great time visiting everyone and wished us to thank all of you. We had a wonderful time visiting with ID Gary & Lion Barb, they were truly remarkable people and I hope you had a chance to visit with them.

I am happy to report to all of you that our Parade of Green collected \$127,832. I thank each and everyone of you for your contributions. I would also like to congratulate our new District Governor Elect Jim Kugler and his wife Lion Jan. I know they are about to start an amazing journey and have as much fun as I have had. Congratulations also to our new 1<sup>ST</sup> Vice District Governor Elect Peter Lendway. He has some time yet, but I know will make a wonderful Governor in another year.

I would also like to congratulate PDG Larry Kounkel for being elected into the MD5M Lions Hall of Fame. I'm looking forward to my photo op with a celebrity when he is inducted at the Multiple Convention in Mahanomen in April. PDG Larry has done so many great things for his club, our district, and has been a very patient mentor to so many of us. Congratulation PDG Larry.

There are still several of you that I have not heard from yet to schedule a Governors Visit. It doesn't have to be a traditional Governors Night. I like meetings too. It is so interesting to see how we all do the same things in different ways. Please check my calendar on the district web site. I have lots of dates still open.

The Regional Lions Leadership Institute (RLLI) is quickly approaching. It is a great way to meet other Lions and learn a lot about being a Lion. Each district can send 6 people and I still have some openings. It will be held in Mahanomen on March 28 - 31. The cost is \$150 to sign up. If you attend and complete the class, MD5M will reimburse you \$100 and our district will reimburse you another \$100. This class is held every two years.

Once again, I thank you for everything you have done. I know the next few months will be very busy for all of you and that you will continue to do amazing things.

Thank you

DG Al Kvistero

## Things on my mind: Vice District Governor Jim Kugler

Before launching into my thoughts for this newsletter, I'd like to express my thanks to everyone who participated in this year's convention. I'd also like to say thanks for the opportunity to serve as your district governor next year. Lion Jan and I are looking forward to the journey. The theme is The Power of We.

Still in the recovery mode after the district convention. I'm working on putting together the cabinet for next year. What I do know is the dates for the cabinet meetings for next year. They are July 23, October 22, January 10, 2020 at the district convention, March 10 the maybe May 10<sup>th</sup>. The cabinet meetings will be held at the American Legion in Monticello.

There are three themes for next year: increasing membership by having each club have a net membership growth of at least one new member; recruiting members to take an active part in various leadership training opportunities; and moving the convention to an entirely new location in Brooklyn Center. Along with a new location look for enhancements in the convention. More about all those items in later newsletters.

Lion Jim

## A message from: 2<sup>nd</sup> Vice District Governor: Peter Lendway

Hello Lions!

The last weekend in January, as I made visits to three other midwinter conventions, 5M10 in Tower, 5M4 in Alexandria, and 5M1 in Rochester, I was struck by how different they were from our conventions. Some printed programs for each event. Some had a big social on Friday night and did their memorial service Saturday morning. Some provided a bag with a pad

of paper, a pen, programs, brochures, something sweet etc., as a nice welcome.

There were also similarities. We support the same programs like KidSight, Can-Do Canines, Leaderdog, Friendship Ventures, etc. So, in effect, we are working toward the same humanitarian goal of service to our communities. There were guest speakers that spoke on the programs we jointly support.

While there is no right or wrong way to run a convention it is your convention, after all. The convention committee is always open to new ideas. An example of a new idea might be to have a big social in one big room instead of several hospitality rooms all spread out. Or have lunch on Saturday immediately after the memorial service. The list can go on....

If you have an idea for something new or a change in the order of what we currently do feel free to bring it up to anyone on the convention committee or to any of the cabinet members or zone chairs. Thank you Lions for what you do for your communities!

1VDGE Peter Lendway

## Environmental Winter Thoughts

Winter has come to Minnesota with subzero temperatures, wind, snow and ice. It is nice to snuggle up by a fire and read a good book. But we have things to do that take us outdoors and we are thankful when the snowplow has come and clears the streets and spreads salt to make travel much safer. This got me thinking about the environment and road salt.

The history of using salt on our roads started in New Hampshire in 1941 and as automobile accidents decreased other states took notice and began using road salt too. In the 1950's, the U.S. highway system began a rapid expansion and the increased mileage of roads required more road salt. In the 1970's Americans began to realize the harmful effects of road salt on nearby land and waters.

New technologies are helping cut the amount of salt used, plows can be equipped with application regulators and others systems that can gauge the amount of salt being spread. A liquid salt brine can be spread more evenly than rock salt, and it begins to work immediately because the salt is already in solution. This can reduce salt use by as much as 70%.

As I was reading the Coon Rapids Community Connection News, I noted that the city uses a salt/chemical mix and not sand. The salt is used on main roadways and not on every block of residential streets. In neighborhoods, salt is most often put down at intersections and on hilly locations. The city tries to use enough salt to keep the roads safe, while balancing the needs of the environment.

What will happen in the spring when the rains flush the salt into our lakes, streams and rivers. As road salt infiltrates our drinking water supplies, it can cause health problems in critters and we humans.

Traveling safely is important to all of us as is not destroying water quality.

Minnesota the Land of 10,000 Lakes has a treasure that must be cared for.

Lion Jan Dubats

### 2019 5M-7 Mid-Winter Convention recap

The 2019 5M-7 Mid-Winter convention has come and gone and what a wonderful time it was. There were some great presentations such as the one by Dr. Deborah Ferrington from the **Macular Degeneration Research and Rehabilitation Center** at the University of Minnesota. She gave an inspirational talk about how important donated eyes are for her research into finding a cure to age-related macular degeneration. We hope you were inspired by her speech to become an eye donor and to designate the Lions Gift of Sight as your eye bank of choice!

Speaking of congratulations, a big one goes out to all the clubs in 5M-7 who participated in the annual Parade of Green! Due to the generosity of those clubs, the **Minnesota Lions Vision Foundation (MLVF)** received \$16,733.00! Thank you so much to the 34 clubs who contributed their hard-earned dollars toward the Foundation and its projects. If you or your club hasn't yet made a donation towards the MLVF, don't worry, there is still plenty of time before the end of the year to send in your contribution!

### Minnesota Lions Eye Surgery Center

We are proud to say the **Minnesota Lions Eye Surgery Center (MLESC)** has become a rousing success. PDG Terry & Lion Lyle found out at the January foundation board meeting that the MLESC is projected to perform over one thousand seven hundred surgeries during 2019. After not having on-campus surgical space for several decades, the MLESC now allows for the eye surgeons to perform their procedures without the hassle of traveling off-site for these procedures. This off-site scheduling created inefficiencies with the doctors and took up the patients' time. Having this new part of the department at the U of M means better use of time and more opportunities to handle patients. Our recent equipment purchase now allows doctors to perform cataract, retinal, cornea replacements and a multitude of other procedures. The MLVF is in the process of purchasing another piece of equipment, the first of its kind in Minnesota, for the eye surgery center. If you would like to help the foundation with making this equipment purchase, please consider making a donation and designating the MLESC for where you would like the funds to go towards.

### Legacy Gifts

There are several ways that someone can make a contribution towards the Minnesota Lions Vision Foundation. Many people make an annual charitable donation for a tax deduction. Some parties make contributions that coincide with such events as anniversaries or birthdays. Others have designated the MLVF as a charity of choice for honoring a loved one who has passed away. In addition, some individuals have taken it one step further by setting up a legacy gift to the MLVF.

Legacy gifts can be done in several different ways. Options available to you could be a contribution in the form of *bequests, charitable gift annuities, retained life estates, wealth replacement trusts, charitable lead trusts, real estate gifts, life insurance policies, securities gifting, stock gifting* and *retirement plan asset gifting*. With so many options available to you, it is recommended you sit down and talk to your financial planner and lawyer to explore which might be best for you. **If you wish to make a lasting gift towards sight preservation & conservation, a legacy gift to the MLVF might be just the thing for you.**

### Amazon Smile

If you're already making purchases on **Amazon** or **Amazon Prime**, you now have a great way to make a contribution to the **Minnesota Lions Vision Foundation** when using these on-line services. Just log into your Amazon account and enter *Amazon Smile* into the search bar. From there, you will be given the opportunity to register your charity of choice. Just type in *Minnesota Lions Vision Foundation* and you'll be able to link the Foundation to your Amazon account. Now every time you make a purchase through Amazon, the MLVF will receive a contribution equaling 0.5% of your purchase. This passive fundraising can add up over time, so sign yourself up and have your family and friends do the same. The more this service is used, the greater the number of donations will be. It's a perfect way for you to give a little bit extra while you're making your gift purchases or buying your everyday needs.

Don't forget to turn in your collected used eyewear to your Zone chair, PDG Terry or Lion Lyle. If you haven't had a club or zone visit in a while from a MLVF director, it would be great for us to come see you. You can hear all the latest developments on research and treatments being done at the U of M, as well as how your club is sitting with Helen Keller Sight Awards. We hope to come visit all of you in the very near future, so please contact us to book us for your event.

Thank you Lions, Lioness and Leos of 5M-7 for truly being "*Knights of the Blind.*"

## LEGISLATIVE ASSISTANCE GAMBLING

**H** Some of our Lions Clubs in 5M7 are involved in Charitable Gambling, while others are not. However, I believe with over 1200 licensed organizations in Minnesota that there is a license in your City. Perhaps it is a Fire Department or a Youth Fund or a Legion or VFW. You may not be helping your Club but perhaps another group in your community.

**L** This is a budget year for Minnesota. This is our best chance to get something through the Legislature. According to Allied Charities, the non-profits involved in gambling are on target to pay \$95 million to Minnesota in G-1 taxes. **WE NEED YOUR HELP. CONTACT YOUR LEGISLATORS.**

**P** House File 69 and its Senate companion bill SF219 will exempt our donations from the Gambling Taxes. If this is passed, the non-profits would see about \$20 million in tax reductions. There would still be almost 3 times as much tax as needed for the Stadium Bond payments. The Senate file chief author is Nelson with co-authors of Chamberlain, Anderson Kiffmeyer and Ingebrigtsen. HF 69 chief author is Dettmer with co-authors of Ecklund, Davids, Gunther, Nornes, Pierson, Erickson and Nash. Thank those who signed on and ask others to vote positively.

**E** HF 81 would change the current flat rate of 8.5% on some types of gaming to 4.25%. This HF would also change the combined receipts rate from 9% on the first \$87,500 of net receipts, 18% up to \$122,500, 27% up to \$157,500 and 36% over \$157,500 to a much more manageable 4.5% on the first \$200,000 then 9% up to \$500,000 and then 13.5% over \$500,000. Rep Leuck is the chief author and co-authors are Dettmer. No Senate companion bill at this time.

**P** Either of these bills would be 100% welcomed by all non-profits involved in gambling.

**JOIN US ON MARCH 18TH FROM 5 TO 7 PM AT BEST WESTERN PLUS CAPITOL RIDGE. Speak directly to your legislator.**

**March 18<sup>th</sup>!!  
We need you!**

*"We Serve. That is the reason we are Lions. As  
a Lion, it is our responsibility to use the funds  
that we have been entrusted, wisely. As a  
service organization, we need knowledge and  
leaders to do this. That is why RLLI educates

*"I just wanted to say how awesome the RLLI 2017  
Leadership Institute in Mahnomen, Mn. was.  
Everything from the talented instructors to the  
diversity of interactive training sessions.  
I came away from the training knowing I had better  
skills in Diversity, Member Motivation,  
Communication, Time Management, and a number of  
other topics, to take back to my club and help  
my club become stronger. I would highly  
recommend RLLI to any Lion member who wants  
personal growth and to strengthen their club."*

*"It was well worth the time spent meeting new Lions  
and learning about their clubs and relating to the  
same issues. With the help of the Leadership Institute  
I have stepped out of my comfort zone and am now  
serving my second term as Club President."*

## MINNESOTA LIONS DIABETES FOUNDATION

*"Catch the Dream" – Life Without Diabetes!*

Dear Fellow Lions in 5M7,

Did you know that according to the US Center for Disease Control and Prevention?

- **30 million of us in the US have diabetes. One in four of us is unaware we have it,**
- **84 million of us have prediabetes, and 90% of don't know it. Combined, that's a third of our US population, and**
- **Diabetes is the 7<sup>th</sup> leading cause of death in the US and the leading cause of adult onset blindness?**

Did you know that the **Minnesota Lions Diabetes Foundation (MLDF)** has only been in existence since 2008 and in those ten years, we have donated over \$1.2 million to diabetes research at the University of Minnesota? These donations, designed to meet our end goals of finding a cure for this dreadful disease, as well as ultimately preventing it, are a result of donations from clubs like yours. Thank you for your continued hard work to help us in this battle.

We have another simple way for your club help us meet these goals: The MLDF is conducting a cash raffle to raise an additional \$50,000 for research and diabetes education. 1<sup>st</sup> prize is \$2,000; 2nd prize is \$1,000; 3rd and 4<sup>th</sup> prizes are \$500.00 each. Ten \$100.00 prizes will also be awarded. In total, that's fourteen winners!

Did you know that your two MLDF trustees (Lion Joel Anderson and Lion Deb Weston) have **lots and lots of tickets to sell** and **we need your club's help?** If each club in 5M7 would commit to purchasing one book of ten tickets (tickets are \$10.00 each) we'd meet our pledge to the Foundation.

To order your book(s) of tickets, please send a check payable to the Minnesota Lions Diabetes Foundation (\$100.00 per book of ten tickets) to either Lion Joel or Lion Deb by March 1. Your donation will count towards a Dream Catcher Award and tickets will be sent to your club as soon as your order/check is received. Thanks so much for your continued hard work and generous support!!!!

**Lion Deb Weston 1797 Tipton Circle NW, #10, Elk River, MN 55330**

Contact either one of us if you'd like to learn more about diabetes at an upcoming club meeting.

### MD5M Lions KidSight Foundation

Lions Mary Lea Curtis, Ann and Tim Kaduce, Directors

Thank you to all the clubs who have donated to KidSight. All monies are eligible for our Foundation Award. It is called the Sight Saver Award. Like the Helen Keller Award, donations from clubs or individuals amounting to \$1000 are eligible to receive this new award. Foundation Treasurer Lion Ann Kaduce would be happy to order this fantastic new award for your club to present to the deserving individual of your choice.

2018 found us out and about at many of our district community events. We really enjoy helping clubs SERVE their communities with this wonderful project. We were also part of a couple state wide events.

In June, 5M7 screened children at the Lions Centennial Celebration held in Anoka. Thanks to Big Lake Lions Deb and Scott Johnson, Circle Pines-Lexington Lion Bob Doocy and Montrose Lion Judy Wood for helping us out that morning. How many of you saw the video posted about the centennial event on Facebook? Director Ann and Tim are featured! Check it out:

<https://m.facebook.com/groups/LionsClubsSupport/permalink/2101388046841782/>

The other large event which we provided vision screenings for was KARE 11's Health Fair during the Minnesota State Fair. 27 Lions from 5M7 put in 181 service hours and screened 442 children.

The Lions of MD5M impressed Craig Hotvedt Executive Director of KARE 11's Health Fair. In his follow up letter, he stated, "As a first-year exhibitor at *Health Fair 11 at the Fair*, the Lions club team knocked it out of the park! I don't recall any other new group that embraced the challenge and handled the logistics as well as you and your team did. You were well-organized and your volunteers were enthusiastic. Well done! I hope you feel your efforts paid off. Of course, the real winners were the children and families that took part in the Lions vision screenings. It is a challenge to find organizations willing to provide screenings for this age group."

We have been asked and will be returning to do it all over again in 2019. Let us know if you are interested in joining us in August.

A huge THANK YOU to the following Lions who volunteered their time to SERVE at the Minnesota State Fair: Andover Lion Tom Boshart, Anoka Lion Vicki Violet, Big Lake Lions Deb and Scott Johnson, Cambridge Lion Lorraine Schummer, Cedar-East Bethel Lions Ruth and Gary Larson, Columbus Lions Genia Sjerven, Stephanie Hauer, Forest Lake Lion Chris Stauner, Rush City Lion Vern Koepp, Spring Lake Park Lions, Tiffany Peterson, Ann and Tim Kaduce, Mary Curtis, Kathy Miller, Jan and Jim Kugler, Bob McNeil, Pete Yelle, Wyoming Lions Catherine Zerwas, Weslie Gray, Judie LaBarre, Zella Oswald, Deb Ashby. Some districts were having a hard time getting volunteers to cover their shifts. Anoka Lion Jim Pokela along with Vicki Violet and Cambridge Lion VDG Peter Lendway pitched in and gave them a hand. Thank you again to all these Lions for making this event a huge success! We couldn't have done it without you.

In 2018, 5M7 screened 2,965 children. 328 of them received a referral to see an eye care professional. This gives us a referral rate of 11% with 6 being the average age of the children referred.

Governor Al recognized the hard work and dedication of 3 - 5M7 KidSight Rock Stars at our recent MidWinter Convention. (L to R, Lion Jan Kugler Spring Lake Park Lion, Lion Ann Kaduce Spring Lake Park Lion and Lion Judy Wood Montrose Lion) Lions Jan and Judy were awarded the International President Certificate of Appreciation. Of the 2,965 children screened by 5M7 last year both Lions Jan and Judy were each instrumental in the screening of over 1,000 of these children. (That's half of the district total!!) Lion Ann was awarded the International President Leadership Medal for her Service and dedication as MD5M KidSight Foundation Treasurer and 5M7 Director. Congratulations to these dedicated Lions!

CONTIUNED ON NEXT PAGE

Although it has taken us a couple years, we can finally say that we have given a KidSight presentation to all zones in our district. 26 clubs in 5M7 have participated in KidSight screenings with 80 Lions trained in the screening process. We are continuing to meet with clubs for training and screening events. BUT this is not enough! 5M8 is slightly larger than us, they reported at our quarterly board meeting that they only have 10 clubs left to train. We have not even reached the 50% mark! Why? The district has 5 machines with printers that are free of charge to any Lion, Lioness or Leo club in our district to provide vision screenings. This is a ready-made project, all paperwork and training provided. What are you waiting for? We, your District Directors, are here to teach and support you with this phenomenal project. Vision screening is not the goal, it is a method we use to reach our goal of every child seeing clearly. Is your club providing a service to your community that could save a child's sight?
