Please join fellow Lions and friends to celebrate and honor the life of MD4's own Past International President Kay Fukushima. PIP Kay served as our International President in 2002-2003 and he passed away in Sacramento on November 30, 2012.

This will be an inspirational time of reflection. For questions, please call the MD4 Office at 805-963-6681 or Larry Dicus at 562-699-4600.
