

ENCINITAS LIONS BLIND SURF EVENT

SEPTEMBER 8, 2019
9:00 AM TO 2:00 PM

**SAN DIEGO'S VISUALLY IMPAIRED WILL ONCE AGAIN HIT THE WAVES
AT SOUTH PONTO BEACH**

MARK YOUR CALENDAR, The Encinitas Lions Club in partnership with Urban Surf 4Kids and Stella Maris Surfing will hold their 24th Annual Surfing Clinic for the blind and visually impaired. All participants will be given free event T-Shirts. Surfers are provided wet suits, surfboards and instruction, in the water by **Certified Surfing Instructors** as they challenge themselves to balance atop surfboards. Breakfast and a BBQ lunch for all our guests will be included, weather you surf or come to enjoy a day at the beach. Of course there will be no charge and no age limit.

Helen Keller challenged the Lions Club to become the “Knights of the Blind”. Thus our club identifies needs within our community and work together to fulfill those needs. In addition to the annual Blind Surfing Event, the Encinitas Lions Club works on a variety of projects designed to help the sight impaired, such as free diabetes and eye testing clinics, eye glass recycling, prescription eye glasses, Guide Dogs for the Blind and Audible Traffic

Signals throughout our city.

Our **BLIND SURFING EVENT** received international recognition when featured on the 2015 **Lions Rose Bowl Parade** float. Our own (sight impaired) surfer Sebastian De Long rode the float as well as other sight impaired surfers from our community.
