

## District 4-L6 Service With Love Team

David W. Roberts continued

### COAST ZONE CHAIR REPORT (Nelly Taguba)

1. I joined DG Blessie and 1st Vice DG Napoleon in the scheduled visitation with Encinitas Lions Club on September 10th. This club has accomplished numerous activities each year. Their most current project is the installation of a drinking fountain in the Hall Property Sports Park. They have just completed the following two fundraising events:

a. Their 17th annual Blind Surfing fundraising was held on September 16, 2012. According to the report received from Lion President Melaini Peet, the event was a success and the biggest one yet.

b. Their first Champagne movie night was launched recently. It was shown at the famous La Paloma Theatre in downtown Encinitas. They were pleased with the outcome and intend to make it as an annual fundraising event.

Overall, the Encinitas Lions appear to be working cohesively as a team. No issues or concerns were noted.

2. Since the past year, San Diego North County Lions Club (of which I am a member) has partnered with the Oceanside Parks and Recreation Center with providing activities for the Oceanside community such as Christmas tree lightings, Easter egg hunting, Oktoberfest and other activities.

a. For the month of August, concerts were held at the Heritage Park and Rancho del Oro Park, during which time SDNC Lions provided games and prizes for the children and disseminated written materials about the Lions Club.

b. On September 15th, we participated in the Viejitos Health and Education and Car Show in Oceanside. Blood pressure check-ups and glucose screening tests were provided by Jeannie Ann Galambos, LVN and Jill Herndon, In-charge program coordinator, both from Wellpoint Medical Clinic. With us were George Folwarski and Tim Mendez of Poway Lions Club.

c. On October 6th, Lion Arminda Ruiz will be the chairperson of the annual Health Fair at Kaplan College in Vista, where health screening will be offered.

d. On November 11th, Our Club will be participating in the Vision Walk in Mission Bay Park. This will be our third year of participation in this foundation. Our Club and the other Lions Clubs will be working collaboratively in providing information on vision care and the Lions Club. Lion George Folwarski and Lion Arminda will be chairperson and co-chairperson of the Lions group respectively.

e. On September 29th, the SDNC Lions Club will be conducting an organizational and informational meeting for LEO at Coco's in Oceanside. The purpose of this meeting is to encourage High School students to be involved in volunteer services for the community by forming a LEO Club, with the SDNC Lions as the sponsor/mentor.

f. With regard to a fundraising, we held an annual Fashion Show in Carlsbad on April 29, 2012. The Fishing Derby set for May 26th was cancelled due to lack of participation.

g. The SDNC Lions Club will be participating in the Students Speakers Contest. The dates for the Club and Zone levels are scheduled tentatively for February 3rd and March 2nd, 2013.

All of my visitations with the other Clubs are scheduled for the entire month of October.

### VALLEY ZONE CHAIR REPORT (Laurence Lazaga)

No report.

### MID MOUNTAIN ZONE CHAIR REPORT (Leo Sicut)

No report.

### **Bill Browing Imperial Region Chair 2012-2013**

All clubs in the Region are gearing for the coming year(2012-2013). We held our first Region meeting in August. We discussed how increase membership in each club and through out the Region.

Our goal is at least a 10% increase in membership. Also to work together as Lions and help each other in their projects and putting away our differences and problems. We as Lions are hear to help community and our neighbor.

The first project in our Region was the Imperial Lions Club eye screening for children at the Veterans Hall in Imperial on 9/15/12. The event screened over 400+ kids. Most of those were given free glasses compliments of the Imperial Lions Club. They also gave free blood pressure test compliments of El Centro Region Hospital and reading glasses to seniors. They had doctors from Mexicali and doctors /Lion members from San Diego Lions Clubs donate their time. **This was a very huge success**

## District 4-L6 Service With Love Team

**Bill Browing** continued..

Contrary to popular belief the Imperial Lions due help their community and neighbors, not only in the Imperial Valley but throughout the district and neighboring Lions Districts.

Next events for the clubs are their own fund raisers and white cane days. The West shores Lions have been busy all summer, senior clean up, 911 celebration honoring local fire department and those that lost their lives on 911.

I have visited all clubs at least once. I will visit all clubs this week with District Governor makes her visits. would like to thank 2VDG Mary ,ZC Randy Rynearson and ZC Mike Castro for their help on following up with clubs in their Zones on dues and reports.
