Marketing and Resource Materials

Leo [marketing and resource materials](#) such as recruitment posters and brochures tailored to spark the interest of potential Leos are available from the Leo Club Program Department for a minimal fee. Contact us for a publications order form or to place your order directly with one of our staff members. A number of publications are also available for download from the LCI website. To find Leo publications, go to www.lionsclubs.org, and enter “Leo/Youth Publications” in the search bar at the upper right-hand corner of the home page.

Leo Club Program Advisory Panel

The [Leo Club Program Advisory Panel](#) is a board-approved communication vehicle for Leos and Lions to share ideas about the Leo Club Program with Lions Clubs International. Panelists serve a two-year term in which they act in an advisory capacity with LCI as it evaluates issues related to the Leo Club Program. Items that impact the program are presented to the LCI Board of Directors for consideration and approval. The panel provides Leos with more voice in matters affecting the program and opportunities for leadership development. It also provides them with a chance to network and share ideas with Leos in all seven constitutional areas, helping them better understand the similarities and differences of the Leo Club Program worldwide. Nominations are accepted on a fiscal year basis, and forms to nominate Leos or Lions can be found on the LCI website in the “Leo Zone” section.

Leo Leadership Grant Program

This valuable program offers Leos an opportunity to develop their leadership skills through a training or conference created with the specific needs of Leos in mind. [Grants](#) to help fund such conferences or trainings are available to Lions districts and multiple districts and must address the development of Leos’ leadership skills, specifically in the areas of project management, teamwork, communication, innovation or planning community service projects. A maximum of one US\$2,000 grant is available to each constitutional area and the Continental Area of Africa each fiscal year. To be considered for grant funding, grant applications must be submitted and approved prior to holding the conference or training. Applications can be found in the “Leo Zone” on the LCI website and are accepted on a rolling basis until May 1 of each fiscal year.

Leo Convention Events

Each year, the Lions Clubs International Convention offers Lions and Leos alike an opportunity to meet peers from around the world, experience exciting events like the International Parade, and participate in seminars designed to address the unique interests of each member. Leos can attend skill-building workshops and enjoy networking opportunities where Leos and Lions interact and engage in discussions. Check the “News and Events” section of the “Leo Zone” for up-to-date information about the schedule of events for the next international convention.
