Bus Trip To Laughlin for May Convention

Here is information on the bus for the 4L6 Convention

Due to the distance involved and the price of gas we are looking at getting a bus to help every body get there.

Currently I have one company and I am waiting for one more bid.
At the current price we are looking at \$70.00 per person round trip.
We will need to get this booked a.s.a.p. I was told that this is a busy time of the year for Bus Company's.

The bus will hold 56 passengers so if we get enough people we can get 2 buses. The other nice thing about the bus is if enough people want to take a side trip to Oatman or Bolder Dam the bus will be available since we paid for it for the weekend. If we need 2 buses we could have one leave on Thursday and one on Friday.

Rooms at the River Palms are \$15.99 on weekdays and about \$35.99 for the weekend so if you wanted to come on the Thursday bus it would be affordable.

Please think about this and let me know your feelings on this. As soon as I get the other bid I will send out another letter with the prices and dead lines and how the sign ups will work.

Thank you
