Past President Jimmy Boton reported he and wife Cora attended the international convention in Seattle. It was very informative. Convention is enjoyable, that's why I make it a point to go every year if possible. Every day is a fun day especially the parade of lions. He congratulated President Pacita for a job well done on her first year; and the successful installation and picnic, considering the attendance of the Cabinet Officers including 1st VDG Blessie Trott, who was our Charter President. Very impressive.

Message from PP Jimmy R. Boton, MJF

The welcome event and the installation of Lion Pres. Pacita C. West MJF and the new sets of officer as well as the induction of 2 new members. Lion Cora and I consider this as a historical event for the club and one that we will place in our hearts. We have attended 5 International Conventions for LIONS Club in various states and countries but this occasion is paramount, the most wonderful as well as heartbreaking. I was surprised when I saw lions that are closed to my hearts in lionism. I am very much grateful to them for they make things into reality, they founded the San Diego Executive Lions Club which was once known as the club but now is a legend.

Thank you Lion PDG Juanita, PDG Scott, PDG Art, DG Brad, VG Blessie, VG Nap, PT Jay, PP George and lion Dante and Remy, you give the SDELC members lights. Your presence on this occasion removes the nightmares that were left in the darkness for the past 6 years since it was founded. I hope that the old glories that we have will be realized again. Your visitation will inspire our club members to be more active and supportive to the cause of lionism.

May I congratulate Lion Pres. Pacita and Lion VP Helen for attending the 94th Lions International Convention in Seattle. Due to their attendance, they have widened their knowledge on Lionism. This is the second time that Lion Pacita attended an international convention. I encourage you lion members to do the same. Furthermore my congratulations go to all club members who put all resources that made the occasion an event worth remembering. To lion PP Alex thank for being there to provide the necessary strength. Your presence in all project activities and meetings make up for my absence and the whereabouts of past Presidents of the club. To Lion Helen you are a treasure to the club. I could still remember in the past that I initiated the publication of a newsletter. But after 3 or 4 releases we stopped. But here is a club who was able to put up an educational, informative and academically prepared newsletter. I received copies for the past 3 years and I am updated with the projects and activities that the club is busy with. Congratulations to everyone. I believe that the 30 or more members of the club are committed and dedicated and that is why are here. To all awardees, my heartfelt congratulations and everyone should be recognized. To lion Auring, the most outstanding lion of the year for 2010. You deserve it and it is overdue. I hope that by 2012 you will have the most coveted award in lionism, the Melvin Jones Fellow.

Lastly I am happy for Lion Aurora Cudal to have returned to the club. This will make Executive lions club great. Your talent, expertise, leadership, vision, and scholarly will be an asset for the club.
