May, 2012

Dear Fellow District 4-L6 Lion,

Lions Camp Jack is the annual District-wide program to provide a summer outdoor experience for San Diego's at-risk youth. The goal is to provide a safe and fun-filled one-week vacation away from regular surroundings, to build and perpetuate a friendly relationship with law enforcement personnel and to reinforce moral and ethical values and community responsibility. This camp, which began in 1996, is scheduled for two weeks beginning July 29 and August 5, 2012. The first week will be available to 9-10 year olds; the second week will be for 11-12 year olds.

The Board of Directors of Lions Camp Jack is requesting the help of your club to continue to make this two-week district effort a reality. Everyone has been hit hard by the recent economic down-turn and we are no exception. Some of our past donors are no longer able to contribute at their previous levels, if at all. That is why we are coming to you.

Attached is a sponsorship package available to your club. Please consider making a donation of any size to Lions Camp Jack so that this valuable project may carry on for two weeks in 2012, and for another fifteen years!

Sincerely,

Kathleen Baldwin
President, Lions Camp Jack
