

District 25-Digest - December 2022

District Governor Eric Schuman

TOGETHER...WE CAN SERVE MORE!

HAPPY HOLIDAYS TO ALL!

Midway in the year, Christmas time, holidays, family, good food :), football :), friendship.... And oh yes, let's not forget "Together... We Can Serve More". As the holidays set upon us, let us be thankful for all the things we have and for the reasons we are all Lions!

But let us also remember all those less fortunate that do not have what we have. Remember my "Project Christmas" article from last month's newsletter. Remember Virginia O'Hanlon's letter to the New York Sun in 1897 asking "Please tell me the truth, is there a Santa Claus"?

Lions clubs from all over the world – yours included – have answered that question many times. Through our service, our donations, our holiday parties for our communities, and a myriad of other events that we have hosted and given to put smiles or happy tears on faces during this time of year.

I was Chair for several years for my club's annual Christmas Food Basket program. Our local grocery store provided us a generous 25% discount on all the food we purchased. The clerk's at the store made up the "menu" of items to put in the food baskets. And our local churches provided us with the names of the truly needy families that could benefit most from our gift to them.

So we put all the food baskets on a fire truck and drove around the community sounding the siren, knocking on their door and seeing their faces as we gave them a good family meal, and told them Merry Christmas from their Lions Club.

I don't mind telling you I'm getting a little emotional typing this and remembering. Remembering the startled faces, the happy smiles, the thank you's, and the happy tears from some.

We do a lot of things in a lot of ways but, in my opinion, service projects like this are the best. This is what being a Lions club member is all about.

Happy holidays to you and your family from me and Lion Deanna!

DG Eric Schuman

From FVDG Lion Julia Kozicki:

Lions of 25D,

In this season of giving, I want to highlight some of the formal recognition that is given from our International President, Brian Sheehan. These awards are nominated by the district governor, so if you have a Lion you think is deserving, please let DG Eric know (and copy me so I have a list for next year).

- The International President's Certificate of Appreciation is awarded to Lions performing significant service to the association and is the fourth highest award in Lionism. It is typically presented during the district convention (which will be on April 1, 2023 in Greentown).
- The International Leadership Medal is awarded to Lions making a significant leadership contribution. It is the third highest award and is presented at the State Convention (which will be in Bloomington May 12-14).
- The Presidential Medal is the second highest award – it is given for outstanding leadership and service to the association and is also presented at the State Convention. These will be presented by IP Brian Sheehan personally, as he will be our featured speaker.
- Finally, the Ambassador of Goodwill is the highest award in Lionism. Only 40 are presented annually, either at our State Convention or personally by the International President. It recognizes outstanding service and leadership to the international association.

Each of these awards recognizes those who have given their time and talent in service to their communities and to Lionism. Lions as an association only works because our members not only give service to their communities but also to the larger organization. As we work in the next few months to nominate leaders at the club and district level, I encourage you to become more deeply involved in the work of the association so that we can continue to serve our communities, meet humanitarian needs and encourage peace throughout the world.

Yours in Lionism,

FVDG Julia Kozicki

Lions Leadership,

Welcome to the Holiday Season,

Lions always come through during the season of giving.

Christmas Baskets and helping at a food banks.

All these efforts are good for all Lions to get involved.

My first Lion event was filling Christmas Baskets.

I didn't know who received them but I knew I made a difference.

So Please, Make a difference this Holiday Season.

One of our Lions is...

...busy! And probably getting busier as we enter (or by now are well into) the Holiday Season. This is one of the things I love most about Lions. No matter how busy you are, you find time to help others. It may be by working on a Lions' Service Project or by talking with someone who is having a bad day, or by just smiling at people they interact with throughout their day. I have met so many Lions over the last year who are now retired but busier than ever as they now have the time to put into the causes they support. Likewise, I have met many Lions who are still working full time but make the time to do what they can because the needs everywhere are so great. Three thoughts come to mind related to this.

First, when you are talking with people about Lions and about becoming a member, if they say, "I think I'm too busy", answer with "Good, you're exactly the person we are looking for!". This may confuse them, but busy people get stuff done, especially when they see the value return for the time that they are putting into any activity. Since Lions can put effort into any service activity, they find it important and do it with other busy people that want to help, this can be their favorite activity as easily as something the club has done for decades.

Secondly, busy people do get tired. We all need time to recharge, so if you find yourself tired or stressed or overwhelmed, take a break. If needed, talk to others in your club or with your Zone Chair or the GMA (yours truly) or someone else in the District. This is not a job and it should be enjoyable. If it isn't, see what can be done to change that situation.

Finally, thank you! Thank you for being a Lion. Thank you for the time you take out of your busy week to help others. You may never see or know the outcome of the effort you put in, but it is valuable, it is meaningful, and it is appreciated.

**THE INDIANA LIONS FOUNDATION STATE FAIR COMMITTEE
WANTS YOUR IDEAS FOR NEW INDIANA STATE FAIR INCENTIVES?**

The Indiana Lions Foundation State Fair project is the Indiana Lions Foundation's largest fundraiser. We provide volunteers to sell and scan tickets and provide other support at the two largest State Fair gates. We need approximately 45 - 55 volunteers per day. The Indiana Lions Foundation State Fair Committee has been discussing new incentives for volunteers who work at the State Fair. We have several ideas but thought a more effective approach would be to ask those who volunteer to provide us with input. So, please tell us what you like or don't like about the current incentives, and other ideas you might have for different incentives. We are open to considering all suggestions and look forward to discussing them with all of you.

Carmel Lions Club

Carmel Lions Club had Carmel High School graduate Mark Herrmann speak at their November 22nd meeting. He spoke about the ups and downs of playing football in high school, at Purdue and with the different NFL teams he played for. He was a member of the Baltimore Colts when they packed up in Mayflower moving trucks and made the move to Indianapolis. When asked about the greatest game of his life, Mark stated it would be the high school basketball state championship game he won for Carmel High School. After all the cities he has lived/played in (Cincinnati, Carmel, Lafayette, Denver, Baltimore, San Diego and Los Angeles), Mark and his family returned to Indianapolis.

Carmel Lions Club

Members of the Salvation Army spoke at a Carmel Lions Club meeting to talk to the members about where funds raised in the red kettles is used throughout the year. Last year, Carmel Lions raised over \$18,000 in their red kettle. This year the goal is to raise \$20,000. We could use your help. If you are interested in ringing the bell, go to the link below and see if you can ring the bell at any of the open slots. The red kettle Carmel Lions ring for is inside the Fashion Mall between the Crate and Barrel and The Cheesecake Factory—so there is no need for hand warmers or stocking caps!

Union City Lions Club

The Union City Lions Club met on Nov 8th for the first regular meeting in November. The meal was again served by Diana Dubeansky and consisted of a delicious breakfast casserole and a biscuit. The program for the evening was presented by Mr. Neal Adams, the Randolph Eastern School's Director of Grant Management and STEM Integration. Neal said the grant management part of his job consists of finding needs, finding funding, writing grants, budget planning, and reporting to the school board. As the director of STEM (science, technology, engineering, and math) integration, he works with Project Based Learning integration and profession development. He spoke of the grant money that RESC has earned in the past two years. RESC has been awarded \$4,263,529 in competitive grants and an overall grant total of \$8,154,861. The grant money comes from a variety of sources and is used in a variety of ways. Money from 16 local, state, and national competitive grants helps RESC fund many things including the School Resource Officer, {Project Lead the Way, the Alternative School at UCJSHS, programs that help the staff teach employability skills at all grade levels, digital learning, the DECA and KISS programs and many other things. RESC was awarded \$425,000 with the Indiana Excellence in Leading and Learning Award. They were the only school corporation in the state of Indiana to win this award. And most recently RESC was awarded \$3.3 million in The Next Generation School Grant which is designed to allow a school to "rethink how we do school." Thanks for a good program, Neal. Keep up the good work.

Union City Lions Club

The Union City Lions Club met on Tuesday, Nov 22nd, at the Community Room in Union City. The meeting began with a great meal of fried chicken, potatoes, corn and pie. The program was presented by Chris Shaneyfelt, Randolph County's 911 Director. Chris is also our Homeland Security and Emergency Management Director. Chris has worked in emergency services since 1984. Chris talked about the upgrade in the communication system in Randolph County. The upgrade started in 2016 and has included a remodel of the 911 call center in Winchester. The new equipment also consists of a new radio system and three, 300 foot towers. The towers are located just outside of Deerfield, at the new Randolph County Highway Garage, and along highway 36 in the southern part of the county and cover our county much better than the old system. The system went live in July 2022 and is making the job of first responder more efficient. Thank you Chris for a very informative presentation.

The Union City Lions welcomed its newest member, David Hsia. David runs Bear's Rootbear (formerly A&W) in Union City.

Westfield Lion's Poker-for-Sight® Huge Success!

Westfield – November 21, 2022 - More than 325 players took to the Westfield Lion's poker tables at the semi-annual Poker-for-Sight Texas Hold'em Tournament presented by the Westfield Lions Club this past weekend.

The twice a year tourney is part of the Westfield Lions Club efforts to raise funds to donate back to the community. Poker-for-Sight are two of the largest poker tournaments in the Mid-west. Both have a guaranteed \$25,000 purse with \$10,000 to the winner.

"This was one of the biggest in the club's history. We want to thank each of our players and all the Lions that helped present this incredible event," said Mike Birk, chairman of this year's tournament.

Jake Outcelt, of Darlington, IN, won the top prize of \$10,000, followed in second place with \$4,000 was Pendleton's Josh Alford. Coming in third was Noblesville's Victor Parra with \$2,000.

Jake Outcelt also received a Poker-for-Sight, leather bomber jacket and gold commemorative coin. Silver commemorative coins are awarded to the top ten finishers. Prize money is awarded to the top 25 finishers in each tournament.

The Four-H Building at the Hamilton County Fairgrounds is the site of each of the tournaments. Players from all over the Mid-west and the nation participate. While Texas Hold'em is a simple game to learn it is one of the most popular poker games in the world, requiring both skill and of course luck, to be successful.

The Westfield Lions are looking for new members. To learn more about the Lions Club go to westfield-lions.org.

Westfield Lions Club Poker for Sight® Supports local charities

WESTFIELD, IN - November 23, 2023 - The Westfield Lions Club Poker for Sight® Texas Hold'em Tournaments, started a new tradition several years ago. At the start of each round of play the Lions give a donation check to a local charity.

At this Fall's tourney the club elected to support Westfield Youth Assistance, Indiana Military Veterans Hall of Fame, Third Phase Homeless Shelter, Open Doors of Westfield, and the Good Samaritan Network.

Poker chairman Mike Birk said, "We as Lions are thrilled in that we can give several local charities these small gifts to help the wonderful work each of them do. The Lions motto is We Serve, and it is what we, as Lions try to do."

A check for \$1000 were presented to Carrie Larrison, of Open Doors of Westfield, a food pantry serving Hamilton County.

Another \$1000 was presented to Westfield Youth Assistance Program. Megan Contreras and Kristina Logan accepted the donation for Westfield Youth Assistance.

A \$1000 donation to Indiana Military Veterans Hall of Fame. Kevin Ryan accepted for the Indiana Military Veterans Hall of Fame.

A further \$1000 was given to Third Phase Christian Center of Noblesville, a homeless shelter and food bank.

As a special gift, Lion Mike Birk presented \$500.00 to Indy Edge Beep Baseball. The local sight impaired baseball team won the blind-baseball World Series in 2022 and looks strong for a repeat next year.

Lion Keith Sanborn presented a surprise check for \$500 to the club's "neighbor" at the Hamilton County Fairgrounds. The Good Samaritan Network, a collaborative of nonprofits serving the needs of Hamilton County residents who are at-risk or underserved. Coming Soon: Indiana Lions Mid-Winter Conference

The annual Indiana Lions Mid-Winter Conference will be held on Saturday, January 21, 2023 at the Crowne Plaza Indianapolis Airport Hotel.

Some Indiana Lions say the Mid-Winter Conference is “the best place for learning” about leadership, service, and all aspects of Lionism. We offer workshops and seminars on club administration, community service, fundraising, and membership recruitment and retention, as well as opportunities for service, fellowship with Lions from around the state, and plain old everyday Lions fun.

The conference registration fee is only \$55 and includes informative seminars and workshops, on-site service projects, coffee and pastries in the morning, lunch at noon with a motivational speaker, and fellowship with other Lions.

The keynote speaker at the Saturday luncheon will be Indiana State Police Superintendent Doug Carter. Superintendent Carter has served 40 years in law enforcement, as an Indiana State Trooper, Hamilton County Sheriff, and Indiana State Police Superintendent. He has received many awards including the Indiana State Police Silver Star Award for Meritorious Service and Outstanding Heroism. Service has always been important to Superintendent Carter. He has said, “It’s not about titles and career and that stuff, it’s about service before self.”

The conference will be preceded by a dinner on Friday evening. There is a separate fee for this event. The after-dinner speaker will be Charlie Adams. Known as “Indiana’s Speaker”, Charlie has been delivering entertaining and informative talks for 35 years in the Hoosier State. A former TV news, sports, and features reporter, and news anchor, Charlie has interviewed thousands of folks in Indiana. He has also done extensive research on difference-makers past and present, and tells those stories in a compelling manner! He will present an entertaining and informative after-dinner talk on people and stories from throughout the Hoosier State.

Conference attendees will be offered the opportunity to participate in two on-site service projects. After dinner on Friday evening, attendees will have the opportunity to participate in the Care-ing Cases project, using clean recycled hard eyeglass cases to assemble first aid kits and toiletry kits. Conference attendees are also encouraged to donate new socks, gloves, mittens, scarves, knit hats, and blankets to the Sock It To Me project. Collection boxes for these items will be available on Friday and Saturday. Our District Governors will share all items created/collected by these projects with those in need in their districts.

For more information about the conference and a registration form, visit the Indiana Lions website at indianalions.org and click on the link labelled “Printable Forms”. The list of available forms includes seminar and workshop information, a conference registration form with hotel reservation information, and information for sponsors.

2023 Indiana State Convention

PDG Mark Clark

I know that at this time of year most people's thoughts are on the holidays. Thanksgiving in the immediate past and Christmas coming upon us quickly. But I am looking past all that. I am looking forward to May 11 through 14, 2023. YES, I am looking forward to the 2023 STATE CONVENTION in BLOOMINGTON, INDIANA at the MONROE COUNTY CONVENTION CENTER. Why, you ask? Because we will have the PRESIDENT of the INTERNATIONAL ASSOCIATION OF LIONS CLUBS in our district visiting us. What a great opportunity to meet and talk with International President Brian Sheehan and his wife, Lion Lori in person while they are visiting our own district. I can meet the International President and hear firsthand what he has been doing throughout the year on an international scale for us as our president. What else am I looking forward to? Hearing great presenters at the various seminars that will take place on Saturday afternoon. There will be a presentation for club presidents and vice presidents by IP Sheehan, a presentation by all of the state projects, by LCIF and Lion Lori, a presentation to increase club membership, and opportunities to meet with Lions from across our state to make new friendships and renew old friendships. I am looking forward to a Friday morning presentation regarding the history and current operations of the limestone industry in Monroe and Lawrence counties. This will be a free presentation available to everyone who arrives at the convention on Friday morning and will be at the Monroe County Convention Center. I am looking forward to the Friday night supper being sponsored by the Ellettsville Lions Club at the Monroe County Fairgrounds. The supper will be a bar-b-que buffet and will have live music to enjoy. I am looking forward to relaxing at the Courtyard by Marriott hotel or the Hyatt Place hotel in Bloomington. Both are located not far from the square in Bloomington and on the B-Line walking trail. I know that my wife is looking forward to going shopping in downtown Bloomington while I am at the convention. I don't need to be concerned about food now, because the Saturday night All-State Banquet and the Sunday brunch are going to be fantastic meals to enjoy with friends around the table. Yes, you can be stuck in all the stress and frantic activities of the holidays, but I am looking forward to a great 2022 Lions State Convention in Bloomington on May 11th through the 14th. Look for the registration form in the Hoosier Lion and on line as well as in the Governor's newsletter. I will plan on seeing you there and sharing a great weekend with you.
