25D District Digest

What is a Lion!

January 2024

Lions of 25D,

As I shared in July, my theme for this year is: **What is a Lion?** Lions are many things and my newsletter articles and club visits will highlight some of the many answers. My hope is that when you are asked that question, you will be armed with your answer and ready to share the great things that Lions are.

This month, the answer is: **Someone inviting others to join in serving.** We would all love to find folks who are volunteering to be Lions without our having to ask. While I have met a few of those folks (frequently Lions who have moved to 25D from other places), the vast majority of Lions have joined because someone asked them. And usually, they don't join because they want to add another meeting to their calendar (although some of us do enjoy the fellowship of a good meeting) – they join because we have asked them to help us serve others. Whether they want to help with a food pantry distribution (like one of our new Muncie members) or like to help with street clean-ups (or ecology walks in Westfield) or they have an idea for a new project and just need some folks to encourage them, people want to be asked to help serve.

Who have you **invited** so far in this Lions year? I write this during the "halftime" of our Lions year – the week between Christmas and New Years, and we are more than halfway to meeting our goals for membership this year, but won't we all have more fun when we have more hands to help serve those in our communities? Thanks for spending some time in your New Year's resolutions thinking about who you can **invite** to come join in at your next service project.

You are **invited** to join Lions of 25D in multiple opportunities for service and learning over the next several months, and I hope you will join in the fun:

- * Midwinter Conference, Jan 19-20, Crowne Plaza, Indianapolis Airport
- * Muncie charter party, Jan 27 – invitations being sent to clubs
- * District 25D Cabinet Meeting, noon, Feb 3, Russiaville Lions Club
- * District 25D Convention, 9:00 – 3:00, Mar 2, Forest Park Inn, Noblesville
- * MD25 Indiana Lions State Convention, Apr 26-28, Embassy Suites Noblesville

Please accept this **invitation** to serve your Lions community and invite a friend to come and learn more about how we continue *servng a world in need*.

Yours in Lionism,

DG Julia

Message from First Vice District Governor Rocky 2024 New Years Resolution

Every year when the calendar turns over, the desire to set new resolutions for the next year becomes a driving force for you to write it down, the desire to lose weight, save money, be a better person and go to Church or just change a few things in your life that make it difficult at times.

My idea for a New Years Resolution for your Lions Club is a simple two step idea. First, try a new fundraiser or environmental project that your club has never done. It's nice to know that each year most clubs do the same projects or fundraisers. Try something different to get your Lion's motivated to participate. Try a 5K run or cleaning up the park. Anything that would put change into what is normally done.

Second, there is usually a nucleus that sets up everything. Have the new Lions be assigned to start and run a new project or fundraiser. It will be a good time to ask them questions and to see what they come up with. So often we lose Lions members because they have no input on any decisions made by the club. They may be new to the Club, but I bet you they have ideas on how things can be done.

After the project is completed, have your secretary report the numbers of hours contributed. This will add to your service hours.

Happy New Year my Fellow Lion's

Let's make this year a GREAT one!

1VDG Rocky

Message from Second Vice District Governor Jim

Hello Fellow Lions :

First, I hope everyone had a fabulous Christmas and great time with families and friends during the Christmas season. I know me and my wife had a great time with our family and grandkids and also I really enjoyed the Lions Council Christmas Party. It was a great time and my first time attending.

I also really enjoyed attending the Speech and Hearing Annual Luncheon. I was able to meet and speak to a lot of nice people and learned a lot of great stuff. My wife, Diana, was able to attend this event with me and she also enjoyed herself. It was also her first time attending this event.

My home club - Union Lions Club held their Christmas Party/Ladies Night on December 12. Chad Enicks, Howdy Speight and I chaired the event. It was a beautiful event and everyone had a great time. We all sang Christmas Carols and the ladies gifts were given away and the centerpieces were made by Amanda Enicks . It was just a lot of Lion Fellowship

Well, I sent my registration form for the Mid-Winter Conference. It will be my very first one. Oh boy, what am I in for now? But heck I am ready for anything fun and in Indiana Lions Clubs it's FUN. I hope the rest of you have registered. If the new guy has sent his in the rest should be there too, right .

Well, the new year will be here by the time you read this so, Happy New Year to you all and let's make 2024 the year we bring in lots of new friends that we call members. And that we promise to mentor those new members and may your 2024 be safe and Blessed.

Respectfully yours,

2VDG Jim Dubeansky

GMT/GET—Global Membership Team and Global Extension Team

Greetings to all Lions of 25-D and welcome to a new year!

As often happens at the start of a new year, we think about what has happened in the last year. I have been thinking about a seminar I attended in 2023 that said Lions events should provide fun, fellowship, and fulfillment. This reminded me of a time shortly after my wife joined Lions when the club secretary said to her, “You should meet more Lions than those in our club. Why don’t you come with me to the District meeting this weekend”. (Or something close to that – I wasn’t there). She had a great time and met a lot of great people and it sounds like the meeting hit all three points.

Before I joined (which is a story for another day), she would ask me to go to Lion events with her. These included service projects, club meetings and the Banner Night for PDG Mike Imbler. I enjoyed the fun and fellowship at all of them and felt a sense of fulfillment that what was happening here was positive. A big part of why I joined was the people I met in the District and across the State.

The other thought I had was that even though District and State events are promoted, maybe no one ever personally asked you to come. So I am doing that now. We have two great events coming up in the next month and I would be thrilled to see you there and get a chance to know you better.

The first is the Lions Midwinter Conference on January 20th starting at 9am at the Crowne Plaza Indianapolis Airport (2501 S. High School Road, Indianapolis). The day is \$50 but this includes keynote speakers, four breakout sessions and breakfast and lunch!

The second is the District Cabinet Meeting on February 3rd starting at 11:30 at the Russiaville Lions Clubhouse (555 N Liberty St Russiaville). The lunch is \$20.00 but well worth it!

Why don’t you come to one or both? And to tie this back into my game theme for the year, don’t come alone. Make it a game. Ask someone to come with you and then see who can meet the most people. Even if you lose, I bet you will have fun.

Lion Jeff Kozicki

Environmental Article for District 25D

ENVIRONMENTAL GOLDEN NUGGETS

January 1, 2024 starts a new year. This also give every club in 25-D the opportunity to get involved in the 25-D Environmental project. This project also can serve as a service and membership project. All that is required is for your club to take a picture of an environmental event. One club has already planted trees in their town park. Another club planted a tree along their town's walking trail.

Most area school corporations would let your club plant a tree on their grounds if you ask them. They can use this to show their students about how important it is to plant trees for our environment. Ask them if the state tree (Tulip tree) could be planted.

Cities and town also are open for you to plant a tree or trees along their walk ways, or parks. When you ask these city and town if you can do something they usually are happy and encouraged by your project.

Once your club does an environmental project send me a picture of it. The pictures are to be submitted to me before May 1, 2024. Each picture should be an 8" x 10" colored photo. The top three winners will be announced at the 4th Cabinet meeting at Matthews Lion Club on May 11, 2024.

Don't forget to ask a non-Lion member to help you with your project. This is a great tool to increase your club membership.

Musical Notes—Lion George Smith

Merry Christmas 2023 and a Happy New Year 2024 from Lion George S. Smith, Past President of Anderson Lions Club, District 25-D, Past Organist/Pianist for District, State and International Lions (many times) having joined my club in 1965, the Lions have helped me in numerous positive ways. I have made myself available to serve and thus have been named Indiana's Merry Music Maker. I pay tribute to my wife of 67 years who has stood by me in our business side by side for 57 years and with our sons while dad was visiting and playing in most of the Lions dens throughout Indiana, and the world of Lions.

Now for the question; What is Your Musical Influence? We cannot assume there will be pianos and organs in our meeting places of tomorrow. Already the mindset of the younger generation is changing the arts in our music programs. There is so much richness and meaning in our older songs, the ones that touched us when growing up.

Is there a need in your community to help a child learn to play the piano and/or the organ? Perhaps you would provide an encouraging word and help with the funding of lessons, or make it a project in your club. We cannot assume that parents and community members will understand the complex nature of music making, the mental discipline needed to play, the emotional enrichment and other benefits that music provides in all of life's experiences.

There is a real need to encourage musicians. Music is often taken for granted and not appreciated by the laity. How often do we chatter during the prelude when the organist and pianist have worked so hard to prepare the music? As the Official organist even in our Anderson Club, I made sure that everyone took notice and appreciated my actions and burst forth with singing along with me.

When was the last time you heard an inspiring message via the piano or organ? I heard one recently while walking into the sanctuary of a church not far from our hometown. The thrilling sounds of a traditional hymn sounding froth from the majestic ranks of a great pipe organ.

In addition to the influences of people we know, there must also be a motivated desire within to make music. There are so many distractions today that were not there when I was a child. But, on the other hand, there have always been distractions of some sort. I was very fortunate to have parents (who were married 53 years) and took time to understand and appreciate my talent that needed nurturing from the beginning of time. My wife Norma who, for the most part, lets me and helps me fulfill my destiny of being a musician, teacher, performer and agreed from the moment we met to devote her entire life to this dream and make it her own as well.

Music is a gift to be cherished and to be passed on. Leave a legacy of music. The more you love music, the more music you love. How about you? Will you be a participant and/or helper in music? Let us all be devoted to bring back pianos and organs into our Lions dens and get up and burst forth with our voices and show the world that WE SERVE and are proud to be a Lion.

Remember the wise words of Isaac Stern - "Unperformed music is like a cake in the oven - not fully baked."

Indiana Lions Foundation Seeking Nominations for the Distinguished Hoosier Lion Award

The Indiana Lions Foundation annually selects one deserving Hoosier Lion to receive the Indiana Distinguished Lion Award. The award is presented at the Saturday luncheon of the Indiana Lions Convention. The winner is selected from among nominees submitted by individual clubs, the district cabinet with the approval of the sitting District Governor, or the Council of Governors with the approval of the Council Chair. Nominees must be a member of a club in Multiple District 25 that is in good standing and must have a minimum of twenty-five years of service as a Lion. Each nominee for this award will receive a recognition plaque that will be presented in person at the Saturday state convention luncheon. Clubs are encouraged to use this mechanism to recognize long-service Lions who have served their clubs and their communities in exemplary ways. It is not required that nominees have had any involvement in holding district or state offices; rather each club will determine the criteria with which they wish to recognize a member from their club. Nominations are limited to one Lion per club and to five nominees in each district. Applications may be submitted by accessing the following weblink. The entry deadline is January 31, 2024.
