What is a Lion!

July 2023

From DG Lion Julia Kozicki:

Lions of 25D,

My name is Julia Church Kozicki and it is an honor and a privilege to serve as your district governor for the coming year. To share a little about me, I am a member of the Noblesville Lions Club where I have served as vice president, president, secretary and now LCIF coordinator. At the district I've served as women's membership chair, 2nd vice district governor and 1st vice district governor. Noblesville is my hometown and my husband (GMT/GET) Jeff and I have raised our two sons, JD and Josh, in Noblesville. Other things to know about me are that I am an IU grad (3rd generation and my sons are 4th generation), I am an attorney (focusing on schools and small businesses) and I am a Jeopardy! champion, which explains my pin and my theme.

My theme for this year is: **What is a Lion?** Lions are many things and my newsletter articles and club visits will highlight some of the many answers. My hope is that when you are asked that question, you will be armed with your answer and ready to share the great things that Lions are.

Our first answer is – a Lion is **FUN! Friendly, Upbeat and Nice!**

If folks just want to do service, there are a lot of options for drive-by service projects. But we join Lions Clubs because we want to have **FUN** serving and serve with **FUN** people. If you aren't having **FUN** as a Lion, something isn't right. Please let me know if your club needs more **FUN** (or your zone chair or your club officers), because **FUN** is an important function of Lionism.

As we have **FUN** this year, we do have some district goals to keep in mind:

- | | |
|-------------|---|
| Service: | Each club should post at least one service project in MyLion.
Each club is encouraged to do one environmental service project. |
| Membership: | Each club should maintain membership and is encouraged to increase by 10%. |
| Leadership: | Club officers are encouraged to utilize the online club officer training in My LCI under Learn and should coordinate with the GLT if in-person training is desired. |
| Marketing: | Each club should submit at least one article to the 25D newsletter. |
| LCIF: | Each club should make a contribution to LCIF. |

You will find more goals in the back of the district directory, but these are the keys to earning a Club Excellence award and to greater success as a district.

Continued on next page

July is Here! Brand New Lions Year

Hello Fellow Lions,

We are Kicking off this new Lions year with our new District Governor Julia Kozicki!

I'll be following her footsteps through this year to get ready when I step into her shoes next year. I'm a Lion from the Greentown Lions Club and have been here for 16 years. I'm happy to say that I have helped with the Christmas Food Baskets, Coats for Kids and The Howard County 4-H Fair and numerous other activities and events. I have been with the Christmas lights at the Fairgrounds from the very beginning, which is heading into the 13th year of that event. I've been President of the Club and have seen all the people working for others in the community. I'm surely happy to be in the position of helping with new members and new Clubs this year.

My thought to every Lions member is we are here for the service of others. We may never be acknowledged for the work we do. But from me to all the Lions, I appreciate all the work on Lions projects and the Service to others. I'm really interested this month on what service projects each club has done last month and what is on the agenda this month. I plan to submit the projects done in June and July and add them to our successes as Lions.

Please send your Service projects to me at Master21chief@sbcglobal.net so I can get them into the newsletter next month. If you can, not required, pictures and people who participated in the project.

Lions, Stand up, lets be counted for what we do.

Get excited and watch the results!

Bless everyone and Please remember our Motto:

WE SERVE!

Very much a go getter and have been told the word NO is not in my vocabulary. I do for everyone. My grandfather was 38 year member of the Lions Club until his passing. I am carrying on his legacy and here to learn and ask lots of questions till I get the answers .

Thank you,

Happy New Year!!!

And July 1st did start the new Lion’s year and I am sure it is going to be a fun, productive, and happy one! Since it is the start of a new year, I should introduce myself. I am Jeff Kozicki, a member of the Noblesville Lions club and serving for a second year as the District’s Global Member Team Chair. In my life, I have done a lot of jobs and been a lot of places, but one of my favorite pastimes is playing games. I love all types of games with my favorite being Settler’s of Catan. I enjoy it so much that I have competed in their National Tournament four times and am working to qualify again this year. My plan for the newsletter articles this year is to use games as a framework for talking about Lions and membership. First and foremost, like games, Lions should be fun. Secondly, we put our efforts into achieving a positive outcome. And thirdly, we do this while spending time with people we enjoy being with.

For this first month of the new year, I wanted to focus on a game we have probably all played – “Follow the Leader”. The key element of this game is you have to repeat the actions of the leader. You can’t sit back and just watch the leader or critique what they are doing. You have to get up and be active and follow their example. Our incoming leaders this year are all going to set a great example for us to emulate. First and foremost, they are all putting forth goals for the District, the State, and for Lions International. I urge you to follow this lead and create a goal or two for yourself for this year and some for your club. There are some simple forms you can use below. Put the personal ones somewhere you will see them (you don’t have to share what they are with anyone else) and be proud when you achieve them (and reward yourself!). Bring up the club goals in your meetings and celebrate when you achieve them. Let’s make this the best Lion’s year yet and have lots of fun following the leaders! **Jeff Kozicki**

GST- Global Service Team

Happy July everyone, I'm looking very forward to the upcoming year and working with all of you to meet our service goals. I've been a member of Saratoga Lions Club since March 2013 and Secretary since 2014. Our club stays very active with several fundraisers and service projects throughout the year and it is very uplifting to see how our service has such a positive effect on everyone it touches.

My goal is to work with all of our district's clubs learning the new Lions Portal and assisting wherever needed to enter service projects and meetings to document all of the great work everyone is doing. I plan to visit as many clubs as possible and get to know all of you and showcase what a great group of Lions we have in District 25D. WE SERVE.... So let's spread the word to everyone.

GLT—Global Leadership Team

I am looking forward to working with the Clubs of District 25D this coming year as your GLT. I have always enjoyed visiting Clubs throughout the last two years, and I am excited to be able to continue doing that with you.

We held a successful Club Officer Training in Pendleton on May 20, 2023 for the District. As I mentioned at that meeting, if you would like to hold a Regional level (2 Zones or more) Club Officer Training, then let me know and I will see what we can do to make it happen. If you would like to see training in other areas beside officer training, then please let me know and I will make every effort to make it happen for you.

As I serve this year as your GLT, I am also honored to be serving as the GAT Vice Area Leader for Lions International. That responsibility has me teaching Clubs, Districts, and the Multiple Districts all about the Global Membership Approach (GMA) and how it can strengthen our organization. If you would like a presentation on the GMA, then let me know and I will schedule a time to present to you at any level.

You can reach me by email at mutt4866@gmail.com or 765.480.6312.

Let's have a great year!

On Friday, June 2nd and Saturday, June 3rd, the Noblesville Lions served up pork chops, chicken and hot dogs for the annual Grillin' on the Square. This included pancakes and sausage on Saturday for breakfast. Helping the Lions were quite a few wives taking charge of desserts!

The Lions graciously THANK all those who came to enjoy and sponsored the event, as this event is the largest funding activity of the year for service to kinds in the area. This year's event didn't seem to match last year's event with attendance; although final numbers are still being calculated.

Also helping were the Lion Leos of Noblesville High School. The Leos gave support all day and helped by waiting tables and cleaning trays. Lion John Smith is the Leo Sponsor and a teacher at the high school.

Lion Mark Bachar commented that the Silent Auction brought in \$1,445.

On June 14th Noblesville Fire Chief, Matt Mitchell, spoke to the Lions Club regarding challenges the Fire Dept. faces today. Matt's experience is varied, and he has a total of 32 years as a Firefighter.

70% of the FD runs are EMS vs 30% Fire/Rescue response. The FD works with other local agencies, including the NPD, in the Noble Act program that helps with mental health and social issues. Staffing is a current challenge for the FD, as firefighter positions far outweigh applications.

They are both winners of a Russiaville Lions Scholarship and will receive \$1,000. They are both planning on attending Purdue University in West Lafayette.

These Russiaville Lions—WHS Scholarships are given each year to 2 or 3 Western HS graduates in memory of several past Russiaville Lion members and community leaders. The Lions are especially pleased with their long standing and very positive relationships with the students and staff of Western Schools.

It is the wonderful patron support, which is displayed by the local attendance at the Russiaville Lions Spring and Fall Fish Frys, that enables our Lions Club to keep funding these annual scholarships.

This year's Fish Fry took place on Saturday, June 10.

Now, the Sheridan Lions have joined forces with the Sheridan Fire Department to continue the tradition in a new, old-fashioned way.

The Sheridan Lions Club donates money to the camp where it costs nearly \$1,000 per camper. The camp has grown to as many as 75 campers.

At the May 17 meeting, the Club enjoyed a visit from District Governor Eric Schuman, who recognized the local service club for its 5 percent increase in membership. Schuman also honored Lion Bob Boone for his 35 years of membership.

Brian's Trike Race

& Disc Golf Tournament

22nd Annual Running!

The Indiana Lions for the Indiana School for the Blind and Visually Impaired State Project's annual fundraiser 'Brian's Trike Race' & Disc Golf Tournament is coming Sept. 9, 2023 to the ISBVI Campus

This event raises funds to assist both residential and outreach students of the school. Sponsorships and team participation of this event help to underwrite costs, which include but are not limited to, expenses to help students attend national leadership conferences for the blind and visually impaired, to assist with technology upgrades and many other expenses that directly effect improved learning.

Please encourage your club to send a team. You could also sponsor a Leo club, local school team or a local Boy Scout or Girl Scout troop that would like to have a fun afternoon racing around the David Letterman Track on adult trikes. Peddling not your thing? No worries. Play it through on the campus's 9 hole Disc Golf Course. You too could be a basket case!

Bragging rights and trophies are included in all the fun and competition!

All are welcome and participants must be 14 years of age or older.

Applications and sponsorship opportunity forms will be coming soon. In the meantime, if you have any questions, please contact an ISBVI trustee in your district or the 2023 event chairs.

Be sure to visit the ISBVI booth and attend the seminar at this year's State Convention.
