

District 25-Digest - August 2022

District Governor Eric Schuman

TOGETHER...WE CAN SERVE MORE!

RECRUITMENT.... IT'S SIMPLE

I'm saddened to report that we have lost another club. I picked up Yorktown's charter and banner last Thursday. This sad news can also be a new start for all of us.

As many are aware, my goal for the year is 57 new members. That sounds like a lot, but it's really not. One new club with 20 members (we're working on Muncie), and a positive net 1 from each of our clubs in the District.

If you think back, each of us were ASKED to join a Lions Club. It only takes a slight effort. Think about it – a neighbor, golf buddy, church friend, co-worker, and the list goes on. Just ASK them.

I always tell prospective members to remember that they have their homes, families, jobs, and health, but there are many that don't have those things and that's who we as Lions help. And the more of us there are, the more we can help.

When I first got out of the Navy, I wanted to give something back to the community so I visit all the service organizations. I decided, because of our breadth of service, to join the Lions Club and now here I am 43 years later having never regretted that decision.

Remember, October is coming up soon and that's LCI's Membership Month. So let's all make an effort to get out there ASK someone, or 2 or 3 to join the greatest service club organization in the world.

From FVDG Lion Julia Kozicki:

Lions of 25D, my theme this year is appreciation and recognition. None of us are serving because we are seeking recognition, but it is always appropriate to recognize and thank those who give of their time to serve others. This month I will focus on service for and recognition offered by the Indiana Lions Foundation.

For those who are newer to Lionism, the Indiana Lions Foundation (ILF) is the non-profit arm of Indiana Lions and it exists to help the districts and the state projects carry out their charitable purposes. It accomplishes this by funding matching grants for Lions projects both at the local club level and for state projects. The ILF funds the grant requests through donations from clubs and members, Lions license plates, and through the volunteer labor of Lions at the Indiana State Fair. As of this writing, the ILF still has a number of open slots needing Lions to fill them. For a few hours of your time, you get free on-site parking and admission to the Fair. The sign up is at http://indianalionsfoundationmd25.org/?page_id=50.

The Indiana Lions Foundation also recognizes Lions with the W.P. Woods Fellowship is named for the Evansville, Indiana resident and first president of Lions International. A Lions Club or a Lion member in good standing can nominate someone to receive the Fellowship and the recipient does not need to be a Lion. The nominator must have contributed to the ILF, either monetarily or through work credits from the State Fair. The Foundation provides a certificate and plate recognizing the individual for their contribution to Lionism. This can be an excellent way to thank a long time Lion for their service to your club or to thank a community leader for their support of your club efforts. Learn more at: https://indianalionsfoundationmd25.org/?page_id=38

The ILF also sponsors the Indiana Distinguished Lion Award. This award is presented at the state convention and eligible Lions must have been a Lion in good standing for at least 25 years prior to the nomination. The nomination form is due by January 31 and can be found at https://indianalionsfoundationmd25.org/?page_id=42.

Who can your club thank for their service to Lionism through a W.P. Woods Fellowship or a nomination for the Distinguished Lion? Take the time to thank your dedicated Lions this month.

Yours in Lionism,
FVDG Julia

Leadership Report for 25-D Newsletter

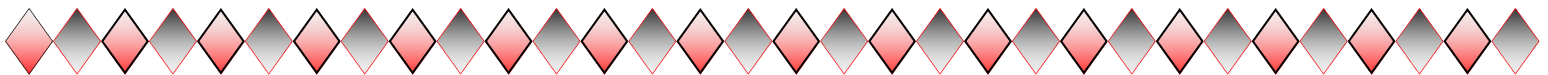

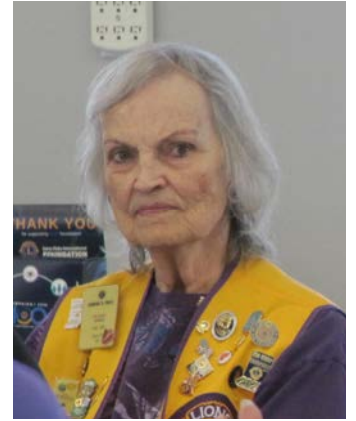

As a kid, or even a teenager, I wonder how many of us played ***Follow the Leader***. Now as adults, do you ever stop to think how we are still following the leader? Whether it is in our jobs, club affiliations, church or with family.

We can learn how to be leaders by picking up ideas, hints and learning along the way, seeing things we would change and gathering ideas for the future. I have never regretted accepting a position, and I'm always looking for new and perhaps different ways to do things.

The training Lions receive is exceptional, whether it is for an officer position, or a committee chair, or just how to be an active, good Lion. The training might be presented in a group setting or by an on-line class, over a cup of coffee, or by reading articles on the computer, or sharing about your training and history in Lionism.

Always keep an open mind and be willing to learn, share and grow in Lionism.

One of our Lions is...

...about to join...but they don't know a Lion! Or maybe they do and just don't know it. They may have no idea people they know from other groups are Lions. I'll use myself as an example. Before being asked to come to a Lion meeting, I could not tell you the name of a single person that was a Lion. In fact, looking back, about all I could say about Lions is a lot of towns I had driven through in my life had an emblem on the "Welcome to ..." sign along with many other organizations.

When I did attend that first meeting, it turned out I knew five members besides my soon to be sponsor.

So the focus this month is to "Be Visible". Lions everywhere are doing great things and with a great attitude. But I think most of us are doing this to truly help other and not to get any accolades. This servant mentality is fantastic, but people aren't going to join if they don't know who Lions are or the good work they are doing. I am in no way suggesting you jump on people and barrage them with information about Lions. I am suggesting we all become more visible in little ways such as:

1. Wear something with a Lions logo such as a hat or shirt. People will ask about it.
2. Get a Lions license plate with a clever custom number (mine is ROAR42)
3. Find a way for your Club to do visible service in the community possibly by partnering with other local organizations.
4. Get articles about all service your Club does into your local news outlets.
5. Chat with people about ways they'd like to help the community. You can follow up with them later and let them know you were thinking about what they said and may have a way to help.
6. Ask them an indirect question. My favorite is "Who do you know that is looking for a way to help the community?"
7. Have a member information night that showcases the service your Club does. Along with this have a Club contest to see who can bring the most guests to this event.
8. Or other ways I haven't thought of. If you have ideas, please let your Club President and me know. I'd love to hear them.

Whatever you do to be a little more visible, have fun doing it. Thank you for being a Lion. Thank you for all of the time and energy you put into your Club and your community. Thank you for helping others understand Lionism.

Cabinet Meeting—July 16th at Selma Lions Club

DG Eric's first Cabinet Meeting was a success! Over 30 Lions made trip to Selma Lions Club—just East of Muncie—on July 16th. The Lions of Selma prepared a delicious meal featuring meatloaf and swiss steak. And the Award for Restrooms of the Year went to Selma. Thank you for hosting the meeting and we look forward to returning for future events.

What is happening around the district?

Anderson Noon Lions Club

The Anderson Lions Club's conducted its Chickens for Charity May 21. The club sold meals featuring barbecued chicken halves. Profits go to the diabetes outreach programs at Community Hospital Anderson and Ascension St. Vincent Anderson. In the photo are Lions Jean Stiers and Larry Coates.

Anderson Noon Lions Club

The Anderson Lions Club provided shaved ice to the Jackson Park neighborhood during the Anderson Community Policing block party on June 11.

Anderson Noon Lion Club

Did you see the article about our very own Lion George Smith, President of the Anderson Noon Lions Club in the LION Magazine?

The article highlights George's musical gifts and how he uses them for the betterment of his community.

George is leading the Club and—just trying to be better. They don't give up. They keep going. Just like George keeps playing his music. Thank you George!

Carmel Lions Club

July 4th was a busy day for the Carmel Lions. We helped at the CarmelFest Parade by being marshalls, held our annual Strawberry Festival and hosted a blood drive. Our next blood drive will be Saturday, November 5th.

Carmel Lion Club

Members of the Carmel Lions Club attended the annual Vision Screening training held by the Zionsville Lions Club. This is to prepare for the upcoming screenings at the Carmel schools. This year the training also included an active shooter training by a member of the Boone County SWAT team.

Carmel Lions Club

Carmel Lions held their 84th Annual Fish Fry on July 22nd. We want to thank all the fellow Lions from across the state that came to support us. There was drive-thru and dine-in. And of course we had Wicks Sugar Cream pie!

Carmel and Noblesville Lions Club

Carmel and Noblesville were at it again on the 3rd Thursday of July, loading food at the Gleaner's mobile pantry at Six Points Church in Sheridan. This is a regular event for the two Lions Clubs.

Noblesville Lions Club

The Noblesville Lions participated in the Noblesville parade on July 4th and showed their pride in our Nation. The group of Lions were led by Lion mascot, Stanley!

Noblesville Lions Club

On Wednesday, July 13th, the Noblesville Lions inducted Scott Baldwin as their newest member.

Noblesville Lions Club

On Wednesday evening, July 13th, the Noblesville Lions awarded two more scholarships to local seniors.

Tanner Maynard, a senior at NHS, was awarded the \$500 Scarlett Minton/Jack Funcannon Memorial Scholarship. He will attend Purdue.

Cole Melton, a senior at HHHS, was awarded the \$1000 Academic Merit Scholarship. He will attend Depauw in Pre Med.

Noblesville Lions Club

On July 27th, the Noblesville Lions welcomed the local Lions District Governor Eric Schuman. DG Eric outlined his challenges and goals for the coming year to the Club.

Noblesville 1st VP Lion Walt Scheid presented DG Eric with a Certificate of Appreciation.

Russiaville Lions Club

Russiaville Lions are extending a special personal invitation to you to visit the Grissom Air Museum on Saturday, August 6th and participate in the 2022 GAM Warbirds Cruise-In car show. This car show is a major annual fundraiser for the Grissom Air Museum. For some classic car owners, this cruise-in car show may be a great opportunity to showcase your classic or modern vehicles or motorcycles. This car show promises to be a 'target rich environment' for taking some great photos. The Young America Lions Club will be serving ice cream. Contact Lion Frank Faulkner for more information at frfaulkner2@comcast.net.

Russiaville Lions Club

July 18th was a historical event for the Russiaville Lions Club. DG Eric presided over the installation of the Russiaville officers for 2022-2023. Lion President Cara Jean Rayl was installed as the very first female President in the long history (since 1945) of the Russiaville Lions Club. Lion President Cara Jean has already created a very useful Russiaville Lions booklet which lists the names of the Russiaville Lions assigned as leaders of various planned projects, celebrations and events planned for this Lion year. Russiaville Lions have now started to “ROAR”.

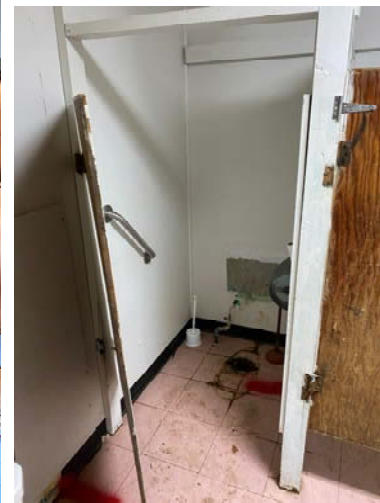

(L-R) are Lions: Abe Rayl (Membership & Lion Tamer, Darlene Homkes (Secretary), David Ancil (Director & Immediate Past President), Cara Jean Rayl (President), Bryan Altmaier (Treasurer), Mark Ancil (Tail Twister), DG Eric Schuman, Lori Seaman (Marketing), Frank Faulkner (LCIF Liaison and Newsletter Editor—"The Russiaville Roar")

Russiaville Lions Club

We Lions certainly want to thank the Community Foundation of Howard County (CFHC) for the generous gift of \$15,000 granted for this project back in May. Please know that without this financial grant the demolition phase of this projects would not yet have started. With the CFHC grant, we Russiaville Lions were able to sign contracts with Mr. Gary McKibben, the owner of McKibben Construction LLC back on June 7th and the demolition phase started during the week of June 27th. Attached are several recent pictures of the work being done to update the restrooms at the Russiaville Lions clubhouse.

Mr. Gary McKibben, his construction crew and our Lions team of building Commissioners are all focusing on our goal of have the updated restrooms available for use by Friday September 16th.

Union City Lions Club

This is the 2022 Union City Lions Club. They are pictured at the new covered bridge that will be dedicated August 7th at noon in Harter Park as part of their 75th Anniversary celebration.

Didn't see your Club mentioned?

If you'd like to share a past event or an upcoming event at your Club, please send that information and a photograph or two to Lion Christine Woodward at woodward1999@sbcglobal.net. The deadline to appear in the district newsletter is the 25th of the previous month.
