## What is a Lion!

August 2023

### From DG Lion Julia Kozicki:

Lions of 25D,

As I shared in July, my theme for this year is: **What is a Lion?** Lions are many things and my newsletter articles and club visits will highlight some of the many answers. My hope is that when you are asked that question, you will be armed with your answer and ready to share the great things that Lions are.

This month, the answer is: **A member of the world's largest service club organization.** Lions International has almost 1.4 million members in 200+ countries and territorial areas around the world, and nowhere is that more apparent than at the International Convention. Lion Jeff and I attended our first International Convention held this year in Boston July 7 – 11. During the convention, we marched a mile down the streets of Boston with the Lions of Indiana, nestled between the Lions of India and the Lions of Indonesia. Lion Zone Chair Frank Faulkner carried the American flag for Indiana and Lion Jeff carried the Lions flag. We voted to elect Past International Director Mark Lyon of Connecticut as the new Third International Vice President and approved changes to the Bylaws around eligibility to run for International Director and roles of the district governor team. We were joined in Boston by Past International Director Doug Lozier, Past District Governor Kathy Lozier, Vice Area Leader/Immediate Past Council Chair Scott Smith, Past District Governor Isabel Atcheson, newsletter editor Christine Woodward and Marion Lion Kassie Lemons. We met Lions from India, Taiwan, Nepal, Australia, the Netherlands, Germany, Brazil, Canada, Japan, and all over the United States. We were fired up about Lionism and we hope to attend the International Convention in Melbourne, Australia next June.

New International President Dr. Patti Hill announced her theme for 2023-24 as "Changing the World." She asked that we work on environmental projects, which is why we have a goal in 25D that every club perform and report an environmental service project. She also announced Mission 1.5 – a plan to increase our global membership to 1.5 million members by June 20, 2027. Your 25D delegation has accepted the challenge, and we will be working to form new clubs and encouraging our existing clubs to recruit at least one new member or increase membership by 10%. Our district leadership team, including our new 2<sup>nd</sup> vice district governor Jim Dubeansky of Union City, is ready to visit your clubs and induct new members, and GMT/GET Jeff is working on district-wide new member orientation. Join us in making the **world's largest service club organization** bigger and better at serving a world in need.

Yours in Lionism,

*DG Julia*

## Message from First Vice District Governor Rocky

Happy Summer to all you Lions.

I have to say the Lions Calendar is full for me again. This past month of July has all the activities I have signed on for. Council Meeting and District meeting with The Howard County 4H Fair, the Indiana State Fair and then the cap off all these meetings and service, I'm happy to work with our District Governor in starting a new club in Muncie, Indiana. It's been a full month.

Also, I made a major Fu paw. I had everyone who did service projects, to send those projects to me for I could get them in the newsletter. Well fellow Lions, that's our Newsletter Editors Job of collecting all the service projects and acknowledging all the Lions Clubs Service projects and events from each club. I apologize for getting everyone excited but we will still get your service projects in the newsletter. Please Contact Christine Woodward to get your articles in the newsletter. (woodward1999@sbcglobal.net)

August will kick off with the State Fair in full swing. If you have ever worked at the Fair, you will find out it's great fun and you get to meet lots of Lions. I'll be there the 4<sup>th</sup> and 13<sup>th</sup> of Aug. You can even reserve your slot and time frame on line.

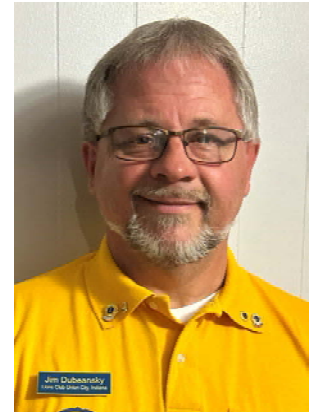

So proud of where District 25 D is heading and excited to be onboard for this great ride.

*1VDG Rocky*

Hello Everyone!

Wow a lot has happened this month and I've got lots to take in and learn but I am ready for the challenge and hope everyone else is cause I'll be asking lots of questions along the journey and I want to thank everyone for their support and confidence in choosing me for this position as Second Vice Governor. It's an Honor and I will do my best to be there for my team and for my District Governor Julia

My Plans is to get around and vist as many clubs as I can with Julia and get to know more of my fellow Lions and see what other clubs are doing as service projects and club projects and be supportive for my governor if there is any club that I can do something for feel free to contact me.

Thank you,

*2VDG Jim Dubeansky*

The 2023-24 Indiana Lions Council of Governors is seeking applications for the position of State Administrative Secretary. The State Administrative Secretary serves as the state council secretary, MD 25 Convention secretary and is responsible for making reports on behalf of MD25 to Lions International. A well qualified candidate is a Lion in good standing with leadership skills and supervisory or nonprofit management experience. The position is part-time exempt and is based at the state office building in Indianapolis. A full list of duties can be found in the policy manual linked at [www.e-district.org/sites/md25/](http://www.e-district.org/sites/md25/) starting on page 15.

Interested applicants should contact Council Chair Bob Hrdy at (765)426-9037 or [lionbobhrdy25c@gmail.com](mailto:lionbobhrdy25c@gmail.com) and submit their resume and letter of interest no later than October 1. Candidates should be available for interviews on Saturday, October 7, 2023 following the Council of Governors meeting in Noblesville.

## GMT/GET—Global Membership Team and Global Extension Team

Greeting! I hope everyone is doing well. As mentioned last month, I will be using games to talk Lions because I feel games (and Lions) should be fun, work to achieve a positive outcome, and allow you to spend time with people. Related to achieving a positive outcome, one of the things I love most about games is there is a clearly defined objective you are trying to achieve. There are rules that define the game play and the objective, but knowing the objective allows you to develop plans and strategies to reach the objective. Just as importantly, the plans may change as a game progresses, but the objective is still the same. Interestingly, the same pieces can be used to play many different games. If you have a deck of cards, you have to decide if you are going to play Solitaire, Euchre (this is Indiana!), Bridge, or one of thousands of other games. Having selected the game, this gives you the objective and lets the fun begin.

How does this relate to Lions? Briefly (more on this next month) a game's objective is like a Lion Goal. There are lots of things we can do as Lions but deciding on a clear goal/object allows plans to be made and fun to occur planning to reach the goal AND reaching it. I encourage everyone to find the Lion Game (er Goal) they want to pursue and have fun achieving it.

**NEWS FLASH**

To help all Lions in the District know more about Lions, I will be hosting a Member Orientation via Zoom once every other month. The first will be on Sunday August 27<sup>th</sup> at 7:00pm. This is not just for “new” Lions, but for all Lions to learn and share. The link to join the meeting is <https://us06web.zoom.us/j/82946479879> Hope to “see” you there.

*Lion Jeff Kozicki*

## GLT—Global Leadership Team

Leadership is a very important part of the success of any Club. Knowledge of how to lead is what makes the job much easier.

LCI provides several videos online to help you learn your role as a leader in your Club. I would encourage anyone who is in a position of leadership to go online and take advantage of this opportunity to expand their knowledge.

Along with the online courses available, I am willing to provide any help you might want in providing training at the Club, Zone, Regional and District level. The area you would like to have presented can be anything. Leadership, Membership, Service, and any other area you would like.

My contact information is in the District Directory, so get hold of me and let's make it happen!

As the GAT Vice Area Leader for LCI, I have already scheduled a presentation for the Pendleton Lions Club and look forward to better explaining the GMA (Global Membership Approach) to the Lions there. If your Club would like a similar program, then please let me know and I would be happy to set it up.

GMA covers all three areas of importance to a Club. Leadership, Membership and Service. It's an all-around approach to improving your Club and making it stronger.

Let's make District 25D the strongest District in MD25!

## ENVIRONMENTAL GOLDEN NUGGETS

One of DG Julia's goals is for every club to hold at least one environmental service project. She has suggested to plant a tree, clean a street/park, raking your neighbor's leaves this fall, and submit a photo of the project. There are many environmental projects that are listed in the International Lions web-site under Lions environmental projects.

We will be keeping track of the clubs that submit a project with photos. The projects are to be submitted to me before May 1, 2024. Each photo is to be a colored 8" x 10" size. The top three winning projects will be announced at the 4<sup>th</sup> Cabinet meeting at Matthews Lion Club on May 11, 2024.

These projects fall in line with our motto "WE SERVE". When you do a project in your community it is a good tool to invite future members to help with your project.

There will be a list in the ROARS newsletter of all of the clubs who participate along with the winners. This is a great project to get your new members involved in serving their community.

Every month in the newsletter there will be an ENVIRONMENTAL GOLDEN NUGGET to give your club ideas on how to improve the environment.

Send your project and photo to:

## Liberty Days

The purpose of the School Liberty Day assemblies is to celebrate the birthday of the ratification of the US Constitution -- back on 17 Sep. 1787. This celebration includes a school assembly and the distribution of individual copies of the US Constitution with the Declaration of Independence to students in the 8<sup>th</sup> and 11<sup>th</sup> grades. The Indiana Lions Liberty Day program has been sustained over the years by many generous donations from various business and individual sponsors who believe it is important for our Indiana students to know about our US Constitution and understand the rights guaranteed by the Constitution as explicitly stated in the "Bill of Rights".

Lions Liberty Day assemblies have the potential to showcase Lion community service to a younger generation who recognize the importance of helping and serving others.

## Information and Technology Article for District 25D

Information security, social media, Artificial Intelligence, phishing, two-factor authentication, hacking, dark web and all manner of technical subjects are in the news daily. You can't avoid it. During this Lion year, we will attempt to help you stay safe online whether that be on a desktop or mobile device.

This month: passwords. Passwords give you first-level security for your account or device. However, the wrong password stops hackers as much as does a chain link fence trying to stop blowing sand. When choosing a password, it should . . .

- ◇ Not contain common dictionary words, names of family members, pet names, birthdates, anniversaries, university name, etc. This information about you is online and aids hackers.
- ◇ Contain numbers, special characters (e.g., \$, #, %, \*), letters (at least one lower and one upper case)
- ◇ Should not be used across multiple logons or devices.
- ◇ Be unique for all online banking. Never repeat your banking password elsewhere even for other banking accounts.
- ◇ Not be shared with anyone. Distrust any company that asks you for your personal password.

Below is a grid from **HIVE Systems** showing how long it can take a hacker to brute force hack your password given the number and type of characters in it. Yearly, the time decreases significantly in each category. See where your password falls.

## Volunteer to work for the Indiana Lions Foundation at the 2023 Indiana State Fair ----- July 28<sup>th</sup> - August 20<sup>th</sup>

**Want to visit the Indiana State Fair and save money?** Work at the State Fair for the Indiana Lions Foundation as a ticket seller, monitor, scanner, or hand stamper and you do not have to pay either the admission or parking fees. Sorry, you still have to buy your own fair food! Work the morning shift and you'll be finished by 2:30, which is still plenty of time to visit the fair, or come in the morning, enjoy the fair, and check in at our booth at 2:00 for the afternoon shift.

**Need a place to stay if you're volunteering for more than one day at the State Fair?** There are two options this year. Three bedrooms are available for your use at the Indiana School for the Blind and 4 camping spaces at the Indiana State Fairgrounds are reserved for Foundation use. Both options are FREE and on a first come first serve basis. Call Lion Rose Russell, Indiana Foundation State Fair Committee member, at 574-250-0125 to make your reservation or for more information.

**Who can volunteer to work for the Indiana Lions Foundation at the Indiana State Fair?** A person need not be a Lion to volunteer at the Indiana State Fair. Ask your friends, your children, and grandchildren to volunteer – all are welcome who are at least 15 years old.

**What are the starting and ending times for the shifts?** There are four shifts available this year. The start time listed for each shift is the time you are expected to check in at our booth. These times have changed from previous years.

- 5:30 am—8:30 am Volunteers on this shift will earn 1 W.P. Woods credit.
- 8:00 am—2:30 pm Volunteers on this shift will earn 1 W.P. Woods credit.
- 2:00 pm—8:30 pm Volunteers on this shift will earn 2 W.P. Woods credits.
- 4:00 pm—8:30 pm Volunteers on this shift will earn 1 W.P. Woods credit.

**Sign up today to make new friends and renew old friendships with Lions from all over the state.**

## Brian's Trike Race

## & Disc Golf Tournament

22nd Annual Running!

The Indiana Lions for the Indiana School for the Blind and Visually Impaired State Project's annual fundraiser 'Brian's Trike Race' & Disc Golf Tournament is coming Sept. 9, 2023 to the ISBVI Campus

This event raises funds to assist both residential and outreach students of the school. Sponsorships and team participation of this event help to underwrite costs, which include but are not limited to, expenses to help students attend national leadership conferences for the blind and visually impaired, to assist with technology upgrades and many other expenses that directly effect improved learning.

Please encourage your club to send a team. You could also sponsor a Leo club, local school team or a local Boy Scout or Girl Scout troop that would like to have a fun afternoon racing around the David Letterman Track on adult trikes. Peddling not your thing? No worries. Play it through on the campus's 9 hole Disc Golf Course. You too could be a basket case!

**Bragging rights and trophies are included in all the fun and competition!**

**All are welcome and participants must be 14 years of age or older.**

Applications and sponsorship opportunity forms will be coming soon. In the meantime, if you have any questions, please contact an ISBVI trustee in your district or the 2023 event chairs.

Be sure to visit the ISBVI booth and attend the seminar at this year's State Convention.
