

### District 25 D “We are Underway for Service”

March is here and I'm happy to say we may see warmer weather and more people out and about. It's hard to be in a positive mood when you're always cold. I wanted everyone to know that our District Convention is a few days away. I have the honor and privilege to host Internal Director Judge Anthony Paradiso to our District Convention. Greentown Lions Club members have pulled out all the stops and are planning for one wonderful day to review and Listen to Judge Anthony talk about his experiences in the Lions Club in New York. I have talked to the International Director on two occasions and he is a Lions' Lion. Ready to talk about our role we play in the District, State, Nation and the world. I am truly excited about his visit and want to put on a good show.

Don't stay at home on the 8th of March - call Lion Jean Ann Wise at 765-210-6873 and get on the attendance list. Remember, every club will get a vote for every 10 members. We need to have 44 members to have enough to vote. Please plan on attending and have some fun. Come to the Convention and let your vote be heard.

“We Serve” is our motto and District 25D does just that. We are the first district to get 100% participation by all our District Lions Clubs. Goal completed for this year on reporting all of our service. Lion Anita Hines is Global Service Team (GST) Chairman for our District and for the State. I'm so happy we completed that goal. Lion Anita said that most of our clubs had Christmas Projects that were easy for us to meet that 100% goal two years in a row. Thanks Lion Anita.

Now the other goal on my list is that of membership, “Mission 1.5.” Wish I could say we are still leading the state but we're not. We had a great run till the New Year but we have decreased in membership down to 20. Let's not get all discouraged and wanting to stop there; we've got good stuff happening. Gas City is coming together as this weather breaks and we will be running around Fishers here soon, too. Fellow Lions, we have a plan, you are not left out, you can jump in with new members anytime you have the opportunity. Lion Jeff Kozicki will be happy to give you tips of how to get new members. Remember, Noblesville had 11 new members just in the first half of the year. So please continue to push forward. Remember, all it takes is “Hey, you want to be a Lion?”

The Global Extension Team Chairman, 2VDG Mike Careins, is hard at work setting up the Gas City annual planning meeting. He's having it at a pizza place, so I'm sure he'll have some attendance. The District Cabinet has come up with cities and towns that need a Lions club.

I'm sure 2VDG Mike would be happy with other suggestions and Lions to assist in putting together a crew for a certain town. You can meet a lot of nice people, too.

I have been researching my plans for May's environmental project, taking on an old run-down park and giving it a shot in the arm. May is not that far away. Every Saturday in May we will mow, cut, and re-process the park to good working order. May 10 is our Cabinet meeting in Upland and the work will continue at the park as the canoe and Kayak landing will be done by Scouts.

The State Convention is a place where Lions can see and meet the Lions of tomorrow. That could be you! The events for that weekend will keep you busy but there will be time for shopping at Shipshewana. I have to say, when 300 or more Lions get together, it's a good time.

Enjoy the change of weather and get ready to start the spring projects. That's what Lions do. Thanks to all the District 25 D Lions for all the work you do. Many thanks from many people.

Yours in Lionism,  
Rocky

### Why Your Service Matters

In one of our clubs, we have a new member with story of why your service project matters. This new member joined because of a service project that affected them personally. This is an important aspect of service that often gets overlooked. Sometimes it can take a long time to see the rewards of your service. This story is ten years in the making.

This new Lion was served by the elementary student weekend backpack program. Some of the students have parents that are struggling to provide for all of their needs. Lions attempt to fill some of the gaps in those children's lives with the backpack program. The program's goal is to provide supplemental food and snacks for the weekend while the kids are not able to get meals provided to them at the school cafeteria. Our new Lion was one of the recipients of this program as a student. As a result of that, they are now passionate about having it continue and grow to serve as many students as possible.

The things that we now as Lions affects the future of our communities. We need to be out in our towns setting the example as a volunteer by sacrificing a bit of our time making the World a better place. The projects that we do to support our communities may be even more important than we realize. It not only affects today, but the many tomorrows to come. We must remember our actions are so much more valuable than our words alone. We need to be Volunteers in Action to attract the next generation of Lions into our organization. So go out there and be a driving force in your community. You can improve the future of the people you serve and Lions International.

Hope to see you all at the many different events in future and safe travels and remember to always ask a friend or neighbor or anyone if they would like to be part of a great serving organization like the Lions Club

Sincerely Yours:

**Time Is Running Out to Register for the Indiana Lions State Convention in Shipshewana!**

As I look out into my back garden, I can only envision the arrival of Spring. Surely under all that melting snow are flowers and green grass accompanied by rising temperatures. While this may seem like wishful thinking, the one thing for sure is the arrival of the 2025 Indiana Lions State Convention in Shipshewana on April 25-26-27. While you can sit back and wait for the arrival of Spring you need to take action to insure your participation at the convention. The deadline for room registration and convention registration is March 26. This date is critical, if you wish to stay at the Farmstead Inn, due to the appearance of two well-known entertainers at another venue, the Inn will not take room reservations past the 26th. The committee has secured several rooms at other lodgings in Shipshewana, but they are in short supply. We can hedge on the March 26 date for Convention registration, if you are not planning on overnight stays, but we need to give our caterers a definite number of attendees two weeks prior to the Convention. Thank you for your understanding of this request.

There is still time for individual clubs to purchase an ad in the program book that would highlight your favorite project and accomplishments. Contact Middlebury Lion Sopheap "Sophie" Long for details. Her email address is [sopheap.long@gmail.com](mailto:sopheap.long@gmail.com), her phone number is 574-215-9474.

The committee has arranged for a memorable Convention with informative seminars, a full exhibit and vendor area, interaction with fellow Lions, and of course, delicious food. That combined with the various attractions around the Shipshewana area will insure a marvelous weekend. Our special guest, Past International President Jimmy Ross, and Saturday luncheon speaker, local weatherman/poet/storyteller Gary Seiber will certainly inspire you to magnify your involvement in Lions and community involvement.

The committee has done just about everything we can do, now it's up to you. We hope to see you at Convention!

**Lions of District 25-D:**

Greetings all. I hope you are doing well. As we move into the last third of this Lion year, we took a moment at our last club board meeting to review where we are as a club. The results were interesting, as we found areas where we were doing well, and others where we can certainly improve. One question that still resonates with me from our review is “Are your members happy to be Lions?” I certainly hope everyone is, but it is good every now and then to take a moment to reflect on this. So, I have pulled some of the questions from the Lions Member Satisfaction Survey for you to think about.

1. \_\_\_\_ Do you enjoy being a Lion?
2. \_\_\_\_ Do you enjoy your club’s community service projects?
3. \_\_\_\_ Do you enjoy your club’s fundraising activities?
4. \_\_\_\_ Are you encouraged to set personal goals and to try new things?
5. \_\_\_\_ Are you given the opportunity to gain leadership skills?
6. \_\_\_\_ Have you been given responsibility for activities?
7. \_\_\_\_ Do you feel like an important part of your club?
8. \_\_\_\_ Are you encouraged to participate in international, district and zone functions?

If there are any areas you aren’t happy with, I encourage you to speak with your club about making changes for the better. As I have heard many times, Lions should include Fun, Fellowship, and Fulfillment. If this isn’t happening, don’t leave! Help us make things better.

As always, thank you for being a Lion! Your efforts in your club and in your community are appreciated and you are helping to change the world for the better.

Jeff Kozicki, District Membership Chair

### **Westfield Lions Putting Finishing Touches on Renovated Clubhouse**

Facility Should be Ready for Rental in April

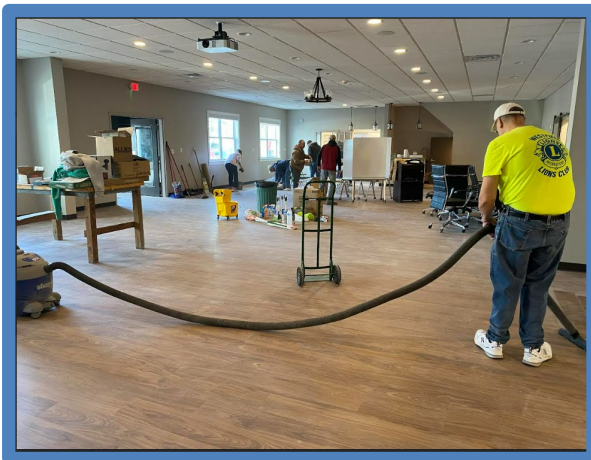

On Saturday, February 22<sup>nd</sup>, the Westfield Lions spent the day cleaning and prepping the clubhouse so that they can resume holding their meetings there and begin renting the facility out to the public. Sixteen Lions cleaned up construction debris, mopped floors, washed windows, cleaned bathrooms, and set up their new kitchen.

The clubhouse located at 1101 E. 169th Street has been under renovations for the past several months. The original building has been completely renovated, including expanding the square footage for a new kitchen, conference room, ADA-compliant bathrooms, and a larger meeting room.

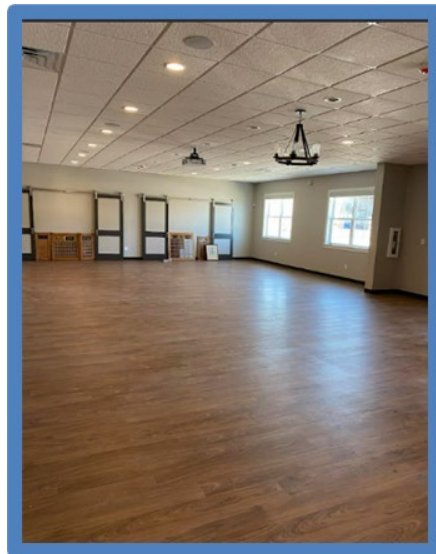

The Lions anticipate making the building available for rent sometime in April. Final steps are being taken to develop a building rental policy and rate, and install the IT system which includes public WIFI, built-in projector, security system, and large screen TVs.

A public open house will be held on Saturday, May 3<sup>rd</sup>. This will give everyone a chance to see first-hand just how amazing the project turned out. Details on the open house will be sent out ahead of the event.

The Westfield Lions have been serving Westfield and Hamilton County since 1930. They are looking for men and women who would like to make a difference in their community. An array of different pies could be purchased for \$2.00 each. Lions made the rounds to fill the plates as you sat at the table. 3VP Thom Pemberton said the weather was perfect for tonight's fundraiser and people came out to eat and have fun. The fundraiser was a huge success by all the Lions who participated and worked.

**Indiana Lions Foundation Indiana State Fair Project**

We may be shoveling snow from the sidewalk and scraping ice from the car windows now, but it's not too early to start thinking about fun and fellowship with other Indiana Lions at the 2025 Indiana State Fair. This is the Foundation's single largest fundraiser. Proceeds support the operation of the Indiana Lions State Office Building and provide funds for the Foundation's new Community Service Grants. We have spoken to our contact at the Indiana State Fair and do not anticipate any major changes for the 2025 State Fair. The Fair will be held in Indianapolis, August 1-17, 2025, and we will need volunteers to work at six gates during the Fair.

Scan the QR code above to go to <https://indianalionsfoundationmd25.org/what-we-do/indiana-state-fair-volunteer/> and sign up to work for the Foundation at the 2025 Indiana State Fair.

If you liked our Ferris wheel and carousel pins, you'll love our new roller coaster pin. The proposed design is shown here. The only way to get one of these pins is to work for the Foundation at the Indiana State Fair. When you work for the Indiana Lions Foundation at the Indiana State Fair, you receive W.P. Woods Fellowship credits. Work a morning shift and receive 1 credit; work an afternoon shift and receive 2 credits. You may redeem 10 credits for a W.P. Woods Fellowship for yourself or another individual.

This past July, the board of trustees of the Indiana Lions Foundation approved a proposal to allow State Fair volunteers to redeem W.P. Woods Fellowship credits for Community Service Grants to benefit Indiana Lions clubs, Indiana Lions districts, Indiana Lions state projects, or LCIF. For more information about Community Service Grants, visit the Indiana Lions Foundation website at <https://indianalionsfoundationmd25.org/>.

If you need assistance signing up for this project, please contact Lion Rose Russell at 574-250-0125 or [RoseWRussell@gmail.com](mailto:RoseWRussell@gmail.com).

If you have question about the Foundation, please contact one of the Foundation trustees in your district.
