ABOUT DISTRICT CONVENTIONS

Lions Clubs International requires every district throughout the world to hold an Annual Convention, attended by club delegates and other Lions members. District Conventions involve a business meeting where the New District Governor, Vice District Governors and other Cabinet Officials are elected, District Annual accounts are approved and subscriptions agreed, and reports of the work of the District Cabinet officers are presented. In addition, clubs may raise issues and/or propose changes to District practices for debate.

District Conventions are not simply formal AGMs, as they offer an opportunity for Lions to meet up, exchange ideas, and enjoy social activities. Interesting speakers may be invited to talk about their work or other topics. Open forum sessions are held and informal connections between Lions and their clubs are made.

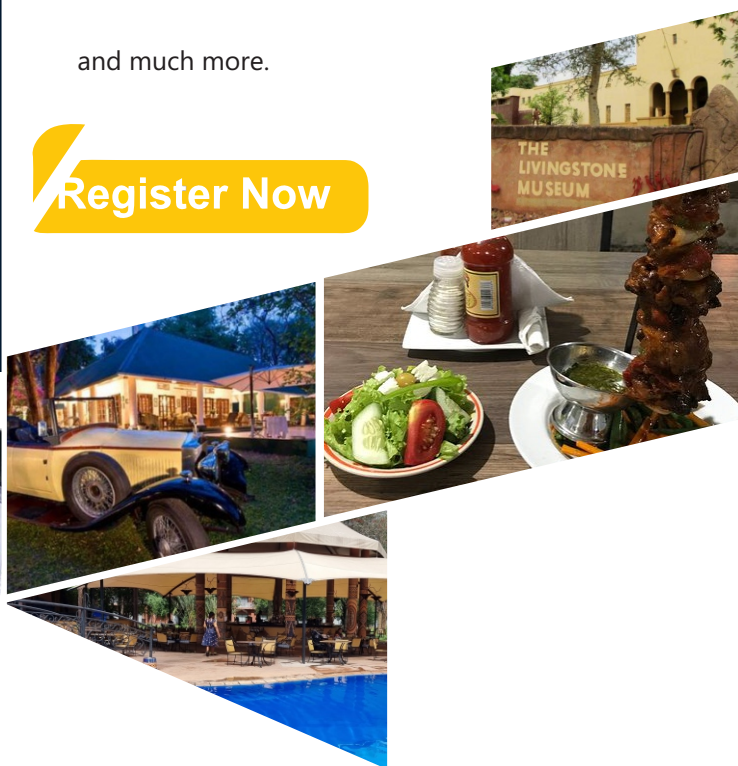

WHAT MAKES THE LIONS CONVENTION DIFFERENT?

In the beautiful town of **Livingstone** you'll -

- Enjoy music and live entertainment.
- Celebrate by marching through the Livingstone town in different Regional Uniforms to promote diversity.
- Learn and grow your skills in the Schools of Instructions.
- Meet and chat with other Lions within and outside the District to enhance your service, create new opportunities, access key resources and more.
- If you're a delegate for your Lions club, and your club is in good standing, you'll be able to cast a vote in the Election.

and much more.
