BY LION DON STOLTZ

Capital City Lions Club President Carl Hokenstad and Don Stoltz recently presented Hope Reis, a student at Bismarck Century High School, a laptop computer. The computer came equipped with special attachments needed for low vision students. Hope will be attending college this fall.

The club has worked with Kathy Fraase, teacher for the visually impaired for the Bismarck Public School System, for many years. Fraase is also a Melvin Jones Fellowship recipient.

The help and support the club has offered was evident in a letter from Fraase. She thanked the club for helping visually impaired students over the years.

"Purchasing equipment for them helps them out so much," she said. "You've come through for my last four students."

Letter from Hope Reis

I would like to thank you for purchasing my Samsung laptop, Microsoft Office, and Cannon scanner. I would like to give a special thank you to Don Stoltz for coming out on the evening of Feb. 18 to help me pick out my items.

He laptop is wonderful with the anti-glare matte finish. I can now use my laptop anywhere in my home without having the issue of not being able to see it.

I am using the Microsoft Office right

now, and it is great. It is amazing how many different functions it has. Since we had to order the scanner, I just received it yesterday and have not had the opportunity to use it yet. These items are going to be very helpful as I continue onto college and take several online courses.

Thank you again for purchasing these items for me, they are going to help me tremendously in my college and career path.

Thank you to your club and others like you for your continuous support to the visually impaired.

Sincerely, Hope Reis

BY PID BRUCE SCHWARTZ

First of all, did you notice the nice little article about the Tripp County Lions Club in Winner, South Dakota, in the May issue of the LION magazine. It's on page 17. They are not yet a year old, chartering last June 23, and are already going great guns. I attended their charter night banquet and it was obvious that they were going to go places. CONGRATULATIONS!

As we near the end of another Lions year, I would like to make one more plea to all clubs in Multiple District 5 to contribute to our foundation, LCIF. I just received the latest report from LCIF which reviewed individual and club participation for this year and, at the risk of sounding negative, we are doing a poor job.

My greatest concern is that our clubs are not participating. Here are the club participation statistics for MD5 for this year through April 4:

have the names of the district coordinators for Saskatchewan, the district coordinators for North Dakota are Robert Littlefield (SNE), Dave Czywczynski (SNW), Cindy Iversen (SSE) and Larry Burkhead (SSW), excellent Lions and excellent coordinators all. But, no matter how good you are there has to be cooperation and response from individual Lions clubs.

The LCIF DEVELOPMENT PLAN is doing very well worldwide. Since it started four years ago, contributions have more than doubled from about \$20 million annually in 2009 to \$48 million today.

I encourage all MD5 Lions clubs to do more for our International foundation and to begin today.

<u>DISTRICT</u>	<u>NO. OF CLUBS</u>	<u>CLUBS DONATING</u>	<u>PERCENTAGE</u>	<u>AMOUNT</u>
5SKN	67	20	29.85%	\$ 4,288.96
5SKS	83	19	22.89%	\$11,066.54
5NE	58	21	36.21%	\$15,340.00
5NW	50	31	62.00%	\$18,640.65
5SE	50	13	26.00%	\$ 9,009.67
5SW	36	13	36.11%	\$ 7,826.00

I think everyone will agree that we should be able to do better. So, what can clubs do? In my opinion, the best way to bring LCIF into the club discussion is to start a club Melvin Jones Fellowship program. But that's \$1000! We can't afford \$1000. Then start a MJF program with whatever you can manage---\$100, 200, 500, or even \$50 a year---just to get you started. A donation to LCIF should be in every club's budget every year, no matter how large or small. Then, once your club presents a Melvin Jones Fellowship, with that beautiful plaque, exquisite pin and the great feeling of having done something tremendous to help others, it will be easier to continue your club MJF program. Oh, and if your club already has a MJF program, continue it with the MJF progressive program.

The LCIF DEVELOPMENT PLAN set up much like Campaign SightFirst II was with region and district coordinators. I am the region coordinator for North and South Dakota and PID Garnet Davis has that position for Saskatchewan. Although I don't

ID Sheehan to highlight MD5 Convention

BY ID BRIAN SHEEHAN

MD5 Council Chair Lions Dennis Becker has announced that the attending International Director for the upcoming MD5 Convention in Yorkton will be ID Brian Sheehan.

ID Brian is a very enthusiastic and "hands-on" LION. He is looking forward to being in Yorkton and enjoying the hospitality of the Parkland, Lions officials said.

ID Brian Sheehan

The convention's Leadership Agenda and motto of "Experience Being A LION" will make it a very worthwhile experience for everyone, Lions members think. Something that should not be missed.

ID Brian and his wife, Lion Lori, live in Bird Island, Minn. They have two sons and two daughters. ID Brian is a great Lion and a very high-tech guy using his computer for everything. He likes to play baseball and loves golf. His hobbies are raising exotic animals such as llamas, Sicilian donkeys, wallabies and fainting goats. He even had a grand national champion llama.

Director Sheehan was elected to serve a two-year term as a director of The International Association of Lions Clubs at the association's 94th International Convention in 2011.

He is a member of the Bird Island Lions Club since 1991 and has held many offices with the association, including club president, zone chair, webmaster tech advisor, leadership chair,

membership chair, retention chair, district convention chair, vice district governor, district governor, council chair, long range planning chair, women's initiative chair and multiple district convention chair.

He also served as GMT liaison and as a presenter at numerous Lions events, including the USA/Canada Forum.

The 2013 MD5 Convention (Yorkton) is almost sold out. ID Brian is looking forward to mixing with the 425 delegates and having a good time.

It has been an honor to serve as the District Governor for District 5NE this year. I have visited more than 50 clubs and have had the opportunity to meet many hundreds of Lions and I am very encouraged by the quality of individuals that make up the clubs of this district. Even though many of them have little desire to serve Lions at a different level they are focused on doing what Lions do: "serve the needs of the community and the people that make up the community".

District Goals

This is the final year of the three year goals plan established by the leadership team in 2010. Even though each District Governor has altered the plans slightly, we have continued to focus on increasing the opportunity for more people to experience the benefits of being a Lion. One of my main goals for the year was not only to invite new members to join Lions but to find ways of reducing the number of members who "dropped out" of Lions. Past history of the district indicates that annually an average of over 200 individuals join Lions Clubs in the District but approximately 210 drop their membership.

As I travel from club to club, I have been focusing on the importance of involvement of all members in service. Research points toward the fact that involved Lions do not drop their membership. The latest reports with two and a half months remaining indicate that so far this year clubs have reversed the trend somewhat with approximately 150 new members and approximately 140 dropping their membership.

I have a major concern about the viability of many of the clubs in the rural areas of our state unless we do something to make our clubs more relevant in our instant communication society. I have devoted a large amount of my time and effort, while visiting clubs and writing articles, to better informing the membership of the important role social media can play in attracting the Lions of today, as well as, in the future generations.

Two of the district's other goals focused

on the benefits of using technology for training and holding meetings and on finding ways of making conventions more attractive to the regular Lions membership. Progress has been made in both areas; however, it is an ongoing process and not something that will be accomplished during one term.

The use of technology was introduced during the year and was effectively used for training zone and region chairs in some of the districts. It was also effectively used for committee meetings, Lions Eye Bank meetings and Lions Foundation meetings. Significant gains were made in this area, as a result of MD5 Council Members endorsing the concept and applying for and receiving technology grant funds to finance the software needed.

Continued progress will result from the council's implementation of a software system that is more universally compatible. Some initial resistance to moving to the use of technology was anticipated and experienced; however, the council members made a big step forward with their time and financial commitment. Even though significant gains were made in the use of technology, we are only scratching the surface of what can be done to administer the programs in a much more financially responsible manner with a much smaller time commitment on the part of those responsible.

The State Convention program was also expanded and improved this year to be more attractive for the Lions general membership and more focus was placed on increasing the visibility of Lions and the work they do. Although the goal of attracting participants from 60% of the clubs at the convention was not attained this year, we believe as the word gets out to other Lions throughout the state participation will improve.

Membership

Membership continues to be a challenge and will perhaps continue to be a challenge until and/or unless we find a way to alter the club meeting formats to better

fit into the busy world of today's instant communication society. Membership in 5NE this year has improved when compared to other years. 5NE started off the year by being the recipient of the Lions International's fast start cruising speed award which was awarded districts having an increased net membership as of October 31, 2012. We have; however, not kept up that pace as the year progresses and as of the end of April our total club assessment report shows only a slight increase in membership in the district.

District 5NE has not gained or lost any clubs this year. One club was cancelled early in the year because they had not submitted their dues for an extended period of time; however, after further consideration they have changed their mind and are submitting the funds and will be reinstated. District 5NE is also proud to announce the formation of a new Leo's Club at Davies High School in Fargo

Extension

Although no new clubs were started in the district this year, there have been efforts initiated that could result in numerous new clubs in some of the more metropolitan areas. I have contacted the Senior Director of one of the world's major high-tech computer software companies with a large operation in Fargo, promoting the concept of starting an in-house Lions club(s) using a meeting format designed by the employees that is workable for the technology-savvy, service minded people employed in that facility. My hope is that we can see what works for them and adopt some of their strategies to enhance membership in service clubs throughout District 5NE, the nation and the world.

5NE REPORT continued on page 5

5NE DISTRICT GOVERNOR'S REPORT

continued from page 4

The service club membership challenge is not an issue that is only experienced by Lions, but is an issue facing most service clubs throughout the country. We need to find a way to make service club memberships work in today's instant communication society.

I am particularly optimistic because the company's Senior Director recognizes the challenges facing service clubs and indicated that he is going to share it with the various leaders within the world-wide organization. Perhaps we can come up with a meeting format and a club operation format that works better in today's society.

International Programs

Clubs in the district continue to be contributors to the Lions International Foundation. DGE Katherine Tweed continues to work with the youth exchange program. Robert Littlefield and Katherine were instrumental in starting a Leos Club in the district. Lion Donna Ruff continues to serve as a resource for Diabetes as she presents to various clubs and organizations. District clubs continue to be involved with the Leader Dog program through assisting with giving both time and financial support. Lion Todd Dahle of the Fargo Lions won the MD5 Environmental Photo contest and has been entered in the world-wide competition.

Awards

Lion Leon Comeau of the Grand Forks Lions and Lion Mary Ann Zwinger of the Carrington Lions were awarded Presidential Certificates at the State Lions Convention. PDG James Ruff is the recipient if the Lions International Leadership Award and PCC Robert Littlefield is the recipient of the Lions International Presidential Award presented in Yorkton at the MD5 Convention.

Other Topics of Importance to the Governor

I believe Lions in leadership positions, like all successful leaders, must continually look at the organization with a focus on improving the operation and making the Lions more attractive to today's world. Maintaining and expanding membership in the organization is a challenge and we need to thoughtfully analyze the reason for the trend. We all know that, "if we continue to do what we have always done, we will continue to get the same results".

It is like a famous hockey player said, "we need to skate to where the puck will be." I believe the organization needs to guard against retaining past traditions that are not attractive or important to potential members. We need to have a clear focus on how we can continue "to serve" the needs of people into the future. Leadership at all levels should be focused on service and

how they can assist Lions at the club level "where the rubber hits the highway" to better serve.

Introduction of the Governor Elect

PDG Katherine Tweed was elected District Governor for the second time and is an outstanding individual who is totally devoted to the ideals that are important to Lions around the world. Katherine has been actively involved in Lions since joining in 1993. She has served as President, Vice President and Secretary of the Fargo Lions. She has been particularly involved with the youth programs working with the Leo Clubs, and the Youth Exchange Program. Katherine has received far too many honors to mention here from the local, district, multiple district and international level. She served as the District Governor for District SNE 2006-2007.

Katherine Tweed has a Lion's heart and has willfully accepted numerous cabinet positions over the past 10 years taking on some of the most challenging roles available. The fact that she is willing to again step up and take over the responsibility of District Governor when VDG Fran Romsdal had to resign because of health reasons is an example of her commitment to Lions.

"Amazing things can happen, when you remember your priorities."

Yes, amazing things can happen. And they do. Providing we don't get confused and side-tracked.

I have not met one Lion who joined our organization to go to meetings. Or to become the club president. Or to go to conventions. Or to become a district governor.

Most men and women who become Lions knew little or nothing about the organization prior to joining. Except for what the local Lions club does in its own community. And that's why they joined.

"We Serve" isn't, and never was, an order or command. It describes what we do. And we do it best in our own backyards.

A lot of clubs in North Dakota, especially in our smaller rural communities, are struggling to maintain membership. Many are struggling to develop leadership to fill club offices. The longer that continues, the more stressed and tired those loyal, long-term Lions become.

Maybe we're not remembering why we became Lions in the first place. Maybe we're forgetting all the good we do... in our own community. We need to ask ourselves, "If we weren't here, who would do what we do?"

That simple question often guides us to take inventory of just what we do accomplish in our own backyard. Take it one step further: Publish that list. Make sure your community knows what you do. Be visible. And make sure what you're doing really is significant.

Remember, nobody wants to join so they can sell raffle tickets. Or other busy work. Or.... Well, you get the idea. People aren't opposed to work. It's just that it must be meaningful.

As I've visited the clubs of our District, I am always amazed by the eager ambition to serve. When awareness and possibility thinking combine, yep, amazing things can happen!

Sometimes that's a more important new

dynamic in our clubs, than simply adding a new member. And maybe that's the first step to getting those new members.

I've had the privilege of presenting awards to Lions who have served for a number of years. Whether 10 years, or 45 years (yes! they're out there!), it's amazing to hear, "Really? It doesn't seem like that long!" Lions love what they do. Let's share the love.

"Amazing things can happen, when it doesn't matter who gets the credit."

Spring Rally successful

The 12th Annual District 5NW Spring Rally & Leadership Conference was declared a huge success. Although threatening weather cautioned some to stay home, 99 Lions were registered at the door.

Acclaimed by many as "The best rally ever" the 12th edition of the event featured unique sessions, as well as the traditional officer training and membership drive sessions.

Opening with a session by International Director Dave Hajny, the Rally immediately took on the flavor of accomplishments by Lions who truly do "Serve." His Luncheon Keynote Address continued to inspire.

An afternoon session featured recipients of Video Magnifiers, a blind man and his Leader Dog, the experiences of a couple who joined with the Fargo Lions in an eyeglass mission to Mexico, and stories about kids who's wishes were granted through the cooperation of a Lions Club, and Make-A-Wish. That session obviously touched the hearts of everyone in the room.

As the anticipated April Blizzard continued to threaten, people left quickly. Less than an hour after the close of the Rally, the Garrison school was ready to resume classes on Monday.

Hats off to the Garrison Lions, and the Garrison School staff for the grand job of hosting the event!

Spring Rally Prize Winners

Lion Bonnie Morel of the New England

Lions Club, won the grand prize in the drawing among those qualified by early registration for the Spring Rally. She won a golf club (460 cc titanium driver) created and donated by Past District Governor Rich Christenson

The Medora Bunkhouse Vacation Package donated by DGE Mike Blazek was won by Lion Kelly Kaiser of the Williston Lions Club.

Golf & Lunch For Four at Dakota Pasture Pool – Par 22 was donated by DG Lewellyn Rustan. It was won by Lion Rose Aken of the Mandan Dacotah Lions Club. Lion Rose promptly passed the prize on to Lion Sherry Fetch, also of the Mandan Dacotah Lions Club.

North Dakota 2013 State Convention Registration for One, donated by the convention committee, was won by Lion Joyce Vachal of the Hazen Lions Club.

Several Door Prizes were given in a drawing which included all who were registered. Prizes included pottery, book, dish towel, and a variety of food items, all produced within the area of District 5NW, most bearing the Pride Of Dakota seal.

Help for struggling clubs

The session, "Help For Struggling Clubs," was canceled to allow the presenters in the much appreciated afternoon session, more time.

The objective of this session was not to solve problems of individual clubs, but to make them aware of programs and options to make it easier to continue into the future, and maintain viable and valuable Lions clubs in their communities.

One of the most valuable tools is the Club Excellence Process. This not only identifies the needs of the community, but

The night before the Spring Rally, PDG Lowell Latimer, right, also the executive director of the Minot Public School Foundation, danced with Arlene Saugstad, left, to the opening dance of the eighth annual fundraiser concert and dance. A generous supporter of the foundation, the 100-year-old lady had requested that dance, to the music "New York, New York" played by the Minot Community Concert Band. Latimer, nearly 20 years her junior, happily accepted. In fact, he bragged about it at the Rally the next day.

Abbi Dorn, center, was inducted into the Minot Lions Club during the Spring Rally in Garrison April 13, 2013. As one of the new Lions from throughout the world inducted in a special ceremony on Worldwide Induction Day, Lion Abbi received a special certificate of membership signed by International President Wayne Madden. assesses the strengths and needs of the Lions club. Finally, it can assist clubs in finding their direction into the future.

Mentoring programs, Guiding Lion programs, Membership Programs, Club Branches: These are just a few of the structured programs that can revitalize a club. They're not difficult. They just need a commitment from the club.

The human resources are every bit as important, if not critical. Trained and equipped, these Lions are in place for only three reasons: To help the Club, to help the members, and to help the communities they serve.

The District Governor Team: he district governor, first vice district governor, and second vice district governor. Each has received training, and has committed to help however they can.

The Global Leadership Team and Global Membership Team Coordinators. Each with specific areas of concern.

The Zone Chairs. The closest link to the clubs, these Lions are your neighbors, familiar with your communities, and your concerns and needs.

All are listed in your North Dakota Lions Directory. Phone numbers and all. When our new year begins on July 1st, there will be a lot of new Lions added to the list. Whether new in 2013 or not, call them. That's why we're here, and we can only help if we're asked.

And that's about what that session would have given you, if we'd had the time. The only difference getting this information this way, is that we didn't have the opportunity to meet face to face. Easily fixed. Call us.

Membership challenge issued

The Lions who attended the Membership Drive Workshop at the Spring Rally were issued a challenge

from DG Lewellyn. Those 40 Lions from 22 clubs were challenged to personally sponsor a new member, properly inducted between April 13 and June 30, 2013. Verification by LCI or club president required.

Limited to those who attended that workshop, Lions who fulfill the challenge will receive a personal gift from DG Lewellyn.

Two Foundations

There has been some confusion regarding the Lions Clubs International Foundation, and Lions Foundation of North Dakota. They are two different entities.

The Lions Clubs International Foundation, more commonly referred to as LCIF, is the international organization's charitable arm. It has awarded more than \$730 Million, mostly in grants for disaster relief. It is also the source of funding for international initiatives such as Sight First, Sight First II (remember River Blindness?) and Measles vaccination.

Lions Foundation of North Dakota, was organized to mirror LCIF, but provides funding only through North Dakota Lions clubs for North Dakota projects with North Dakota beneficiaries.

Both foundations are 501(c)(3)

entities, which allows donors to claim tax deductible donations. Both foundations are able to function because of donations from Lions clubs and individuals, as well as others.

Melvin Jones Fellowships can be awarded by LCIF. Donations to LFofND do not qualify for Melvin Jones Fellowships.

Cultural & Community Activities

Lions Clubs International has programs for basic community activities and projects that often are not considered. They include food pantries, homeless shelters, domestic abuse victims shelters, community centers, playgrounds, recreational camps, concerts, theatre productions, art exhibits, handicrafts, and even the popular burgers in the park projects already conducted by many clubs.

For more information about these and other activities, visit the LCI website, or contact your local Cultural & Community Activities Chairperson. In District 5NW that is Shirley Schafer. In District 5NE it is Mark Western. See the state directory for contact information.

Our District has succeeded in submitting several Club Winners towards the MD5 Contests.

The Bismarck Prairie Rose Lions Club submitted the paperwork required for the MD5 Club of the Year. I commend this club for accomplishing this task. It is a challenge to complete all the paperwork.

The Hazen Lions Club submitted a wonderful scrapbook and was the winner of the 5 NW District Competition and advances to the MD5 Scrapbook of the Year Competition.

The Bismarck Lions Club was the winner of the District 5 NW Competition and also advance to the MD5 Lion's Club Newsletter Competition. The Minot Lions Club is commended for also submitting a thorough newsletter for this competition. It was a difficult challenge to decide which newsletter covering the 2012 year was to be the winner from our District.

These entries will be officially presented at the MD5 Competition in Saskatchewan.

I am not aware of any websites submitted from District 5NW for the MD5 Website of the Year.

Thank you to all the clubs that participated in the different competitions this year.

Kelly Braun, at the podium, president of the Dickinson Noon Lions Club, and chairman of the club's Make-A-Wish benefit, received the International President's Certification of Appreciation presented by International Director Dave Hajny at the Spring Rally. Lion Kelly later spoke to the assembly about wishes that have been granted through their fund raising efforts. One of the recipients, Matt Jahner, left, described his wish come true, a fishing trip in Canada. Leading the club's major project, Kelly has seen the benefit grow over the past 12 years. When all the numbers are in, this year's effort will yield well over \$90,000 for the Make-A-Wish organization.

Helping out at the Lions Spring Breakfast were student volunteers from Larimore High School.

The Emerado-Arvilla Lions are noted for their Spring Breakfast. PDG Dennis Anderson is pictured preparing pancakes. He really meant business. Look at the size of this flapjack. Of course, not all the pancakes were quite this size.

Project chairman, Ronelle Gravgaard, oversaw the drawing for the 14 tickets drawn by Lion members in attendance and by the guest speaker. All prizes were donated so that the proceeds could go to the Korner Club's Sight project. More than \$ 2,500 was raised by selling tickets for \$2 each. Shown

in this picture is Lion Gravgaard holding the ticket bin while Lion Secretary Joan Amundson records the winners names. Lion President, Chris Brostuen announced the winners. In the background Randy Kehen, guest speaker for the day, reviews his notes. The Korner Club uses the proceeds to buy glasses; fund transportation to the week at camp Grassick and fund the enlarging equipment for visually impaired.

Lion Loren Haugen inducted new member Lion Phyllis into the Club. Lion President Chris Brostuen introduced her to the Korner Lions. They each took turns welcoming her and congratulating her sponsoring husband.

New member inducted

The Williston Korner Lions recently initiated a new member. Lion Phyllis Stokke was sponsored by her husband Lion Jim Stokke. Lion Phyllis just retired from more than 50 years of service in the nursing profession.

In the short time she has been a member she has joined right into Korner Lion Activities. She has worked on various projects, attended a Zone meeting, attended the Spring rally in Garrison, been to a board meeting and been elected to club treasurer for the coming year.

Her sponsoring husband has been an active Lion for many years. He serves as the bus driver for the Northwest Areas Lions when they travel to the Spring Rallies.

Lions Stokke also managed to travel to Australia and New Zealand in celebration of their recent retirement. Lion Jim's most recent job was driving school bus.

Club donates to Great Plains Assistance Dogs

The Oakes Lions are committed to making a difference in peoples lives. One of the ways they do this is by supporting the efforts of the SDA/Great Plains Assistance Dogs.

In 1989, Ed Duden, Steve Powers and Michael Goehring founded Service Dogs for America (SDA)/Great Plains Assistance Dogs Foundation Inc. SDA is a non-profit organization that enhances and empowers the lives of individuals with disabilities by providing highly trained assistance dogs and ongoing support to ensure quality partnerships. SDA is located in Jud, N.D. (43 miles south of Jamestown).

SDA is the only non-profit provider of assistance service dogs in North Dakota. It is its mission to assist physically challenged individuals living with disability to gain greater independence and opportunity by use of a trained working assistance dog.

They hope to see a society where disabled individuals are empowered to fully participate in social, educational, and occupational opportunities.

ATTENTION LIONS OF MULTIPLE DISTRICT 5

PROPOSED CHANGES TO MD 5 CONSTITUTION, BY LAWS & STANDING OPERATING PROCEDURES – TO BE VOTED ON AT THE MD 5 CONVENTION IN YORKTON, SASKATCHEWAN - JUNE 7 & 8, 2013

The MD5 Long Range Planning Committee, in conjunction with the Constitution and Bylaws Committee met at the November 2012 Council of Governors meeting in Minot ND to work on several issues related to the committee structure of the multiple district.

The purpose of this meeting was to focus on the following tasks related to committees:

1. Clarify duties of committee chairs.
2. Simplify the process for nomination/appointment of committee chairs.
3. Determine terms of office.
4. Create a balance between states and province when appointing/rotating committee chairs.

The committees went through the current constitution, by-laws, and standard operating procedures and made suggestions for clarifying these items. It was decided to follow the duties and responsibilities established by LCI for the standing and LCI committees. The process for nomination/appointment was simplified to have Council Chair establish a nominating committee to identify people to serve in the different committees. The CC will consider appointees between the districts and will recommend to the Council a slate of committee chairs for approval to terms, as indicated by LCI (see below). Terms of office will follow LCI suggestions. MD5 committees will follow annual appointment, unless otherwise specified.

The committees were identified as:

- Standing Committees – established by LCI as three-year appointments (e.g., GMT, GLT, Leo, Quest, and Youth Camp & Exchange)
- LCI Committees – established by LCI as annual appointments (e.g., Convention, International Relations, LOFY, Lions Services for Children, PR and Lions Information, Information Technology, Sight Preservation Awareness and Action, Diabetes Awareness and Action, Hearing Preservation Awareness and Action, and Lions ALERT), Protocol
- MD5 Committees – established by MD5 as part of council and ongoing priorities (e.g., Long

Range Planning, Constitution and By Laws, Budget and Finance, Credentials, Centennial Planning, Pin, International Contests and Presidential Theme)

The VDG Trainer's line of appointment through the GLT and GMT committees, to the Membership and Leadership Council committee, to the COG was clarified.

Additional items were discussed that needed attention:

1. Constitution and by-laws changes recommended by last year's committee. The changes will be incorporated into the proposal.
2. Discussion of VDG training using online and face-to-face delivery systems was suggested as a possibility.

3. VDG curriculum assessment was discussed.

The documents were presented to the full Council of Governors. Each item was reviewed and a few items were added:

1. Membership on LRP committee was modified to include secretary-treasurer.
2. A financial prize was established as an award for the new Lions Club with the highest percentage of members present at the convention.
3. Membership on LRP committee was modified to include secretary-treasurer.
4. A financial prize was established as an award for the new Lions Club with the highest percentage of members present at the convention.

After discussion, the foregoing report was moved and approved by the Council of Governors and the proposed changes to the MD 5 Constitution, By Laws and Standing Operating Procedures will be presented for ratification at the MD5 Annual General Meeting to be held at the MD 5 Convention in Yorkton Jun 7 – 8, 2013.

Copies of the proposed MD 5 Constitution, By Laws & Standing Operating Procedures Manuals can be found on the MD 5 website at www.md5lions.org.

Fundraising ideas keep 'popping' up for Grand Forks South Forks Lions

Keith Johnson displays a bag of popcorn

Lion Keith Johnson of the South Forks Lions Club in Grand Forks had an idea a few years ago – he wanted to make sure that young people had a connection to the food chain – that they know where their food comes from and not just from the grocery store.

A fun way to do that would be to take a food that most people like and make it real, especially for young people. The food – popcorn.

Lion Johnson then spent a couple of years researching what seed would work well in the great Northland. He did some experimenting with the timing of picking the corn and drying it properly.

The result this year was cobs that could be put in a microwave and popped directly from the cob to the bowl. Of course, this would be done with the youngsters eagerly watching.

Lion Johnson thought the idea may be a good fundraiser for the club to support the many charities the club donates to every year and he couldn't have been more right.

The fundraiser was extremely successful. Many Lions were involved but the bulk of the work was done by Lion Keith and his wife Jean. With more marketing the popcorn sales may become a regular project for the club.
