Carrington Lions Club President, Brian Duchscherer, with Lions of the Year winners (left to right) Jane Fredrickson, Duane Zwinger and Ken Hansen.

Carrington's annual Christmas Party

The Carrington Lions Club held their annual Christmas party on Wednesday, December 4 at the Prairie Inn.

The evening started out with a delicious 2-meat buffet. Followed by some fun activities. The highlight of the evening was the awarding of some awards. Lions Duane Zwinger (2010-11), Jane

Fredrickson (2011-12) and Ken Hansen (2012-13) were awarded the Lion of the Year plaques.

These Lions won the local contest as well as the SNE contest for the Lions year following their name. Lions Illa Zink, Ken Hansen, Jane Fredrickson and Mary Topp were awarded the Melvin Jones

Fellowship award for their great service for the Carrington Lions Club.

This award is given to individuals who the club believes has contributed above and beyond in the service projects and activities of the club.

The Melvin Jones Fellowship award is given in

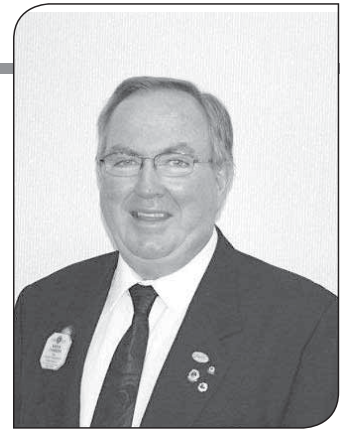

honor of Melvin Jones who is the founder of Lions Club International. This award is the highest award that is given to an individual in the Lions organization.

BY IPID LION MARVIN CHAMBERS

Lions Clubs International and 'You'

Lion Lynne and I hope your Christmas was Merry, your Holidays relaxing, filled with fun and your New Year a happy one.

Tonight as I write this article for the MDS district papers I find myself thinking about the past couple of weeks. I am thinking of friends, family, a warm and safe place to live and food. Things that most Lions enjoy most of the time!

Each Year Lions Clubs International has as one of their Global Action Campaigns, the "Campaign to Relieve Hunger" running in the months of December and January, hoping that we as Lions can help the many people of our world who do not have enough to eat and drink. The fact is; more than one billion people do not have enough to eat and one person of every six lives in a state of chronic hunger. A fact hard to imagine after the wonderful two weeks we have enjoyed with family and friends.

I hope this has started you thinking and even asking "What can I do and what can my Lions Club do to help?

LCI (Lions Clubs International) believes that lions around the world can help in many ways; one of the most important I feel is by "Volunteering." Lions can volunteer to work in soup kitchens, help out at the food bank outlets, help with the food hamper program in your area and why not organize projects to help those in need, the folks less fortunate than ourselves!!!

LCI partners with some great organizations such as The Global Food Bank and Feeding America. Check out their web sites, and see the many volunteering opportunities available to you. Remember food not only takes away the feeling of hunger it also has an impact on: eye health, diabetes prevention and control, maternal and infant health, child development and the very well being of the elderly. LCI and the many people suffering from hunger thank you for all that you and your Lions Clubs do to relieve hunger.

A short update on "Typhoon Haiyan in the Philippines:

Lions on the ground have

made a huge difference in the Philippines, helping many areas where other organizations could not. Lions from around the world are also helping, donations of over one million US dollars, made thus far. Please keep the people of the Philippines on your club's agenda and consider a donation

to Lions Clubs International Foundation helping with the relief efforts after this disaster.

A closing thought: When we feed the hungry families and help them rebuild their homes, we are building stronger communities, communities that need more services, and that my fellow Lions is what we do "WE SERVE".

Multiple District 5 Badlands Youth Camp

Clubs being asked to help

“ Youth are the world's most valuable resource and its best hope for the future. ”

-John Fitzgerald Kennedy

Each year the Lions of Multiple District 5 host a camp for youth from all over the world. This Lions Youth Camp changes location within the Multiple District. In 2011, it was hosted in North Dakota, 2012, in South Dakota and in Saskatchewan in 2013.

In 2014, the camp will be at the Badlands in Medora. Cost for running the camp runs approximately around \$28,000 and our District is responsible for raising the necessary funds to host the camp.

The camp fee portion paid by the youth is \$400. This is only about 55 percent of the total funds that are required. Presently, for the Districts located within North Dakota – you are responsible for hosting once every three years. In any attempt to obtain sufficient funding we are asking directly, the North Dakota districts.

Lions can get involved and assist by contributing a voluntary amount. The other Districts will also be contacted asking them to get involved as this is a MDS North Dakota Lions project. Another method is to hold a one-time special function with the proceeds going to the Lions Youth Exchange Program in lieu of the contributions.

The success of the Lions Youth Camp relies on the involvement and assistance of the Lions. Without your assistance the Lions Youth

Camp will not succeed.

The youth are going to be our leaders in the not so far future and what better way to introduce them to the world of volunteerism and Lions. When you take part and make a contribution you will be part of a success story. Any donations or contributions can be made to MDS Lions International

Camp and can be forwarded to:

5NE DISTRICT GOVERNOR'S REPORT

KATHERINE TWEED

501 24th Ave S • Fargo, ND 58103
701-235-2115 • ktweed@cableone.net

Thank You

Club officers, Region and Zone chairpersons are halfway through our year.

Thank you for all you have done and will continue to do to complete our year of following our dreams.

Clubs are following dreams and creating better lives throughout our District. Just a few things going on:

- Donating to cancer victims and their families
- Collecting food and stocking shelves for food pantries
- Sponsoring Christmas parties for children and people in nursing homes
- Delivering food and fun to shut-ins
- Shoveling sidewalks
- Painting walls and ceilings in community buildings
- Marshalling parades so that spectators are safe
- Organizing blood drives; Punt, Pass

and Kick contests; Halloween parties; Christmas gifts

- Recycling various items
- Flipping pancakes

The list is just a sampling. Each club activity report is important. If you have not filled out a report, please bring your activities up-to-date and share what you are doing.

You may think you're doing the same old, same old. Your gifts are always new to those who receive them. What you do is important.

Centennial District Governor Position Open

The Lion who steps forward to start the process of becoming District Governor for Lions 100th anniversary will be installed as second vice district governor at the convention in Jamestown this fall.

This is a once-in-a-lifetime opportunity. Think about your place in Lions history. Please contact me with any questions.

Leadership Is Fellowship, Fellowship Is Leadership

One definition of how we define ourselves as Lions is that a club is people gathered together, dedicated to fellowship and leadership. Club meetings are where people have face-to-face conversation. Clubs are personal.

Lions Club members celebrate the strengths of each other and serve together.

**All our DREAMS can come true –
if we have the COURAGE to pursue them.**

-Walt Disney

5NE DISTRICT GOVERNOR'S REPORT

When clubs are strong, vibrant, serving and helping people, they develop personality. We know clubs take the shape of those who lead, and we know those who lead are nourished by the club.

What we sometimes don't know, is how to do our jobs. That makes being a successful club tricky.

Because we are international, we have structure. Lions Clubs International provides superb education options for us.

Each spring we have leadership training in our district. Again this year, the training sessions will come to the Zones. District Governor Elect Dwaine Heinrich, Jamestown, and First Vice District Governor Elect Rick Swenson, New Rockford, are the primary planners for training.

Among the assets they will bring to you, new and current officers, new and current members, is information about what LCI can offer you.

Every Lion has access to leadership

training 24/7 at LCI. The training goes beyond what to do as an officer – although that is there and important. LCI education sessions offer information and helpful ideas for everyone.

The Leadership Resource Center at lionsclubs.org has information for officers and every club member. If your club does not have regular orientation sessions, you can access great stuff at the site.

Officers are only as good as each club member. Lions are in this together. Access information to be up-to-date on who we are and what we can become.

The fellowship we enjoy in our club meetings creates leadership that creates fellowship – a circle of influence. See page 50 of the January Lion magazine for more.

PU101

The PU101 form is critical to the organization. Remember it is due in March. Your club nominating committee should be talking with potential officers

now so that three readings of the nominees can happen before secretaries report new officers.

The previous paragraph is brought to you by a desperate district governor. Late information or inaccurate information clogs up the system. When systems are clogged, it really is PU101 chaos.

Just say " try me "**

A belated Happy New Years to all as we embrace the promises of the New Year in Lionism. By now we've made all of our new year's resolutions and probably broke 85% of them. But don't despair, you at least made an attempt to make a change in your life by making the initial resolution. With the start of a new year, we look forward to new growth in our personal lives as well as in our clubs. Now is the time to take stock of our club. Is it heading in the direction you want it to go? Is it struggling with membership growth? Call your GMT/GLT coordinator to help you setup a CEP for your club. Do you need a larger vision on the projects for the club? If you

don't have a project to keep new members interested in you will lose them. Take survey of your community to see what their needs are and where you can make that difference. Our motto is "WE SERVICE", not "Let's wait and see what happens."

Change begins with you, in how you see your role in your Club, Zone, District, Multi District and the International scheme of things. The little match that started the fire to warm your hands didn't realize it could burn down a hundred thousand acres of forest, but it did. That's the difference you can make in the world with one act of kindness. By saying "yes" when asked to be

involved in leadership in your club, community, church or school. We all have some very unique quality with in us that when shared with others has a very far reaching ripple effect. To see the effects of this, try the math problem of doubling a penny for 30 days. The first 15 days it doesn't seem like a lot is happening but by the 30th day it is phenomenal.

As I've gone around the state for club visits, it is amazing the optimism within the clubs to continue to grow and serve their communities in any way possible. I've seen a very strong "Can Do" spirit in all of them and wish them well in the coming year. I am looking forward to more visits in the

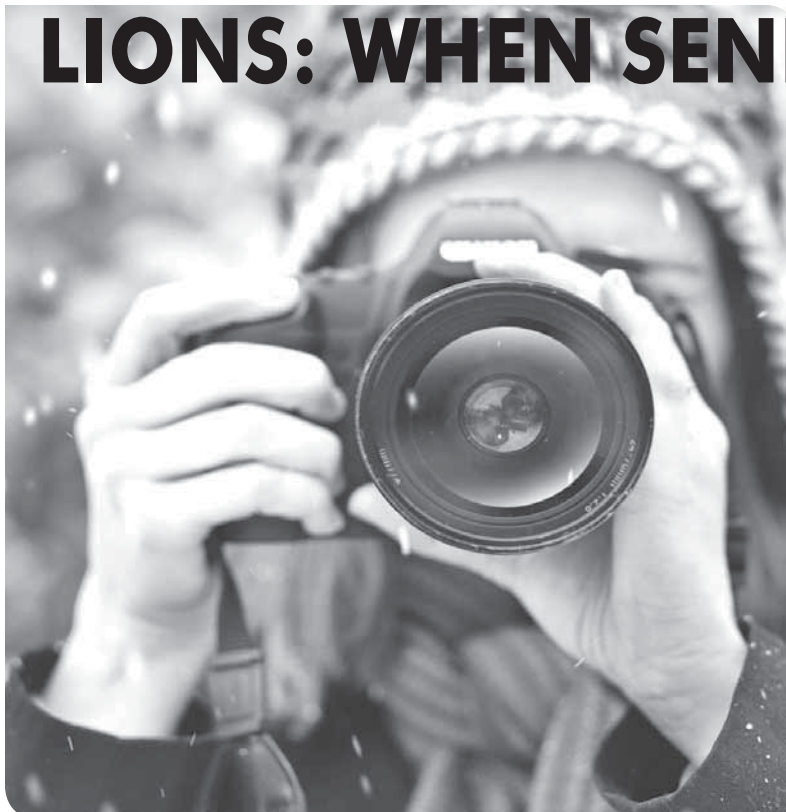

coming months.

I just received an email from Katherine Tweed DG SNE, that Fran Romsdal is in need of our prayers for healing. Fran was to have been the DG for SNE before he was diagnosed with cancer. It seems that it doesn't want to let go please keep him in your thoughts.

If you can conceive it in your mind, believe it in your heart and speak it with your lips, you can achieve it.

Have a Happy and Prosperous 2014.

Enderlin

Fundraising benefits local family

By MIKE MARTIN

Once again Enderlin and Sheldon showed the world what small towns do best: their respective Lions Clubs co-sponsored a public fundraiser for Julie Rosenberry, rural Enderlin, Saturday morning, December 7. Held at Enderlin's VFW, the event was a free-will offering for a pancake and sausage breakfast.

Enderlin Lions President, Jerry Hanson said "You usually get a good show of people for these type of events." Despite a very cold morning, this observation remained true. Some 200 well wishers turned

out in support of Julie and her cancer fight. they left her with a considerable amount of gifted money to help the family with medical expenses.

At least 25 Lions from both clubs organized and provided the labor for the benefit. Besides the pancake breakfast, there were silent auction items as well as a raffle board for two donated round-trip airline tickets to any continental U.S. city.

Enderlin's Tom Nord, a co-worker with Julie's husband Robert at Amity Technology in Fargo, did much of the leg work in arranging considerable participation from their

workplace. he also assembled an impressive number of silent auction items from the Fargo area as well as bringing down the donated airline tickets.

Sheldon Lions Mark Bartle and Roy Spiekermeier went door to door to local businesses for auction items as well and local business support was excellent. A sterling example is VFW Manager Lisa Stoffel

arranging facility usage.

When Julie was asked about this fundraiser, she said, "It is good to live in a nice community that shows such wonderful support."

Enderlin Lion Andrew Albert Peterson brought the Rosenberry's situation to the attention of both clubs and the resulting successful project is what Lionism is all about.

New Rockford

Santa's helpers

The New Rockford Lions Club, along with the help of the Chamber of Commerce, put on this year's Santa Day Dec. 7. Between setting up and running the games, manning "Santa's Store" and making sure all the kids got to visit with Santa, it kept all the Lions members very busy. Approximately 200 kids came to see Santa and everyone had a great time. Pictured is President Holly Christopherson and Lions member Dennis Hegland helping with a game.

We want everyone to SEE a better tomorrow!

Good vision is key to a child's physical development, success in school and overall well-being. Poor vision can result in poor grades and behavior problems. As vision systems develop and grow, equal input from both eyes is necessary for the brain's vision center to develop normally. Uncorrected vision in childhood can lead to vision problems that cannot be corrected in later life.

Detecting vision problems at the earliest age possible is widely advocated. Research clearly indicates that detecting these conditions in early childhood increases the chance of successful treatment, especially if detected before the age of five. The earlier these vision problems are detected, and the underlying cause corrected with glasses or surgery, the more successful the treatment.

Helping the children of North Dakota SEE!

The Lions Foundation of North Dakota has approved a plan to purchase Six Vision Screening devices to be placed in six strategic sites throughout the State of North Dakota. Lions Clubs in the surrounding areas to where the screeners are located will have access to the screening device and their trained individuals will be able to screen preschool children in their local communities. All interested representatives from the clubs will be appropriately trained to use the devices.

Club representatives will work with school districts, social service agencies, healthcare organizations and others in the various communities to identify the early childhood population. Local Lions clubs will also arrange for screening facilities, schedule screening activities and inform the public.

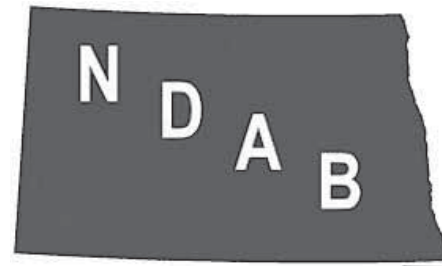

Screening results will be provided to the **county health nurse office** in the area served and that office will be responsible for follow-up activities such as contacting parents and encouraging them to meet with eye care professionals.

How will the Project be Sustained? After the initial purchase of the equipment and training is completed, Lions Clubs throughout the state will be responsible to provide the personnel for screening and administrative responsibilities. The Lions Foundation of North Dakota, the Lions Eye Bank of North Dakota and County Nurses of North Dakota will also be partners in the project.

The initial cost of the project is expected to be approximately \$60,000.

Donations from Lions clubs and individual Lions may be sent to **PDG Mel Olson, Visions Screener Project Treasurer, 2616 38th Avenue S, Fargo, ND 58104** or to the Lions Foundation of North Dakota, PO Box 273, Bowman, ND 58653. Make donations payable to: **LFND Visions Screener Project**

NDAB seeks Nominations

By CANDY LIEN,
Chairperson

The North Dakota Association of the Blind, Inc., once again is seeking nominations for the Robert John LePage Service Award. Last year's recipient of the award, Jim Dahle of the Lake Metigoshe Lions Club, received his award at the evening banquet during NDAB's state convention, which was in Grand Forks in June of last year.

The Robert John LePage Service Award was established in 2008 in honor of the more than twenty-four

years of service that Bob had contributed to people with sight loss. In memory of Bob's service, NDAB is asking that the various Lions Clubs of North Dakota consider submitting the name of one of their members who exemplifies Bob's spirit of selfless, but generally unrecognized, assistance to people who are blind or who have low vision.

The person who will be chosen for this award is not necessarily the one who has held the most offices or who has been recognized in

other ways, but the one who has been working quietly behind the scenes in providing humble, yet very important, service to people who are blind or who have low vision.

Please feel free to resubmit the name of someone who has not been selected in the past, as it has always been difficult to make a selection from so many worthy nominees.

All applications will be reviewed by a committee of NDAB members, and one individual will be chosen to receive the

Award. Please submit your nominee's application by March 15, 2014, and include the following information: the individual's name, club name, contact information for both yourself and the nominee, a letter outlining the types of service provided to individuals with sight loss within the community, the number of years as a Lions member, any offices held, committees chaired, and a brief letter

from the club President. Send the requested information to committee chairperson, Candy Lien at (cmlien@hotmail.com).

The recipient will be announced at a later date and honored at the NDAB's annual convention in Fargo in June 2014.

To learn more about the North Dakota Association of the Blind, visit the web site at (<http://www.ndab.org>)
