Fleischkuekla fundraiser for Blevins

Former coworkers of Kevin Blevins worked with the Hazen Lion's Club to hold a fundraiser for Blevins, who is battling brain cancer. A fleischkuekle meal was served at

the parking lot of Krause's Market to help raise funds for Blevins. The fundraiser raised a total of nearly \$6,000, with supplemental funding received from Thrivent Action Teams.

Katie Dilse speaker at '16 N.D. Lions Convention

By JANET MILLER

Become enchanted with Katie Dilse as she takes the stage at noon as the keynote speaker. Funny and lively, she spices her message with stories from family and farm. Who else has a necklace featuring grease zerks?

She says as we have to grease the zerks on our machinery to keep it running, we have to take care of ourselves and others.

Relationships are important. Her humor, warmth and love of people shines through.

People who have heard her speak rave about her. They want to hear her again.

Her family has a small grains farm in Scranton, ND which is in the southwest

part of the state, the source of many of her stories. She is a voice for agriculture and

has a BS degree from North Dakota State University in Mass Communications with emphasis in Agriculture.

She led a fundraising campaign for the Rural Women in America and spoke at their conference in 2014. Katie and family are featured in the Great American Wheat Harvest documentary. Her profile on LinkedIn is impressive.

Jack Dalrymple
Governor

Dear Editor:

The North Dakota Department of Transportation would like to extend a heartfelt thank you to the hundreds of volunteers and many organizations who donated their time and energy during the US 85 Spring clean-up in western North Dakota recently. We would also like to thank Cal Klewin of the Theodore Roosevelt Expressway Association for organizing the week-long event.

These wonderful volunteers covered about 200 miles of roadway and collected 1800 bags of trash from the roads and ditches along US 85 and other area highways. These efforts were unprecedented and have made a marked difference to the landscape along the corridor.

We are hopeful that an event such as this can set an example to everyone who lives and travels these roadways to help keep North Dakota beautiful by picking up litter and always disposing of it in the proper garbage receptacles.

Thank you to the following sponsors for their support: Theodore Roosevelt Expressway, North Dakota Department of Transportation, North Dakota Motor Carriers Association, Theodore Roosevelt Medora Foundation, North Dakota League of Cities, North Dakota Tourism, Watford City North Dakota, North Dakota Association of Oil & Gas, McKenzie County, North Dakota Association of General Contractors, ND Lions Club, City of Bowman, City of Belfield, North Dakota Petroleum Council, Vision West North Dakota, North Dakota League of Cities and the City of Williston.

We truly appreciate everyone working together to help keep our state roadways clean of litter and for your efforts in helping to make North Dakota a better place to visit and live.

Sincerely,

NDDOT Director Grant Levi

What is a Roarin' Lion? It's a Lion who completes seven requirements within a 12 month period, affirming the Lion is an active, well-rounded Lion. Lions who participate in club and district activities and projects can easily qualify. Just record those activities, have the appropriate Lion certify they've been completed, and submit the form. There are scores of Lions that meet those qualifications every year, but have simply not submitted the application.

5NE DISTRICT GOVERNOR'S REPORT

We have completed our District Governor Elect training and have been installed as District Governors in Fukuoka Japan. It's been quite an adventure the last few years in preparation for 5NE District Governorship. We have met many people along the road and made several friends. The next year will be a challenge for us and the district as we enter into the next 100 years as Lions.

President Bob Corlew announced his theme for the up-coming year, which lays the foundation for the future of Lions Club International for the next 100 years. The theme is simply "New Mountains to Climb." As we reach the top of one challenging mountain in our Lions Club, we can see the next peak to conquer. We just don't stop and keep

moving forward as we see needs in our communities. "Where there is a need, there is a Lion."

As we start our 100-year celebration as the world's largest service organization, we need to honor our past accomplishments, embrace the present and move ahead into the future. As we move forward into the future, we lay out a trail for others who will come behind us. We set the example and embrace the legacy of what it means to be a Lion.

Yes, we have a lot to be proud of being an active member of the greatest service organization in the world. We should shout from the mountain tops we conquer that "We Serve" and look for more mountains to climb. We have people with big hearts wanting to serve their communities in the greatest organization in the

world.

Our clubs in the district are very active with service projects for the communities they serve. But, we do lack the discipline to enter the information into MyLCI. There are club secretaries/treasurers who fail to update information leaving dropped members on the rolls. This costs the club money in that they are billed for those members. We just don't have a way of verifying who is a member of your club without your input.

On the other hand, we have new members who are not on the membership rolls; even though they have paid their dues. Without them being on the rolls, they just don't exist. One hand doesn't wash the other in this case. The solution to the problem is we need to be more diligent in keeping the information up-dated.

If your secretary/treasurer is in need of some

assistance, my spouse (Lion Jan Coca) can and will travel to your club to help. It doesn't have to be on a club night; but a private setting. That's how important it is for your club and the district. Please; don't hesitate to call and/or email us. We are here to serve you.

As a reminder, the Rugby Lions Club is hosting the North Dakota State Lions Convention. The hotel rooms are filling up fast and you don't want to be left out in the cold. Please contact Rugby Lions Club President Betty Triplett for more details on how to register. Her email: bkktriplett@yahoo.com for more information.

We are looking forward to seeing each of you this year during our club visits and convention. Remember to "roar loud as a lion". You have many reasons to be proud.

2016 USA-Canada Lions Leadership Forum Omaha, Nebraska Sept. 15-17, 2016

Leadership ? Service ? It's what Lions do !

"Leadership for Service", the theme for the 2016 Forum, reflects our goal of equipping our Lions to meet the Centennial Service challenge in performing 100 million acts of service.

Saturday afternoon will have three large service

projects that every attendee will be able to participate in. Corresponding seminars have been added, teaching the skills and organization needed to better prepare service projects at the Club and District level.

Opening night, Thursday brings master illusionist and motivational entertainer,

Billy Riggs. On Friday, Lion Jay Blake brings his drag race car "Follow a Dream" to the Forum, along with his amazing story of overcoming a blinding accident to follow his racing dream.

Saturday we look forward to the inspiring words of our then International President, Chancellor Bob Corlew.

We finish the evening with Retired General Dick Abel, who after a long career of military, private sector and public leadership will be talking about the leader within each of us.

Leader Dog Buttermilk Donuts

| | |
|--------------------|--------------------|
| 3 cups buttermilk | 1 cups oil |
| 2 tsp. salt | 5 Tbsp. sugar |
| 4 Tbsp. yeast | 1/2 cup warm water |
| 1/8 cup vanilla | 9 cup flour |
| 1 tsp. baking soda | |

Glaze: In another bowl mix confectioner's sugar and vanilla. Add small amounts of warm water until mixture is workable (thickness of syrup).

Directions: In saucepan, heat buttermilk, oil, salt, and sugar until lukewarm and sugar is dissolved. Set aside. In small bowl dissolve yeast in 1/2 cup warm water, add vanilla. Pour buttermilk mixture and yeast mixture into large mixing bowl. Blend using a dough hook or pad attachment. Add 1 cup flour and baking soda; continue to add remaining flour in 1 cup intervals until dough is smooth and pulls away from the side of bowl. Knead 10 minutes. Remove from mixer. Let rise till double in size. Roll on lightly floured surface to 1/2 inch thickness. Using a large & small round cutter, cut into donuts. Place cut donuts & holes on lightly floured baking sheet and let rise until double in size. Deep fry at 350*, when first side is golden brown in color; use a slotted metal spoon to carefully flip to other side. After donut is golden brown on both sides place in a paper towel lined pan to drain. Dip donuts & holes in glaze; place on wire rack until glaze dries. Yields 20 to 25 donuts and donut holes.

5NW DISTRICT GOVERNOR'S REPORT

MARK KOLLER

5647 110 Ave SW, New England, ND 58647

(701)290-0511

dgteammkoller@icloud.com

We are entering our new Lions year starting the celebration of our 100th anniversary. This is a great time to look back and reminisce on how much we as Lions have accomplished in a century of delivering service. From the first few clubs that our founder Melvin Jones started, to the 47000 clubs around the world today. Wow, how proud our founders would be at what we have done in service to others!

I am proud to be serving you as District Governor of our Lions District 5 NW. The new year has started and Karen and I are back from our Lions Int'l Convention full excitement to get started working with you, the Lions Clubs here in District 5 NW.

Our new International President of Lions is Bob Corlew. He is from the state of Tennessee and his theme this year is 'New Mountains to Climb'. It is a perfect theme because climbing mountains gives all of us a real challenge, and when we get to the top and accomplish what we set out to do, it really gives us a great feeling of satisfaction. But now is not the time to rest. During our District Governor Elect training at the Lions International Convention in Fukuoka, Japan, International President Bob Corlew visited our group training session. It was awesome to see him again up close and personal. He said "We don't know the view from the top of the next mountain. But we know we have to get there. We know we must ascend

to the next level of service, and mark our path along the way for the next generation of Lions". When we talk about ways to increase our membership it's not just about the numbers, "let's get our membership up" It's really about delivering service! Each Lion member is part of a team, your club, as a group that does service that is needed in your community. And each member of the team makes an impact. For every new member who joins our team, we impact 50 people through service. So, simple math tells us if our district adds 100 new members, we impact the lives of 5000 people!

Going Viral. We here this phrase almost every day. The Today Show on NBC has a segment of the YouTube video of the week that 'went viral'. It starts out with a YouTube video that someone made of something unique or silly. One person tells a friend, who tells a friend, and well you get the picture. Pretty soon millions of people who heard about it are all viewing it on Facebook or any other social media outlet. My theme for this year is 'Be tuned into Lions'. We can be tuned into this 'going viral'. We see and experience many awesome things that Lions do every day. We can tell a friend who tells a friend about a project that went over really well that we did recently. We can put our experiences on our own Facebook pages. And we ask our friends if they want to be a part of this wonderful organization called Lions. It may not get

to be a featured segment on the Today Show, but it sure could help us bring new members into our clubs so they too can touch the lives of 50 more people.

We are also proud to tell you that we had our charter night for our newest Lions Club in District 5 NW. We charted the Beach Lions Club on June 10th! It was a great evening with many Lion visitors from all over the State of North Dakota. There was a delicious meal provided by Ole Goldberg and with all of the excitement of the evening, he joined the Beach Lions Club as a charter member. After the induction of new members and installation of officers we had a live auction of donated items to raise money to help their club get off to a great start. Their club has 28 new Lion charter members. The club president is Tony Callaway. He will be a great leader and they are excited to get the ball rolling with service to their community.

Just look at what we have accomplished since our Centennial Service Challenge was started as we began our Centennial Celebration at the 2014 Lions International Convention in Toronto. We asked Lions to serve at least 100 million people in 4 areas, Youth, Vision, Hunger and the Environment. Lions responded and we are already well past the two thirds mark and are well underway to exceed our goal of serving 100 million people. It's going to be so exciting to see just how big that number will be when

our Centennial Celebration will be over! Yes we will look back and be proud of that big number when that day comes but Lions; we still have more new mountains to climb.

This past January Lions Clubs International launched a new program which creates a great opportunity for all Lions Clubs. To keep on celebrating our Centennial Celebration this program, the Centennial Legacy Project will help create a permanent legacy which will forever remind Lions and their community of the great work we perform and improve the way our community looks and operates. Some of you are well underway in working and completing your legacy in your area. Now is the time to get started on a Legacy Project. You can find out about how to get started by going to the Lionsclubs.org website or visiting with someone on the District Governor Team or contact your zone chairperson. Also all clubs should have a Centennial Chairperson. Your Centennial Club chairperson is very valuable to get the information to you and your club about how to get going on Legacy Projects and Centennial Service Challenges and the reporting of all of the service activities to MyLCI.

I am also excited to tell

Donate to Backpacks for Kids

When children are displaced, living in overcrowded locations, or are staying anywhere away from home for extended periods of time, the last thing they should worry about is a balanced meal.

Backpacks for Kids was founded to give children access to a nutritional meal with kid-friendly foods. The backpacks are distributed to the schools on Friday or the last day of each week to provide food over the weekend.

The program continues throughout the summer to help make sure that no child goes hungry.

Bismarck Prairie Rose Lions partnered with Applebee's and held a breakfast to raise funds which also aided other local charities.

New Rockford

Club makes splash

Our Lions Club made a big splash this Fourth of July weekend. Due to low river levels this year our annual Lucky Duck race was at the New Rockford swimming pool. The ducks got to go for a wild ride down the new cork screw slide, floating their way down to the shallow end to the finish line. Approximately 75 people came to watch the race. After the winners floated over the finish line, kids were asked to retrieve the rest of the ducks. When the "hunters" returned a duck they received a bag of fruit snacks.

Magic City

Club beautifies community

For more than 30 years the Magic City Lions have planted flowers on the Minot Broadway Viaduct. With help from the city, more than 40 planters are placed and watered when needed. This is always a fun project for our club as it brings out the young and seasoned members of our club to plant and share stories. Unfortunately, this will be our last year to do the flowers as reconstruction of the bridge is set for the next few years with no option to plant in the future. This has been a great project for the Magic City Lions and we know it has brought many smiles to the people driving on Broadway!

The successful event was Lion Simon Fisher's Leadership Williston project. Proceeds benefitted the Salvation Army.

"A Celebration of Peace" is the theme of the 2016-17 Peace Poster Contest. Lions clubs can sponsor the program in their community for children in local schools or organized, sponsored youth groups. Students, ages 11, 12 or 13 on November 15, are eligible to participate. Through the contest, students are encouraged to visually depict their interpretation of the contest's theme. Lions clubs may purchase a contest kit through the Club Supplies Sales Department. A kit must be purchased for each contest sponsored. The contest must be sponsored by a Lions club.

Artwork must be no smaller than 13 inches by 20 inches (33 centimeters by 50 centimeters) and no larger than 20 inches by 24 inches (50 centimeters by 60 centimeters). Do not mat or frame artwork. Only one entry per student, and each entry must be the work of only one student. All artwork must be the individual student's original creation. Duplications are not accepted.

All media are accepted. Note: Chalk, charcoal and pastel entries should be sealed with a fixative spray to prevent smearing. Do not laminate entries.

Three-dimensional entries will not be accepted. Nothing may be glued, stapled or attached to the artwork in any way. The use of lettering or numbering on the front of the poster, in any language, is not allowed. All artist signatures or initials should be written on the back of the poster. Artwork should be done on a flexible material, so it can be rolled for shipping in a mailing tube. Do not fold poster.

Participants accept all responsibility for late, lost, misdirected or illegible entries. Entries sent with insufficient postage will be disqualified. Lions Clubs International is not responsible for entries damaged, destroyed or lost during the judging process. Entries cannot be acknowledged or returned; they become property of Lions Clubs International upon receipt. Peace Poster Contest images cannot be used without written permission from Lions Clubs International.

In consideration for the opportunity to enter the Peace Poster Contest, participants agree to allow Lions Clubs International to use their names and photographs for promotional and publicity purposes. In addition, the international grand prize winner, two family members (one being a parent or legal guardian) and the sponsoring club president or a club member (as designated by the sponsoring club president) are required to attend the award ceremony at Lions Day with the United Nations in New York City, New York, USA (subject to change). An international grand-prize winner is not eligible to receive subsequent prizes in future Peace Poster contests sponsored by Lions Clubs International. By entering, participants agree to be bound by these rules and the decisions of the judges and Lions Clubs International.

Judging

Each poster is judged on originality, artistic merit and expression of the theme.

Posters advance through several judging levels: local, district, multiple district and international. At the international level, judges from the art, peace, youth, education and media communities select one grand prize winner and 23 merit award winners.

Awards

One international grand prize winner will receive a trip to a special award ceremony with the sponsoring club president and two family members at Lions Day with the United Nations in New York City, New York, USA (subject to change). There the winning artist will be presented with an engraved plaque and a cash prize of US \$2,500.

Each of the 23 merit award winners will receive a cash award of US \$500 and a certificate of achievement.

you that we are having Zone Chairperson training again this year. All of the 6 Zone Chairpersons in their zones in 5 NW will be trained and ready to go out and work with you and help you out with their leadership and knowledge. They will be scheduling zone meetings and club visits in the near future so be watching for that information to be there for you.

We also have a great team of District

Chairpersons that will also be out in the District and Zones to work with the Lions Clubs and help make you aware of all of the projects that are out there. We have 15 different District Chairpersons. Here are a few district chairpersons who include: Sight Preservation Action and Awareness, Centennial Projects. Please contact any one of these chairpersons if you have questions,

or are looking for a speaker for a program at one of your Lions meetings.

You will be seeing Past District Governor, Pat Vannett, who is our GLT-D (Global Leadership Team, District) Co-coordinator, doing her job working on leadership training and giving us ideas on how our clubs can keep moving forward with succession planning. Remember,

the leaders of the future for our clubs and our district starts right here at home at the club level. You will also be seeing Past District Governor, Lewellyn Rustan. He is our GMT-D (Global Membership Team-District) Co-coordinator. He will be working with our clubs with ways to grow membership in our district.

The District Governor Team will be doing the Lions

Club visitations this year. We will be contacting your clubs in the months to come, to plan a club visit, or you can also contact me to get a visit scheduled. I am really looking forward to visiting and meeting as many Lions as possible this year. It's gonna be another great year in Lionism and we, all of us will make that happen!
