

## Decking the Halls Fundraiser

*Wreaths connect community with nonprofits*

BY ANDY ROEHL

Members of the community assembled together at the Bowman County Courthouse on Wednesday, Dec. 6th for the very first Deck the Halls Party Fundraiser. The main feature of the event was a silent auction for 16 Christmas wreaths, each individually donated by a local organization. Tremendous holiday joy and creativity was abundant in every wreath, each one with its own theme and personality which made for a very unique display of support, creativity, and Christmas spirit.

The organizations who participated included: Hope and Healing Therapeutic Riding, Up and Coming Homemakers of Scranton, Cedar Chest, Dakota Prairie Helping Hands, Bowman/Slope Community Cupboard, Able Inc., Dollars for Scholars, Bowman Lions Club, Bowman County 4H, Rhame American Legion Post 188, Rhame Community Club, Bowman Cub Scouts, Scranton Lions Club, Tot Lot Child Care & Preschool, Bowman/Slope Community Foundation, and Girl Scouts.

Sandy Tivis (Bowman County Auditor), Leah King, Jodi Freier, David Horn, and Karla Germann set-up the event and laid a foundation

where people could come together, have some fun, and get more of an idea of what these organizations are all about all while enjoying some scrumptious goodies!

Gary Brennan of Brosz Engineering, Inc. was praised for all his support and generosity for the fundraiser which really kickstarted the whole thing. "We couldn't have done it without him." said Tivis.

Brennan was very gracious about the Deck the Halls Party pointing out that "it's a good thing to be a part of and a great way to support the community, said

Brennan.

The goal of the Deck the Halls fundraiser was intended to provide these local organizations an opportunity to promote their cause and get more in touch with the public in a direct way. The participating organizations then submitted their own wreaths decorated exclusively for the silent auction which people could then bid on their favorite one. The proceeds raised from the silent auction will aid these local organizations in several aspects from daily expenses to directly funding

the youth of our community. You get to take home a one-of-a-kind Christmas Wreath as the funds go back into these nonprofit, charitable organizations which in-turn benefits the community as a whole.

At the conclusion of the fundraiser, Tivis was optimistic. "[We're] very pleased with the event. Next week the committee will consider a second event next year. We're still looking for a corporate sponsor, but it was great to bring focus to our organizations."

# Let's talk Quality...

It's a new year! Each of us may have considered goals for ourselves for 2018. How about goals for our Lions clubs?

The needs of the world are growing. In fact, the number of people needing service by a Lions club has increased by four-fold since 2011 and is increasing every year. Not just out there somewhere, but right in each of our own towns.

Is your Lions Club meeting the current needs of your home community? Is your Lions Club engaged in our global communities need? There is only so much time, there is only so much money. So how do you decide?

It just so happens that your International Association has a terrific tool to help. It's called the Club Quality Initiative. We don't want to confuse this NEW tool with the Club Excellence Program from previous years. This new tool is

SIMPLE and EASY. And, it will HELP YOUR CLUB determine CURRENT needs.

In addition, this program is designed to invite EVERY MEMBER to give their input in an unthreatening manner. I think that we all have those well meaning Lions in our clubs who are very quick to tell all the new members what "we" do. The Club Quality Initiative actually asks every Lion, WHAT SHOULD WE BE DOING? A new member might just have a terrific idea.

Now, this doesn't mean that our Lions Clubs, especially here in Multiple District 5, are not doing great things. Every one of you are. But this provides us with a tool to look at what we are doing in an objective manner.

Now, I cannot imagine that there is even one of us who has the same phone that we had when we graduated from high school. Or, drive the same vehicle as then.

However, we do have some Lions Clubs who continue to operate the same way each and every year. That is safe, for sure. I think, that we are better than safe. In fact, I know that we are.

**welcome the New Year full of things that have never been"**

A new year, a new start, time to correct old mistakes and a time to look forward! Lions International has completed 100 years of service and we are now half way into the final year of our Centennial Celebration. Has your club looked back at all the accomplishments over the course of being a club? Some clubs are celebrating close to one hundred years and a few are just getting started. Each and every one of the members of your club should be proud of the many ways you have helped in the service to mankind. Whether it is something your club has done locally or your financial contributions that have allowed LCI to become the world's largest service organization in the world, each task is important.

Just how did we get here? Of course it started in Chicago but the real driving force is the leadership and vision in the local clubs doing whatever it takes to make a difference each and every day. We all need to remember that "A LIONS SERVICE IS NEVER ENDING", whether it is the Lion Tamer that has dedicated his service to being sure that everything is ready for meeting nights, the Tail Twister who makes it fun, the treasurer that collects dues and pays the bills or the Secretary that keeps the records and

makes reports as needed. Of course, it is the president that leads each of these and all members every year to accomplish the club goals. Some clubs have repeat officers every year or recycle members into these offices. The 'Pipe Dream' would be that every club had enough members so that new officers would work their way into the leadership positions through the year. We all know that does not happen in far too many of the clubs due to lack of membership. For those clubs that do have new members, are they getting trained so that at some point a new President, Secretary or Treasurer can step into the position? Does your club have new ideas? Will you find a new way to serve in the changing world of today and tomorrow?

Well, we have a deal for you! It is called the Spring Rally and Officer training to be held on April 7th in Valley City. It will run from 9:00 AM through 3:00 PM at the Student Center on the campus of Valley City State University. The motto for this year is 'Service with a Smile'. 1st Vice District Governor Rob Lein has been working to produce a fun and informative day of training and inspiration. Our International guest and main speaker will be Past International Director Judy Hankom. So begin making

plans to attend. The day is open to all members in your club but new and current officers are encouraged to attend in order to find out about plans for the next 100 years of Lions International. Things are changing; new ideas and service challenges are being presented so that our second century will be as exciting and fulfilling as the first 100 years.

Now is the time to select your new officers for 2018-2019 so that they can be elected at your March meeting. These new officers or repeat officers then should attend the rally in Valley City. Also, by electing new officers in March they can be added to your clubs officer roster in MyLCI for the New Year. When you add them be sure to check their personal information as listed with LCI. I am always surprised at the number of mistakes that are found in the ND Lions Directory that is published each year because the info has not been corrected or updated. If you don't know how to make corrections, contact me or a member of my DG Team. Each club receives two copies, one for the President and one for the Secretary to use through the year. Electronic updates and corrections are made later and published online.

Speaking of Electronic updates, does your club use the MyLCI website to

do the reports required by LCI? One of the sessions at the Spring Rally will be dedicated to exploring MyLCI and all that it has to offer. Only the President or Secretary of the club can make changes. However, if neither is comfortable with using the computer, why not send a club member that is able to do the actual entering of information. This member could assist the Secretary each month with completion of reports. LCI is moving away from paper reporting and would like clubs to use online resources wherever possible.

A quick reminder of future events includes the MD5 Convention May 17-19 in Bismarck, Lions International convention in Las Vegas June 29 – July 3, USA-CANADA Forum in Columbus Ohio Sept. 20 – 22, and the ND State Lions convention in Grand Forks Oct 19-20. Be sure to attend as many as you can.

I am looking forward to the second half of my year as District Governor. I have met so many dedicated Lion members and clubs that do so much for the community and world. Keep up the great work you have been doing and let's look forward to an even better second century of service.

A LIONS SERVICE IS NEVER ENDING

By MAXINE BECKWITH

Hazen Lions Club do vision screening as part of the Sight 4 Kidz Lions International Program. Hazen Lions work

with local public health nurses in Beulah, Center-Stanton, Halliday, Hazen and Twin Buttes schools. Screenings were also done at West River Head Start Hazen, New Salem Head Start, Capital Energy Childcare Cooperative, Hazen Preschool, Hazen Special Ed Preschool and Beulah Special Ed Preschool.

A total of 355 children were screened using the Plus Optix Screener. This is a mobile screening device (much like a camera) that can measure many eyehealth issues. The camera takes a "picture" of the child's eyes and prints out a report. If problems are detected, referral to an eye doctor is suggested to parents.

Hazen Lions is committed to vision and to children in our community. We invite parents to bring any children between the ages of six months to 12 years of age who have not been screened to English Lutheran Church on Thursday, Nov. 30, between 3 to 6 p.m. The screenings that day coincide with the Hazen Walk Around. This free screening is made possible through a grant from the Lions Club International Foundation and local Lions clubs. Members of Delta Kappa Gamma, a local women's educators organization, also assist with this project. For more information contact Maxine Beckwith at 701-880-1169 or Esther Eustice at 748-6330.

## GARY MOREL

(701)225-8407  
brokenarrow15@hotmail.com

We are now entering the second half of this year. A look at the first half of the 5NW year and we are doing well.

The Lions clubs of 5NW should be very proud of their donations to Lions Clubs International Foundation (LCIF). 62% of the Lions Clubs have made a donation to LCIF. I would like to give a big thank you to the clubs that have donated and also to PDG Mark Koller, 5NW LCIF Coordinator, for his hard work in this position. From what I read, the Lions did reach their goal of 30 million dollars before the end of the year for the matching grant for the Measles Initiative. There is still a need for donations. Puerto Rico is still struggling after Hurricane Maria and will have needs for years to come. Just remember, as Lions we are family. We start with our close family members (our clubs). Then we have the Zone family and then there is the 5NW

District family. In our case, we also have the MD5 family with our Canadian family members. Finally, there is our International family which has 1.4 million family members. Yes we take care of our communities first but remember that there are people around this world that need help too. With a family of 1.4 million members we can and do make a difference. Please keep donating in the future.

The year is half over and our clubs are doing well in the Centennial Service Activities. 25 clubs have done 1 or more of the 5 activities which are Youth, Vision, Hunger, Environment, and Diabetes. A couple of the clubs have completed all 5 areas already. Please report the activities on MYLCI when you do one.

### Up coming Zone meetings are:

- Zone 4A Zone chair, Doug Rothe, is hosting a meeting in Richardton on

January 17 @ 6:30 pm MT at the American Legion Club.

- Zone 1B Zone chair, Stuart Langager, has a meeting on January 23 @ 7pm CT at the Gloria Dei Lutheran church in Williston.

- Zone 5A Zone chair, Scott Ressler, had a meeting on January 8 in Wilton.

- Zone 3A has a new Zone chairperson. Lion Jodi Ridenhower has taken over this Zone. Lion Jodi's phone # is 1-406-951-3636 and email is [jlridenhower@yahoo.com](mailto:jlridenhower@yahoo.com).

There is a Cabinet Meeting scheduled for January 20th @ the Comfort Inn in Mandan. This is an online meeting or you can attend in person. If anyone has something they would like to put on the agenda please contact me at 1-701-290-8407 or [brokenarrow57gm@gmail.com](mailto:brokenarrow57gm@gmail.com).

### January Lions Club Birthdays:

- North Star Lions Club – January 4, 1980

- Halliday Lions Club – January 20, 2004

- Hazen Lions Club – January 26, 1976

The MD5 Convention is coming up on May 17, 18 & 19, 2018 at the Radisson Hotel, Bismarck ND. If I have not mentioned it before the 2019 State Convention has been moved from Medora to Dickinson, ND.

Our membership numbers are at 1206 members. This year we added 62 members and dropped 110 members. I just wanted to let you know how we are doing.

Like I said at the beginning we are doing well as a District. It doesn't matter if you are a small club or a large club, just remember the "We Serve" motto.

Thank you all for what you do for your communities.

### Christmas Trees

Mandan Lions Club members Travis Messer, front, and Art Owens clear fresh snow from cut evergreens outside the club Christmas tree stand next to the Mandan Depot on Wednesday afternoon. Owens said the Lions have sold Christmas trees and wreaths at the location for more than 55 years. "This year, we really got a good supply," said Owens. "I will guarantee you will get a good round tree." He said there are Fraser, Douglas and Balsam fir trees and white and Scotch pine trees available, as well as a variety of wreaths.

## South Forks

### Melvin Jones Award

At a recent Grand Forks South Forks Lions meeting Kirk Tingum, Clair Zirnelt and Gene Martin were presented with the Melvin Jones. All have been dedicated Lions over many years.

## Rugby Lions participate in Project Joy

About 25 members of the Rugby Lions Club participated in Project Joy, in addition to community residents who purchased gifts, donated gifts, and provided other goods and services to the project. Gifts were purchased from the tags on the trees in three stores around Rugby by the Club and the public.

In addition, a number of winter coats were donated by the local Jaycee Chapter and gift boxes were made by the students at Little Flower School.

Lions picked up the gifts from the stores and took them to a local hotel, which provided free coffee to the workers. The gifts were arranged in order to the requests from the needy families. Wrapping paper and sealing tape were provided in each "pile" of gifts so that the gifts could be wrapped for later presentation.

Gifts ranged from clothing, toys, appliances, step ladder, gift cards and sleds. The people of the community have been supporting this project for about 20 years and it has been a great success and organizers assert they are sure it makes each "giver" feel a warm feeling of generosity.

At the conclusion of the arranging of the gifts, the Thrivent tee shirts were placed in the "piles" of gifts so that the generosity of Thrivent can be promoted around the families who received gifts from the Lions Club. One Lion member had recently won a door prize of money and she donated this money in the form of gifts to the project.

More than 50 families were provided with gifts that they no doubt would not have had except for the Lions having this project. There were 138 tags to be filled and 93 were filled by the public and the balance filled by the Lions Club with personal gifts or money that was donated to the Club from the public over the past season.

The members of the Lions Club enjoy working on this project to spread good cheer at Christmas. The original idea was that of a former member that died of cancer at only 43 years old. The chairperson of the project puts in a lot of personal time away from her business to make sure this project is completed.

## Fargo Gateway

### Christmas Break

We had a lot going on at our last meeting before the holiday break in December. First the Gateway Club teamed up with the Fargo Lions to sort and clean between 8-12,000 pairs of glasses during the week. In the process, leader Mel Olson, shown here from the Fargo Lions, laid down his glasses while he took off a sweater. In the process his glasses also were cleaned and sorted before he knew they were gone. The next day Gateway Lion President Mike Brand presented him with a “new” pair of glasses as their club visited ours. We had a lot of fun at Mel’s expense. Secondly eight different Gateway Lions contributed to the Lions Contributory Members Challenge. Finally, we were able to not only rings bells for the Salvation Army this year but also presented Major Lane with a check for \$500. We ended our meeting reminding ourselves that “it’s always a great day to be a Lion”

One of our Gateway members is very active at the Emergency Food Pantry in Fargo and asked for our help with the current heavy demand for food items, especially peanut butter. The Club contributed 312 jars of peanut butter plus other canned goods while presenting a check for \$1,000 to their cause. It was a great week to be a Lion!

### New Rockford

### 2nd Annual Santa Day

This year we had over 145 kids of all ages come for the festivities. Lion Kristi Swenson had a booth set up to do eye screenings for the kids. The Horace Lions provided a Day with Santa at the Senior Center in Horace. Approximately 260 children visited with Santa, had a light lunch and received a gift.
