By Mike Martin,  
*Lions secretary*

The induction of two new club members was held. Secretary Mike Martin welcomed them to Lionism and gave a brief history of the organization and its' purpose.

At their monthly membership meeting the Enderlin Lions inducted two new club members. Novices Anna Hambek (P.A.) and Tom Olson (Reverend) took the needed vow and then their sponsors were asked to come forward. Lion Susan M. Dopp was Lion Anna's and Lion Grant Patterson was Lion Tom's. An unusual and good twist was guest Donn Larson was invited to come forward to wit-

ness Anna's vest/pin presentation. Lion Donn had been a long-time Enderlin Lion and a Melvin Jones recipient and

he was instrumental in convincing Lion Anna it was a good idea to join the club. The sponsors were reminded of

their responsibilities with the new members and each new member received a Lions pin and a vest.

## Gateway Lions assist Emergency Food Pantry

The Gateway Lions Club is having a very good and rewarding Lions year thus far. We are doing many great service projects. A project that the club has really stepped-up on this year is to assist the Emergency Food Pantry of Fargo. The Emergency Food Pantry assists clients that are less fortunate and are in need of food supplies. The Gateway Lions Club has helped in two ways thus far this year. We have given the Emergency Food Pantry a rather large donation to help in their purchase of some food items. We also donated 25 "flats"

(10 jars per flat) of peanut butter to the cause. Club members have also donated time to help the Emergency Food Pantry. The club, under the service project chair Lion Bruce Harmon, have had two weeks where the members have worked a 3 hour shift in assisting clients with getting their food items. The weeks that we worked were September 16-20 and December 16-20. This service project is so very rewarding, as we see the happiness and joy that the clients have as they receive and get to pick out their food items.

Pictured above are Gateway Lions (left to right) Nick Doty (a new member) and David Pederson (Past-President) as they work at the Emergency Food Pantry during their shift.

# International Board of Directors approves dues adjustment resolution

Dear CCs, DGs, VDGs, and PDGs,

Lions Clubs International supports clubs and members around the world so we can advance our global mission of service together. Our international support and the work of Lions Clubs International is fueled by the international dues of our incredible members.

At the International Board of Directors meeting in October, the Board voted to approve an international dues adjustment resolution that will be voted on at the International Convention in Singapore in 2020.

In recent years, it has become increasingly clear that the services Lions Clubs International has been able to provide to members with the available budget is no longer in line with what Lions need and expect.

The Board of Directors undertook an extensive review of Lions Clubs International's financials, including the implementation of substantial budget reductions. After much consideration, the board proposed to adjust dues by US\$3 effective July 2021, raising dues to US\$46, then adjusted annually for U.S. inflation thereafter. We will use a three-year inflation average not to exceed 3.0% or be lower than 1.5%.

## **Why an international dues adjustment is needed.**

We realize the association has been reluctant to adjust dues over the years, and we have not adjusted international dues since 2011. The proposed adjustment will help cover our costs and allow us to suitably serve our members' needs. With that said, the Board of Directors did not take this issue lightly, nor are we minimizing the value of each dollar that our members contribute.

As we consider this dues adjustment, it is essential that we keep in mind that our global efforts and initiatives support more than 1.4 million members in 48,000 clubs around the world. Through the support of staff, we are able to serve globally on the level that we do, keeping members and clubs fully supported with service resources, training events and software, club operational support, international meetings, language services, technology, Foundation support, leadership support, and everything else we have come to expect as Lions.

A dues adjustment will allow Lions Clubs International to provide improved support to Lions and to continue to invest in improving programs and digital products such as our website and

MyLion. It will also allow us to invest in new programs such as a new online learning platform, development of new curriculum such as digital literacy, training videos, global advertising, marketing automation, digital and video storytelling and others tools and initiatives that will enhance our impact, our brand, and our membership.

## **Why your help is needed**

Essentially, we have to decide whether or not we want Lions Clubs International to continue to grow and thrive. Lions is more than a way of life. It's also an investment of money, time, energy and

passion. As with any good investment, the more we put in, the more returns we see.

We need you to help our members and leaders understand why this adjustment is needed. We have developed an international dues adjustment FAQ and PPT to help you present it to your Lions.

I hope that you will see this adjustment as we do: as an investment in the future of Lions. Through your support, we can ensure that Lions are positioned for success in the future.

Regards,  
Dr. Jung-Yul Choi  
International President

## **February-a great time for lions to do a pediatric cancer project**

By Lion Loris Freier  
*SNW Pediatric Cancer Chair*

Pediatric Cancer is the newest global cause designated by Lions Club International (LCI). Every 2 minutes a child is diagnosed with cancer. International Childhood Cancer Day is February 15, so that is the perfect month to do a pediatric cancer project or get involved with childhood cancer efforts in your community.

A way to begin can be to provide service and/or support to a family with a child

who has been diagnosed with cancer. For ideas to plan a club project go to the LCI website document, "Project Ideas-Childhood Cancer". It includes easy to accomplish ideas such as preparing meals to take to the family, or to provide games, puzzles, or crafts for the child receiving treatment.

North Dakota Lions can act now to meet the LCI pediatric cancer strategic objective - Help those affected by childhood cancer survive and thrive!

## 5NE DISTRICT GOVERNOR'S REPORT

### KATHY CLEMENS

619 10th Ave SE Jamestown, ND 58401  
(701) 269-0234 • lionkathyclemens@gmail.com

Greetings Lions of ND! I hope that the holidays were AWESOME for all of you. I was very blessed to spend them with good friends and my AMAZING family. My new pastime during the last couple of weeks has been shoveling snow. So not only do I share the "sunshine" with you this month, but I also would be happy to share some snow with you all as well.

As I mentioned in my article last month, the Peace Poster calendars are available. As a reminder, the Peace Poster calendars include the 1st and 2nd place Peace Poster winners from each of the 6 districts in MD5. The calendars are available for sale for \$10 a piece with the proceeds going to LCIF. There are 100 calendars available for sale in District 5NE. This will raise \$1,000 for LCIF from District 5NE and we will be

able to award a Melvin Jones Fellowship to an outstanding Lion in our district. If you or your club would like to purchase a calendar or calendars, please contact me by phone at 701-269-0234 or by e-mail at lionkathyclemens@gmail.com. There are a limited number of calendars available and they are going fast, so make sure to contact me as soon as possible to get yours.

This month, I would like to highlight the contests in District 5E. There is the 5NE Club of the Year, the 5NE Lion of the Year, the 5NE Lions club newsletter/bulletin contest, the 5NE Lions Club scrapbook contest, the 5NE Lions club website contest, the 5NE Lions club membership improvement contest, and the 5NE Lions club visitation contest. Duane Zwinger of the Fargo Gateway Lions Club is the Contest and

Awards Chairperson for the district. Thank you so much Duane for volunteering for this position. For a complete description and deadlines for each of these contests, please contact myself or Duane. I encourage all clubs to submit an entry for these contests!

The District Governor Team has quite a few club visits scheduled over the next few months, so stay tuned in the coming months for many great reports of what the AWESOME Lions of District 5NE are doing to help others. Also, this is a reminder to make sure to give me a call if you would like to schedule a member of the District Governor Team to visit your club, so we can get your date on the calendar!!

The most exciting news that I have to share this month is that we will have a new club in our District in February. The Mapleton

Lions Club will be holding their charter night on Thursday, February 20th at 7pm at Hagge's Bar and Grill. I hope to see some of you at this event to support the newest club in our district. They are an AMAZING group who is going to do AMAZING things!

My HUGE THANK YOU this month goes to Paula Western of the Fargo Lions Club. She serves as the Global Membership Chair for the district. She has been instrumental in getting the new club in Mapleton started. THANK YOU, PAULA, for all of your hard work!

## 5NW DISTRICT GOVERNOR'S REPORT

### SHERRY M. FETCH

406 4th Ave NW, Mandan, ND 58554  
701-426-3432 • joyfullion2@gmail.com

"LIONS on FIRE to INSPIRE!" The first half of my DG year has been very rewarding. Every Lions Club is so unique and special. I am looking forward to the second half of the year. I am INSPIRED by ALL of YOU and I am predicting that it will be busy, challenging and fun!!

There will be Zone Meetings to attend and I look forward to seeing many Lions at the Zone Meetings. Our Zone Chairs will be scheduling Club Visits with you. From Zone 1-A is Lion Chris Brostuen, Zone 2-A is Lion Jacob Thrailkill, Zone 3-A is Lion Vivian Pendergrass, Zone 4-A is Lion Doug Rothe, Zone 4-B is 2nd VDGE Jeanette Bean, and Zone 5-A is Lion Carolyn Lean. All these Lions are fantastic individuals who are volunteering their time and talents to bring District and Lions Clubs International news to YOU!! They are the backbone of our District! I am PROUD of every one of them.

Service is the essence of who we are as Lions and what we do best. "We Serve". Presidents and Secretaries of all our Lions Clubs in District 5NW, it is IMPORTANT that you are on the new MyLCI/MyLion Site. You are responsible for documenting the service in Your Lions Club on MyLion. Why is it so important to do this? So our organization can have actual documentation of the service we do. Our mission is service, and service is visible. It's effects are measurable. Equipped with insight and inspired by opportunity, we practically support our communities through service. Just think about who would do the SERVICE in your community if your Lions Club

wasn't there?

PDG Gary Morel is your Global Service Chair and he has many ideas to help your Lions Club grow in Service. Please contact him at 701-290-8407 or brokenarrow57.gm@gmail.com He is available to help you.

Recording your membership in MyLCI is also very important. Even if there is no change in your membership this needs to be documented every month. If you are having difficulty with MyLCI please contact our District Administrator, IPDG Ginney Jones. Please contact her at 701-833-2648 or ginney.jones2@gmail.com She is available to help you.

Do you want to do something FUN in your Lions Club? LCIF Week is January 13-17, 2020. Melvin Jones' 141st birthday is January 13th. What if you would pass a Birthday Card around at your January Lions Club Meeting and have all your Lions members sign the card thanking Melvin Jones for having the wisdom and insight to found the GREATEST SERVICE ORGANIZATION IN THE WORLD. Ask your Lions Members to also place the amount they would like to give to LCIF in memory of Melvin Jones with the goal of giving \$141.00 celebrating his 141st birthday. Then send the card with the amount you gathered to LCIF. Take a photo of your Lions Club with the Birthday Card and post it on Facebook. Share your post by doing hashtag #LCIFWeek. BUT.....I'm suggesting that you can do this anytime this month. Have FUN!

Another fun project going on right now is The Peace Poster Calendar. The Calen-

dar is available to purchase for the cost of \$10.00. Contact the DG Team if you are interested.

Another thing that INSPIRES ME .....Lions that WANT to LEARN about their organization! Don't forget that you can easily go onto the Lions Club International Website and learn so much about the GREAT Lions Organization that we are ALL a part of!! Another way to learn is to sign up for the MD5 Regional Lions Institute that is going to be held in Fargo on March 13-15, 2020. There is also the Northern Pride Lions Forum to be held March 27-28th in St Cloud, MN. And we must remember the District 5NW Spring Rally to be held in Bottineau, ND on April 4th. We always have an awesome day for learning there! So send your New Lions and Lions in Leadership positions to these educational opportunities. We will have wise Lions sharing their knowledge

with ALL of US!! The great thing about the knowledge you gain is that you can apply it to your everyday life.

As we mention leadership please remember that ALL Lions Clubs should be getting ready to have three readings of the new leadership for your Clubs. Thank you to those who have served and are serving as Club Presidents, Club Treasurers, and Club Secretaries and thank you for those who will step up into those positions. You are all greatly appreciated! Every one of you are giving to your Lions Clubs and communities through service.

Thank you also to those Lions that have given through service by filling District Positions both past and present. You ALL make our District proud! Thank you for being "Lions on Fire to Inspire!!".

### Prairie Rose

The Prairie Rose Lions Club of Bismarck, North Dakota, reached a milestone in their Sight 4Kidz vision screening project. At the end of December we have screened 10,136 kiddos. Considering that our target is home day cares, larger public day cares and preschools we consider this to be a major achievement. We have also had the opportunity to do "road trips" to Wing, Menoken, McKenzie, Strasburg, Linton and Hazelton. For the last two years, we have also screened the Mandan elementary schools. Thank you to the Bismarck and Mandan Lions who have been a part of this important project. 20,000---here we come!!!

The Bismarck Prairie Rose Lions have been participating in the Dan's Supermarket (Spartan Nash) receipt program. This program required the Club to collect and log \$150,000 of Dan's receipts. (That's a LOT of receipts!) We've reached our goal and received a check for \$1,000 to increase our donations fund. Shown accepting the check for \$1,000 are Lions Sandy Ressler, Secretary, Julie Schwartz, President, Dan's Supermarket Manager, and Diane Offerdahl, Receipt Coordinator. We've already started collecting receipts for our next campaign!

Participants accept all responsibility for late, lost, misdirected or illegible entries. Lions Clubs International is not responsible for entries damaged, destroyed or lost during the judging process. Entries cannot be acknowledged or returned; they become property of Lions Clubs International upon receipt. Peace Poster Contest images cannot be used without written permission from Lions Clubs International.

In consideration for the opportunity to enter the Peace Poster Contest, participants agree to allow Lions Clubs International to use their names and photographs for promotional and publicity purposes. In addition, the international grand prize winner, two family members (one being a parent or legal guardian) and the sponsoring club president or a club member (as designated by the sponsoring club president) are required to attend the special award ceremony at Lions' Day with the United Nations. An international grand-prize winner is not eligible to receive subsequent prizes in future Peace Poster contests sponsored by Lions Clubs International. By entering, participants agree to be bound by these rules and the decisions of the judges and Lions Clubs International. Lions Clubs International may cancel the contest without notice at any time. The contest is void where prohibited, taxed, or restricted by law.

## Judging

Each poster is judged on originality, artistic merit and expression of the theme.

Posters advance through several judging levels: local, district, multiple district and international. At the international level, judges from the art, peace, youth, education and media communities select one grand prize winner and 23 merit award winners.

## Awards

One international grand prize winner will receive a trip to a special award ceremony. There the winning artist will be presented with an engraved plaque and a cash prize of US \$5,000.

Each of the 23 merit award winners will receive a cash award of US \$500 and a certificate of achievement.

### Enderlin

## Enderlin Lions First VP presents \$500 check to RCSS

The Enderlin Community showed its kindness and generosity with its support of an Enderlin Lions Club Pancake Benefit held the morning of December 7 at Enderlin's VFW.

\$500 was raised from freewill offerings and the monies were pledged to Ransom County Social Services (RCSS). RCSS employee,

Barb Carow, had recently presented a program outlining her agency's services at a Lions membership meeting.

Among the many good works the Club does or sponsors is the annual gifting towards the RCSS "Giving Tree" program. This program allows our county kids to enjoy a little something extra at Christmas time.
