Is Your Club Green? It's a Good Thing

PDG STEVE JOHNSON,
5NE District Environmental
Chairperson

The environment is one of Lions International's five global causes. As individuals we each "do our own thing" with regard to environmental stewardship. Our clubs should also engage this cause by finding organized programs to help the planet we live on.

Having difficulty figuring out how to do this? Here are a few suggestions:

-Recycling—manage or assist with a recycling site in your community, urge your meeting place to use washable dishes or recycle waste materials from meetings/meals, be intentional in buying recy-

clable supplies for events and fundraisers

-Education—invite environment-related speakers to meetings

-Cleanup—roadway ditches, parks, rivers, and streams; coordinate with community to purchase and install trash cans in needed public locations

-Planting—Trees, gardens, greenspace

-Fossil fuels—encourage and recognize members who carpool to meetings or walk or ride bicycles

What is your club's environmental project/service for FY 2022-2023? Maybe more than one?

Use your Lions Club to make the world a better place for everyone.

Gateway Lions Club visits Cass County Jail

The Fargo Gateway Lions Club made a visit to the Cass County Jail on September 15th. This was the club's regular meeting for the week. The purpose of meeting at the Cass County Jail was to learn more about the JAIL CHAPLINS program. Basically, the Jail Chaplins program is one in which individuals who are in prison learn about Jesus Christ through Bible lessons and try to save their lives. The Gateway Lions Club was the first attendees to the jail since the March 2020 Covid Pandemic. We were served lunch by the food personnel of the jail. We got the same meal that the inmates received that noon. We heard from many of the people who work for the Jail Chaplins program. The first speaker was Terianne Berg, Board Chair for the program who welcomed us. We next heard from Sargent Ben Schwandt, Program Director. The Jail Chaplins program has been in place at the Cass County Jail for 20 years. Since Jail Chaplins was initiated, very few inmates have returned to prison. We then heard from Chaplin Mike Sonju

who has been the Chaplin for the program since it started. Chaplin Mike introduced inmate Jacob. Jacob gave a very touching and informative testimony about his life story and how he recently found Jesus Christ. He hopes this will save his life, as he has been sober for a few weeks. Eric Johnson, "Living Free" program founder was introduced. This program has a number of classes that teaches the inmates in small groups about ways to live a

good life. To date there has been 196 small group sessions involving 4,300 participants. The last person to speak was Executive Director Gerri Leach. She has been active with Jail Chaplins for 35 years when it started in Chattanooga, TN. She emphasizes that law enforcement needs the Faith community and every community needs community service. Earlier this year, Shawn Gebree, a graduate of the program, and Gerri Leach visited our

club. Shawn told us about his drug abuse and drinking and how he was in and out of jail for many years. In one of those jail terms, he found out about Jail Chaplins and how it saved his life. Shawn and his wife are now very successful business owners, as they own two Babb's Coffee Shops in downtown Fargo. If you would like to learn more about Jail Chaplins go to their website at jailchaplins.com.

5NE DISTRICT GOVERNOR'S REPORT

Hi, I hope you are having a great day! This is month number 3 and I am wondering how many people you have invited to visit your Lions meetings. Is your club having a membership drive? Have you thought about a social with spouses and each member inviting a non-member couple to join you? Let them see what Lions is all about and how much fun we are. Maybe your club has a service project that you could invite a non-member to help with. As you know, the only way we can get new members is if YOU ask someone to join. In order for someone to become a Lion they need to be asked by a Lions member. Please, this month ask one person to join your Lions Club.

Every Thursday morning 1VDG Rick Stark, 2VDG Kirk Tinguim, PDG and Cabinet Secretary Grant Kahlbaugh, PDG Joe Sowokinos and I have a zoom meeting to talk about our district, our clubs, membership and anything else that may need attention. If you have concerns or needs, please let one of us know so we can address the subject at these zoom meetings.

September has been a busy month. I was at Fort Totten for a State Convention meeting, I attended a great Lions meeting in Horace where we inducted 1 of the 4 new members that have joined Lions and helped present a Melvin Jones Fellowship. We had our first Cabinet meeting in Jamestown. PDG Joe conducted Zone Chair training. 2VDG Kirk Tinguim, Service Chair Crystal Dueker, Lion Miriam Hildre and I attended the US/Canadian Forum in Calgary. Lion Crystal Dueker and I gave a presentation to the Fargo Gateway Club on the International Convention in Montreal.

I helped the Grand Forks Red River Club clean ditches and I joined the South Forks Lions for breakfast the next morning. I enjoy all my visits and I am lucky to have 51 GREAT Lions Clubs, but if you only get to visit one other club this year make it the 7 AM South Forks Club. I have never had so much fun at a Lions Club meeting. This group got a lot done and had a great time doing it. We inducted a new member and they gave him his name badge. It was red and said new member with his name in it, all the other members each had a name badge that were blue with their names on it. He was told that he would wear his red name

badge until the club got another new member and then he would get his blue one.

The State Lions Convention is just around the corner, October 21-22 in Fort Totten, do yourself and your club a favor and come to the convention. It is going to be a great time and learning experience. You will have a voice in the decisions being made about your state and district by-laws, leaders and other important topics. We have a great line up of speakers and entertainment. We already have over 200 Lions from

around the state registered.

We are looking to nominate a 2VDG at the convention so if you have any interest, please give us a call or text with your name to be nominated. You must have been a club president and a zone chairman to be eligible.

The Valley City Lions had a ham and beef dinner at the Eagles and the Ellendale Lions had a steak fry at the American Legion. We hope they did well.

Please invite any of your District Governor team to a meeting, a fund raiser or a project. We would love to meet your club members and help any way we can. Please give us some lead time so we can fit it in our schedule.

Thanks for all you do as Lions to serve others, because together we can.

The Mapleton club rented a dunk tank and invited the elementary school principal, a school board member and other school staff to compete with the local Bio Girls Club volunteers to see who could raise the most funds for their groups by sitting in a dunk tank. Principal Farkas was by far the winning target, and led the school team to victory. In the photo, Charter Member Lions Mandi Radcliffe and Andrew Draeger are supervising the participants.

The Mapleton ND Lions Club hosted the 3rd Annual Lions Car Show to kick off 3 days of community events September 8-10th in Mapleton. This event continues to grow and will be back next year, the first Thursday of September.

The final event of the community days was the Annual Duck Race. Charter Lions members, Carlita and Jay Dietz (Jay is Pictured in Kayak) have been running this event for 10 years. Since the Lions Club started in 2020, all funds raised (half of the pot) from the event are donated to the Lions Club. This year 136 ducks were sold, so the winning duck earned \$340 and the same amount was donated to the Lions Club.

5NW DISTRICT GOVERNOR'S REPORT

Fall is in the air!

Great things are moving and shaking in District 5 NW. Last month I told you all about our journey to start a new club up in the Tioga area, well this is about to happen!!! We have a meet and greet night on October 26th with city leaders and members of the community to talk about how great the Lions are and what the Lions can do for their wonderful community. When the DG team comes out to visit the clubs we talk about the Global Membership Approach (GMA) and the different steps that are taken. We know it works because we have a meet and greet set up for the Tioga area and we are working the GMA steps. On the club level,

the one step that each club member should take to make the GMA work for you is to "JUST ASK ONE".

Next, I really need to talk about the service that is not being reported for the clubs. It is so important for all clubs to make sure the secretaries are reporting the service their clubs are doing for the communities. Lion Tammie Richardson and Lion Karen DaSilva have graciously offered to have a table set aside at the State Convention for those Lions who have questions on

how to report service and to follow through approving the service activity on MyLCI. Remember... (TOGETHER WE CAN)!

I know we have over 200 registrants for the 2022 North Dakota State Lions Convention! How amazing is that? We do not have a lot of delegate forms sent into our district secretary Lion Tammie R. Please send in your delegate forms because your vote matters! Remember to show us the money - for the Parade of Green to be held at

the convention.

Club visits are going to be picking up after the state convention so if you have received an email from me regarding a visit please contact me as soon as possible so I can get out to see your club.

As always my DG Team is here for your club/members so please do not hesitate to contact us! Remember to be heard, be seen, and make a difference.

"No bugs, good suds, a District Governor called Scott Hildre and 7 NEW MELVIN JONES!"

BY MIKE MARTIN,
Enderlin Lions Secretary

August 23 was one of those nights that gave a taste of heaven. Calm, eighty degrees-and-NO Bugs! The weather was as good as it gets. The Enderlin Lions Club picked the perfect night for its annual summer picnic in the downtown Baxter Park.

Club President Bob Gruman welcomed the 70+ crowd and introduced special guests Lions District Governor Scott Hildre, his wife Miriam, and Lion Crystal Duecker, 5NE Service Chair, all from Fargo.

DG Scott Hildre talked about his administration's embraced goals. As he explained, they are 1) replace yourself. His idea is for every Lion to bring in a new member. 2) Help start up a new Lions Club. Draw a 60 mile radii and determine what communities don't have, but

Grant Patterson and Joe Chesley received their Melvin Jones at a later date.

should have, a Lions Club. Help them with the charter. 3) Submit mandated Club reports. Let Lions International know the good things done on a local level. Lion Governor Scott continued with a brief history of the origination of Lionism.

Seven Enderlin Lions were identified as the Club's

newest Melvin Jones Fellows and one by one they were called forward by Lions District Governor Scott for their plaque, pin and congratulatory letter from LCIF.

The seven Lions so honored were: Joe Chesley, Gary Daub, Tom Farnham, Roxy Johnson, Grant Patterson, Karlton Stordalen and Dean

Torbenson. Enderlin Lion Vice President Ruth McCleerey read a short bio on their individual Lions' leadership and accomplishments.

Lion Bob Gruman concluded the night by thanking everyone for their attendance and congratulating the honorees.

September - the month of Service for Youth in the Glenburn Community

During the month of September, the Glenburn Lions Club supported four significant youth-based service activities for the children of the Glenburn community. On 17 September, the Glenburn Lions hosted the third annual Kid's "Fun Day Sunday" Fishing Derby at the local pond. 50 children and their families enjoyed this event. There were multiple prizes given out to the children and the local fire department assisted with children's games. On 23 September, for the 4th year, the Glenburn Lions Club donated dictionary's to 18 third grade students at Glenburn School. On 28 September, the Glenburn Lions provided donuts to the children of Glenburn School, donated by Bearscat Bakehouse, during the helicopter landing by the 54th Helicopter Squadron team, led by 1st Lieutenant Sarah Melton, from Minot Air Force Base. On 30 September, the Glenburn Lions participated in the homecoming parade and hosted the tailgate concessions during the homecoming football game. Our Lions poured a lot of energy into these events for our youth, and in-turn, we benefited from the joy on their faces!
