“We Serve”

District Theme:
**“Moving Forward with
Technology”**

District Governor Kenny Shu

In early October, we were fortunate enough to have a campus club expert, PDG Paul Baker, fly in from Canada. Several Lions participated in training on Sunday afternoon. PDG Paul shared with us that campus students communicate primarily via text and Facebook. Email is too slow for them. They like to dive into the service projects without following too many formalities like the pledge of allegiance, etc.

The next day, Monday morning, we started canvassing the campus of California State University, Los Angeles. Almost every student was on his cell phone when walking by our booth. We stopped the students and asked if they knew about Lions Club and informed them that we planned to create a Lions Club in their campus. We asked them to sign up for an informational meeting for the next day. We had 200 students put their name, cell phone number and email address down on the first day. Then 150 students submitted their contact information on the next day. We were surprised by the enthusiasm of the students. Some of them were former Leos and a lot of them knew about Lions Club.

After four organizational meetings, we had eleven paid charter student members. Global Membership Chair Manny Sanchez has already held a meeting to elect Club officers. They are on their way to becoming a branch club then on to a chartered club as soon as they have reached 20 members.

As holiday season approaches, I would like to wish

District 4-L2 Lions and their loved ones a great Thanksgiving and Christmas. Continue to spread the Lions spirit throughout the holidays.

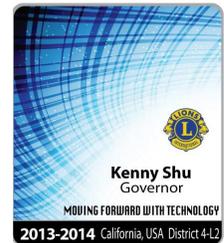

I look forward to seeing you at our **District Meeting on Saturday, November 16:**

1st Vice District Governor Remarks

Fellow Lions,
The October Fun Fest was a great event because so many clubs and Lion members participated. Thank you to all of you for making this party so much fun, and for all of the

donations and work you so kindly gave.
PDG Lion Mike Brassard, THANK YOU, THANK YOU, THANK YOU!

Without your help and the use of your home, this would not have been possible. You are a great Lion. West Covina Filipino Lions Club, your donation was the centerpiece for this occasion. The roasted pig was the talk of the party and it was delicious! District 4-L2 Lions, thank you for coming together and showing how much you care for your District.

On a different note, I am extending an invitation to all the Lion members that would like to attend the 2014 MD-4 Leadership Institute in Ontario, California, January 18-20, at a cost of \$250. This is the first time that we will have the Leadership Training so close to our District. It would be great if the Club Presidents can budget to send one or two officers to the Institute. Your Club will benefit a great deal by participating. These are some of the areas the Institute will cover: Building Skills for Lion Leaders, Presentation Skills, Diversity, Conflict Resolution, Supporting Teams, Project Management, LCIF, Communications and Technology, etc. For more information, go to the website: www.md4lions.org

If you would like to participate decorating the Rose Float, go to www.lions4L2.org for the schedule.

Remember to ask your friends, co-workers, and family members to become part of this great organization. If we do not ask, people won't know .

It is great to be a Lion!

Yours in Lionism,
Lion Alberto Montes De Oca
1st VDG 4-L2

Words from 2nd Vice District Governor

I hope all of you are in good health and spirit.

The òfunò raiser at PDG Mike Brassard's home was a fabulous get-together for Lions, their friends and family. It would be almost impossible to thank everyone who assisted at this party, so I won't attempt it. I will say that the roasted pig was the hit of the party and he/she was consumed entirely. Many of us may need to start a workout program to offset the weight gain.

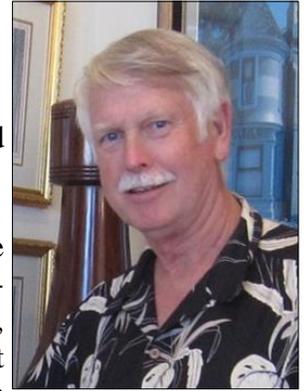

In addition to visiting 4-L2 clubs, I was invited to attend 4-L1's regional cabinet meeting in Ridgecrest at the request of their 2nd vice district governor, Dr. Fredy Perez. The 4-L1 district runs from downtown Los Angeles, through the L.A. Valley, extends northeast to Boron and north to Mammoth Lakes. Their district cabinet meetings are divided into regional meetings due to the large district size.

While at the cabinet meeting, we were driven to the China Lake Naval Weapons Center and given a tour of the museum. Much was learned regarding the missile programs that were developed there. Of all the patents that originated at China Lake, most of us probably know the least considered to be a weapon, the glow stick. I also purchased four raffle tickets for the Tehachapi Lions Club apple drop. The phone call from the club's president was unexpected, but he told me that I won the first prize of \$1,250.

A couple of final thoughts follow:

1. No one becomes a Lion without being asked
2. Membership is not a ME thing; it's a WE thing.

Yours in Lionism,
Lion Larry Wehage, 4-L2 Second VDG
