**"We Serve" at
Community Events.**

Using the Lions Mobile Health Screening Unit is an excellent way to demonstrate your Club's commitment to service and the improvement of sight and hearing in your community. The "Eyemobile" has been used in Community Parades, at Festivals, Summer Concerts, Carnivals, Health Fairs, Special Olympics, and Holiday events. We also encourage Lions clubs to team with our District Diabetes Awareness Committee to provide diabetes and cholesterol screenings concurrently when using the "Lions Eyemobile."
