**FOUNDER:
LIONS CLUBS
INTERNATIONAL**

Melvin Jones, 1879-1961

"The Lion stands for something not so much as noble animal, but rather as the traditional symbol of great deeds and high accomplishments."

The International Association of Lions Clubs started as a dream in the mind of a young Chicago insurance agent. The man was Melvin Jones. This dream was presented to the leaders of various independent groups at a meeting in Chicago, Illinois, on June 7, 1917. From that meeting came a call for the Association's annual convention, which was held October 8-10, 1917, in Dallas, Texas, with 23 clubs participating. Thus was conceived and founded the world's largest, most active and most representative service club organization, LIONS CLUBS INTERNATIONAL.

The information contained in this District Directory is prepared for the personal and restricted use of the Lions Clubs and supportive organizations of District 4-L2 of Lions Clubs International and shall not be used for commercial mailing list purposes.
