

# HELP ARNE RAISE FUNDS FOR CHILDREN'S PROGRAMS

Rooting for Kids  
Along Route 66

## 75 Miles for His 75th Year Saturday March 16, 2019

Arne Ogaard of the Irwindale Lions Club is giving back to the community by riding 75 miles along Route 66 to raise money for children's programs.

The proceeds from the bike ride will benefit three organizations that focus on enriching the lives of children.

In his own life, Arne has overcome many challenges. He has survived over 40 surgeries, being electrocuted with 12,000 volts, shot while on duty, and a brain tumor. Arne is former LAPD and Irwindale PD (Honorably Retired).

With your help, the Irwindale Lions Club will continue to fund the City of Hope, Joseph "Pepe" Miranda Sports Scholarships and Grants, and the Lions Camps at Tersita Pines for Disabled Youth.

**You can make a difference in kids' lives.  
Donate any amount to the Gofundme  
account, and Arne will do the work.**

This ride is also quite special for Arne because when he and his family migrated from Norway to the United States in 1954, they traveled by car from Chicago to Los Angeles on the original Route 66.

## PREVIOUS RIDE PHOTOS

### WANT TO RIDE, TOO?

Anyone who wants to ride with Arne is welcome. It would be fun to get a group of people together to ride this famous route together.

Just donate \$25, let us know you're coming, and show up at the start line!

The route will begin at Irwindale City Hall at 7:00 a.m., go through 12 cities and two counties, and then finish back at City Hall. We estimate the ride will take approximately 8 hours, and won't break speed records, but be fun.
