

Verified Volunteers and Lions Club Multiple District Four Working Together

Quality. Efficiency. Safety. Peace of Mind.

All of us who participate in Lions Club know the importance of our mission – to take an active interest in the civic, cultural, social and moral welfare of the community and promote the principles of good government and good citizenship. Volunteers play a big role in helping carry out this mission, but before just any volunteer walks through the door, it is important to think about the safety and reputation of all those involved.

We are excited to introduce you to our preferred screening partner, Verified Volunteers, the only background screening program designed specifically for nonprofit organizations. Verified Volunteers' mission is to help service organizations better fulfill their missions by reducing the time and costs associated with background screening. Verified Volunteers platform's self-service features, sharing capabilities, and management tools make a once-burdensome process easy.

There are many features that we love about Verified Volunteers – and we know you will too!

→ The Highest Quality Screens Around

Not all background checks are created equal - quality and consistency vary widely. Verified Volunteers establishes a long-sought- after, high-quality standard for screening volunteers by using a sophisticated suite of national, state, and local criminal locator tools to deliver the most accurate information available about your volunteers.

→ Built-in Compliance

Worried about compliance? Verified Volunteers is the expert in local, state, and federal legislation – so you don't have to be. Verified Volunteers background checks are housed in a completely secure environment and are fully Federal Credit Reporting Act compliant.

→ Monthly Updates and Alerts

Volunteer information is updated for you free of charge each month for the first year, so you have the added security of monitoring your volunteers for new criminal records. Best part? You get added peace of mind.

→ Volunteer-Driven Process

Verified Volunteers takes the burden off of you by putting volunteers in charge of their own screening. They order their check online and they can own and control a copy of their background check in secure volunteer accounts and profiles. Of course, if you want to enter the volunteer data on your own, you can. Verified Volunteers will provide you with all the necessary forms to keep you compliant.

→ The Volunteer Fast-Pass

Volunteers often give their time and talent to more than one organization. So Verified Volunteers created the Volunteer Fast-Pass, which lets vetted volunteers share their existing background checks with your organization at no cost to you. You can also earn rebates when a background check you originally paid for is shared.

→ Flexible Payment Options

With Verified Volunteers, you can have the volunteer pay for none, all, or some of their background check. The choice is yours. If your organization is paying for any portion of the check, you can also ask your volunteers to optionally contribute toward the cost of their check.

About Verified Volunteers

Verified Volunteers helps nonprofit organizations gain confidence in the volunteers working with those they serve by delivering thorough, compliant background checks. By enabling volunteers to order, manage and share their background checks via a secure online platform, we create a community of vetted volunteers and help nonprofit organizations save time and money.
