The SOLA Lions Club was founded in 2009 with the sole purpose of serving and supporting Special Olympic athletes. Our mission is "To help provide sports and training programs for any individual with intellectual disabilities and thereby improve their lives and the lives of everyone they touch." The SOLA Lions Club supports Special Olympic Athletes for who they are: CHAMPIONS! They are champions for stepping out and competing in sporting events such as track and field, aquatics, bowling, softball, and basketball. Through their efforts, they put smiles on other's faces, they change attitudes, teach sensitivity and help build a more accepting world for all of us. Serving these wonderful athletes and their families has been a joy and blessing! Please help us continue our work and participate in our golf tournament.

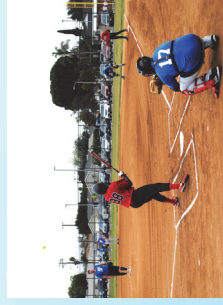

Your participation is greatly appreciated and we thank you!

Sincerely,

SOLA Lions Golf Committee
