**Sample 1: Ballot where there are two or more candidates.**

<b>Position</b>	<b>Name</b>	<b>Vote</b>

**Sample #3: Ballot where there are three or more candidates:**

(Note: there are a few different options when there is more than one candidate. If time permits, you may have the voter indicate the selection next to the candidate they wish to vote for. If no candidate receives a majority of the votes, then the candidate with the lowest number of votes is dropped off the ballot, and another vote is taken (the ballot would look like Sample #1 above). This process would continue until a candidate receives the required number of votes. As most districts do not have the time to conduct such a lengthy process, the option of Preferential Voting allows the voter to complete one ballot. Following is an example of a Preferential Voting Ballot:)

Instructions. Indicate your preference by clearly marking next to each candidate's name a number (1, 2, 3, or 4) indicating your preference in the order in which you would elect the candidate (i.e., 1, representing highest preference, 2 – next preference, etc.).

<b>Position</b>	<b>Name</b>	<b>Preference/Rank</b>
Second Vice District Governor	Candidate A	4
	Candidate B	2
	Candidate C	1
	Candidate D	3

**Rules for Preferential Voting:**

**The International Association of Lions Clubs  
Lions District 44 H  
State of New Hampshire  
By-Laws**

1. On the preferential ballot - for each office to be filled, the voter is asked to indicate the order in which he prefers all the candidates, placing the numeral 1 beside his first preference, the numeral 2 beside his second preference, and so on for every choice.
2. In counting the votes for a given office, the ballots are arranged in piles according to the indicated first preferences – one pile for each candidate.
3. The number of ballots in each pile is then recorded for the tellers' report. These piles remain identified with the names of the same candidates throughout the counting procedure until all but one is eliminated as described below.
4. If more than half of the ballots show one candidate indicated as first choice, that choice has a majority in the ordinary sense and the candidate is elected. But if there is no such majority, candidates are eliminated one by one, beginning with the least popular, until one prevails, as follows:
  - a. The ballots in the thinnest pile – that is, those containing the name designated as first choice by the fewest number of voters – are redistributed into the other piles according to the names marked as second choice on these ballots.
  - b. The number of ballots in each remaining pile after this distribution is again recorded.
  - c. If more than half of the ballots are now in one pile, that candidate is elected. If not, the next least popular candidate is similarly eliminated, by taking the thinnest remaining pile and redistributing its ballots according to their second choices into the other piles, except that, if the name eliminated in the last distribution is indicated as second choice on a ballot, that ballot is placed accordingly to its third choice.
  - d. Again, the number of ballots in each existing pile is recorded, and if necessary, the process is repeated – by redistributing each time the ballots in the thinnest remaining pile, according to the marked second choice or most-preferred choice among those not yet eliminated – until one pile contains more than half of the ballots, the result being thereby determined.

**The International Association of Lions Clubs  
Lions District 44 H  
State of New Hampshire  
By-Laws**

- e. The tellers' report consists of a table listing all candidates, with the number of ballots that were in each pile after each successive distribution.
5. If a ballot having one or more names not marked with any numeral comes up for placement at any stage of the counting and all its marked names have been eliminated, it should not be placed in any pile, but should be set aside.
6. If at any point two or more candidates are tied for the least popular position, the ballots in their piles are redistributed in a single step, all the tied names being treated as eliminated.
7. In the event of a tie in the winning position, which would imply that the elimination process is continued until the ballots are reduced to two or more equal piles, the election should be resolved in favor of the candidate that was strongest in terms of first choice (by referring to the record of the first distribution).

**Lions Clubs International CODE OF ETHICS**

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable action on my part.

TO REMEMBER that in building up my own business, it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor, and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.
