A Message from District Governor Kamal Masand

I would like to thank all the clubs for continuously reporting service in MyLion. We have achieved 100% of clubs reporting, so thank you and please continue to report all the work your clubs are doing. In February my travels included celebrating the 75th Anniversary of the Plaistow Lions Club, and club visits to Atkinson, Seabrook, and Hampstead. We are striving to get more Lions to help us serve 1 billion people worldwide. Please continue to invite people to join you in providing service within your community. Membership is on the upswing; let's keep up the momentum.

I am looking forward to meeting you at our Cabinet meeting on March 10th in Atkinson. The theme is the environment, which is timely with the following message from International President Dr Patti Hill.

Dear Lions,

This incredible planet is our home and taking care of this earth starts with each of us. As we celebrate Earth Day on April 22, I encourage you to inspire others to join you in an environmental service project, such as planting trees, reducing waste, or cleaning up a beach. There are so many ways that you and your club can make a real impact on our planet, and we have great resources on our website that can help you get started.

Caring for our environment is one of the most important issues that we're facing, so let's all work to ensure the health of our planet and of our communities so we can look forward to a brighter tomorrow.

Yours in service,
Dr. Patti Hill, International President

Peter LaPointe, First Vice District Governor & Global Service Leader

As I began writing this month's newsletter article it became apparent how fast a year can pass us by. We only have 4 months remaining in this Lion year to make a difference in our local communities with service projects focused on a wide variety of the needs that exist.

Clubs should be engaging in the formation of a nominating committee to identify those candidates that will serve as club officers in 2024-2025. Officers need to be elected and reported to LCI. Clubs should also be working on getting individuals in the club signed up for club officer training to be held on April 27th. You don't have to be a club officer to attend, and it's a great way to gain in-depth knowledge of what the different club officer's roles should be. As a local member, you should also explore the training which is offered by LCI. If you want more information, simply go to <https://www.lionsclubs.org/en/member-resource-center>, and explore the many areas of training offered to all local members.

Across the district, clubs have many exciting spring projects started or are in the planning stages: food drives, fund raisers, blood drives, pancake breakfasts, car shows, golf tournament, comedy nights, etc. It would be great if clubs would also consider a Membership drive and/or an event to support our Lions International Foundation. Whatever event is on the horizon it is so important to just have FUN!! Choose to make a difference!!

Marie Valliere, Second Vice District Governor & Global Leadership Leader

Have you ever been afraid to do something you have never done before? I have many times. Most recently I got on a plane for the first time in over 30 years. I also took a ride on a mountain road that scared me way too much. I survived and lived to tell about it. I am so glad I said yes to these new things.

I am the second vice district governor and I've never done this before. I have the skill set and am constantly learning more about this position as I go along. Still, I took a chance on myself and hoped you, the members of the district, would also take a chance on me. In return I am asking you to take a chance on yourself. Step up and do the same. Be a club officer. Training is April 27th in Concord. Details are in the newsletter. Take a class and try something new. You can make any of these positions your own. In my travels I have seen Secretaries read the last meetings minutes or have them available for the members or they were sent by email or text and just voted on. Some are typed into a laptop at a meeting, some are recorded, and some are still done by hand. I've heard every detail and then only heard the highlights. The basics need to be there, but you interpret to fit you and your club. The same goes with President, Treasurer, and Membership Chair. Follow the guidelines but be free to adapt for what fits now. You CAN do this.

Gail Dacey, Global Membership Leader

Congratulations to Atkinson, Loudon, Nashua, Everest, Newmarket, and Seabrook. They are the only clubs that have more members now than last year. Remember DG Kamal was hoping for each club to add two members. There is still time. Just ask. Remember the new member fee of \$35 has been waived through April. Don't forget to apply for it through Linda Quebec (the form is in this newsletter). There is a Mission 1.5 new member pin. I will have them at the cabinet meeting on March 10th. Come see me to get it. The orientation webinar for 1F has been postponed till a later date. When I know when it will be I will let you know. Members join Lions for service, fellowship, friendship, and fun. We need to retain our current members. If you haven't seen a member for a while reach out to them and find out why. Remember Lions are Loving Individuals Offering Needed Service.

PID Ed Lecius, Global Extension Leader

Why Chartering New Clubs is Important

We often hear from those trying to start new clubs that they run into resistance from other Lions. They're asked, "Why should we start new clubs? Shouldn't we focus on growing our existing clubs?"

It's important to have a strong answer to these questions or you will risk losing support for your new clubs. The following are some suggested answers:

- It's not an "either/or." We can and need to start new clubs – and support our existing clubs. The future of our association depends on it.
- Starting new clubs allows us to diversify our membership and serve more people than ever before.
- A new club brings added publicity to Lions, which will help neighboring clubs.
- A specialty club will appeal to people who might otherwise not consider being Lions.

Membership will grow where Lions want it to. Leaders like you must gather the support of your fellow Lions so we can grow into the association our communities need us to be. The success of Mission 1.5 depends on your leadership.

Currently, work is being done by PCC Mike Baillargeon and PDG Al Goldstein in the Auburn-Candia area. We have also identified a potential area in the northern part of the District. Discussions are also taking place with an ethnic group about forming the District's second specialty club.

The Membership Division at Lions International and I are ready to work with you along with members of our Extension Team. Feel free to contact me.

Linda Quebec, Cabinet Secretary

There are several district events happening in the coming months. Are you registered for them?

- March 10th: 44H Cabinet Meeting. If you have missed the deadline and want to go, contact LindaQuebec@Ymail.com immediately to see if you can still register. Remember to set your clocks ahead the morning of March 10th and don't be late for the Cabinet Meeting.
- April 27th: Club Officer Training. Register now to learn more about one of the following roles: President, Secretary, Treasurer, or Membership Chair.
- May 3-5: 44H Spring Convention, N Conway. This newsletter contains a lot of information, plus the registration form. You need to contact the hotel before April 2 to get the discounted rate for your room. Don't delay. I hope to see many of you at our Spring Convention.

Eric Lindberg, Multiple Council Chair

I would like to thank the Lions of New Hampshire for a successful and well attended Mid-Winter Convention held on 1/26-28 in Westford Ma. The Convention committee who worked countless hours preparing, clubs and individuals who donated raffle baskets, Ye Goodie Shop who donated the best chocolates ever! Lions Youth Services for their Peace Poster presentation and food packing project all contributed to a fun and productive Convention! Our guests, International Director Lee and Lion Mary Vrieze were welcomed by all and had a great visit!

As we move forward, let's plan to send all our incoming Club Officers to the training being held in Concord on 4/27. This annual "Club Officer Training" is sponsored by the Past & Present District Governor's Association and should be a must attend if you want your incoming Presidents, Secretaries, Treasurers and Membership Chairs equipped with the tools to be successful. Along with the above officers, send your club administrator and any Lion member who may be considering stepping up in the future.

For more details look for the registration in this issue or pick one up at your upcoming Cabinet meeting and get your members signed up!

Michelle Ackroyd, Childhood Cancer Chair

It is that time of year again for the Make a Wish event put on by the Hampstead Lions. The date is March 10th in the evening. This is the 6th annual dinner and is always a great time and such a worthy cause. If you haven't bought a ticket yet or donated an item yet for the raffle or silent auction, please do so. More information is on the flyer on the Hampstead club page in this newsletter. With the money raised they are able to grant wishes to children in New Hampshire who have cancer.

Kris Pavlik, Diabetes Chair

Happy Easter to All who Celebrate! Why not have a Diabetes Friendly Breakfast with the Easter Bunny?

- Instead of candy in the eggs in you egg hunt, pick up small party favors from the or stickers, or plastic animals from the Dollar Store or Walmart
- Plan a craft activity or have pictures for kids to color
- Play games for slightly bigger gifts (crayons, stuffed animals, toys). Make the games active – set up an obstacle course. Play some dance music and have everyone dance, then stop the music and everyone freezes. Anyone remaining moving is disqualified. Continue until you get to the last man standing.
- Most importantly – **SKIP THE PANCAKES!** Yes, I know this is blasphemy in our Lions World, but remember, we want this to be a Diabetes friendly party. Bring out the scrambled eggs and sausage or bacon and have a fun yogurt bar.

Fun Yogurt Bar offerings:

Bowls of plain or vanilla yogurt	Bite sized fruit	Granola
Dried fruit such as raisins or dried cherries	Mini chocolate chips (semi sweet or bittersweet)	Sliced apples (coat with lemon juice to prevent browning)
Drizzle honey on top		

Jeri Maynard, Environment Chair

You may have heard the buzz about the newly formed **“Green Team” Environmental Committee** at the MidWinter Convention. As your Environmental Chair, I will be participating on this exciting new venture! My first assignment: gather information from our District’s Lions Clubs in regards to events where the club serves food ex: Pancake Breakfasts, Spaghetti Dinners, etc. Please have your club secretary email a list of your events (or bring to March Cabinet Meeting) so I can compile a list for our next Green Team meeting. Lots of great things happening in 44N so it is time for 44H to join in. E: Lionjeri@comcast.net

Meredith

Thank you, thank you, thank you. The Lions Day at The Mug was a great success. Every year on the Friday of the Fishing Derby weekend Paul and his crew donate 10% of the day's sales to the Meredith Lions Club to benefit the local Food Pantry. This year it didn't hurt that it fell on National Pizza Day. Between the sales and the two raffle baskets the club was able to gift the pantry with \$1000.00. The winner of the basket full of chocolates was Richard P., and Dawne C. took home the basket of scratch tickets.

Pictured: Winner of the scratch basket Dawne C., and Lion Marie V.

The club continues to be at the Family Dollar store every month to collect items and monies for the food pantry. This month members will be there on the 23rd from 3 to 6 p.m.. Last month the pantry was able to assist 306 households, 1049 individuals, 114 seniors, and 436 children. The number of meals totaled 15,735. Those numbers are good for just after the holidays but hunger and need doesn't end there. The Lions Club is dedicated to helping in this issue and are looking for more like minded people to help in this project. For more information contact Lion Marie at keylion03@gmail.com.

The Nashua Lions Club is thrilled to announce that we earned a Club Excellence Award for 2022-2023 while under the guidance of Immediate Past President Paul G Bergeron. We are working towards this recognition again for this year.

January was such a BUSY month for the Salem NH Lions. We started the month with a dinner event to recognize and present checks to our scholarship winners. Rachel Carr and Shay Parikh were present at the event with their families. We held a Paint Night in January as a membership event and enjoyed an evening socializing with current members and 3 potential new members! The month finished off with 11 of our members attending the Multi District Winter Convention. Salem Lions were very proud to be able to present Granite State Fellowships to Gail Dacy, Bob Dennis, and Michelle Ackroyd for their tireless efforts and commitments to our Club and the District.

Wakefield

Wakefield Lions have been very busy with meetings, events, and activities. “End 68 Hours of Hunger” is a program to help feed children who have food insecurities at home, especially over the weekend. Our small group of volunteers started this program at the Paul School. With only their first month underway, they have met every Thursday at the Wakefield Congregational Church to bag up non-perishable food; this only takes a few hours each week with about 4 or 5 volunteers. To learn more about this program and what is needed, the Facebook page is “Wakefield NH End 68 Hours of Hunger” and the website is [“end68hoursofhunger.org”](http://end68hoursofhunger.org).

In addition, there is a craft fair coming up on Saturday, April 13th at 10 am to 3 pm at the Paul School to help raise money for the new program. If interested in becoming a vendor, a table is \$20. For more information and to sign up, you can email Mary Soares at mjws2000@gmail.com and she will send you the online link.

Wakefield Lions, along with the Gafney Library, organized a Roundtable Discussion consisting of the Budget Committee candidates that the Wakefield residents were able to watch online and via local cable channel. The Roundtable Discussion went very well and was moderated by Wakefield Lions 1st VP Mary Soares.

Our Club meets twice a month. We are working on preparing a slate of officers, our Club’s 70th Anniversary Celebration, Pride Day, and Wakefield’s town-wide 250th Birthday Celebration! To make things fun within our club, we have an online Wordle competition and Cabin Fever Game Night, and to get to know each other at the meetings, four chosen members tell “3 Truths and a Lie”. Recently, many of us attended the Super Bowl Party at our President Tom and Lion Shelly Daniels’ home. We’re looking forward to a lot more fun activities and service projects coming this spring! Stay tuned!

LIONS CAMP PRIDE CONNECTION

March 2024

Here's a quick update from Camp Pride:

- All the windows and 2 of the 4 double doors are sitting at the Camp waiting for the installation to begin. The other 2 doors are ordered and should be on site by the middle of April.
- We have met our goal of raising half of the LCIF grant. \$15,000 Thanks to all clubs who helped make that possible.
- This Spring promises to be a busy one. Major tree and brush removal on Lions Camp Way as well as throughout the Camp, New utility shed installation, 9-hole disc golf course, all the leaves left over from 2023 that didn't get touched last year. **Looking for a major turnout of Lions on May 25th. Food and beverages will be provided.** All bunkhouses and buildings need to be cleaned and prepped for the 2024 season.
- All our regular lease groups will be returning to Camp Pride this year and we get to welcome a new group from Newmarket called Camp Exciting Adventure. We are all looking forward to meeting them and hoping to have them return year after year.

Don't forget that Lions Camp Pride is "Your Camp". Without your continued support the momentum we have achieved will not continue. Thanks

Great News! A recent email notification was sent to the Nashua Lions club: **“Congratulations!**

The Nashua Lions sponsored entry created by Ava Simon Durden has been chosen as a merit award winner in the 36th Annual Lions International Peace Poster Contest.

Approximately 600,000 children from 60 countries participated in this year’s Peace Poster Contest. *The 23 merit award winners are from Colombia, China, Estonia, India, Japan, Korea, Malaysia, MD 300 Taiwan, New Zealand, Peru, South Africa, Sri Lanka, Trinidad and Tobago, United States (Florida, Georgia, New Hampshire, and Wyoming). The grand prize winner will be announced at the Lions Day with the United Nations on March 1, 2024. Lions Vision Weekend

NH LIONS SOCIAL & RECREATIONAL WEEKEND FOR THE BLIND and VISUALLY IMPAIRED

The Vision Weekend Committee is sad to announce we will not host an event in the foreseeable future. Circumstances have changed greatly since our last event in 2019. A much smaller number of participants are still interested in attending the event after multiple polls. Our hotel, meal and transportation expenses increased, and our location options were limited. After many discussions, the committee agreed on the following plan:

- All registered participants were notified on January 22nd and our Treasurer PDG Nancy Nye will return all registration fees in full.
 - All Lion volunteer deposits for hotel rooms and/or meals will be refunded in full.
- All Lions Clubs that donated in 2020, 2021, 2022 and 2023 will be refunded in full. PDG Nancy Nye has kept meticulous records that have been audited annually and refunds will include all donations received. Thirty-one Clubs made donations in 2020, four Clubs in 2021, five Clubs in 2022 and three Clubs in 2023. All money will be returned to allow each Club to decide how they would like to use their generous donations to benefit other worthy causes.
- NH Lions Sight & Hearing donated in 2020 and 2022 and will be refunded in full so they can use the money to benefit other NH residents in need of assistance.
- There were some funds remaining from the 2019 Vision Weekend that would have been used in 2020 had we not canceled due to the Covid-19 statewide shutdown. PDG Nancy Nye will take that amount and divide it equally by the number of Lions Clubs that made donations in 2019 and will include that amount with the refunds.
- New Hampshire is extremely fortunate to have Future in Sight; a wonderful organization with a mission "To Advance the Independence of Persons who are Blind and Visually Impaired". Over the past few years, they have added many opportunities for adults, young adults and youth to socialize at Retreats, Group Meetings, Activities, Workshops and Skill Building programs. The Vision Committee feels this organization is filling the needs of our former Vision Weekend participants and we know they are in great hands!

With gratitude for your support ~ PCC Terri McGrew, PDG Nancy Nye, PDG Jerry Vaccaro, MCC Eric Lindburg, PDG Bill Brown, Lion Marilyn Vaccaro, Lion Jeanne Drugg and Lion Emily Lovely
