Message from District Governor Marie R. Valliere

"No one has the right to consume happiness without producing it."

Helen Keller

I went to the USA/Canada Leadership Forum in Atlantic City, New Jersey. The classes were amazing, and renewing friendships was great. The interesting part was handing out kindness cards from the beginning of the trip until the end. The reactions from the people I handed them was heartwarming. Surprise, astonishment and one woman clutched it to her heart and couldn't stop saying thank you after I had walked away. My response was always, "Pass it on." The Multiple District is looking into a variation on this and redesigning them with a larger Lions logo. The more I passed out, the easier it became to do. President Singh said in his address at the forum that "Our currency is kindness" and this is one small way of sharing our wealth. I have the template if your club needs to print some to distribute where you travel in your community or beyond.

The next Rally will be November 1st and I want you all to think about the year your club was chartered, and could your club be run the same way it was back then.

Recruiting New Lions

Every great service project begins with a group of caring hearts and helping hands. As Lions, we know the more members we have, the greater the impact we can make in our community and around the world. Recruiting new members is not just about numbers—it's about inviting people to join a movement of service, leadership, and friendship. We have all experienced how being a Lion can make a big difference in our lives.

Here are a few simple but effective ways to invite others to become Lions:

- **Share Your Story** – Tell friends, family, coworkers, and neighbors *why you* became a Lion. Personal stories are powerful and can inspire others to see themselves as part of the mission.
- **Bring a Guest** – Invite someone to attend a service project, club meeting, or community event. Experiencing the fellowship and impact firsthand often sparks interest in joining.
- **Leverage Social Media** – Share photos, short stories, and testimonials about your club's projects. Tag people and encourage sharing—sometimes the right post reaches the right future Lion.
- **Highlight the Benefits** – Lions membership isn't just about giving back. It's also about leadership development, networking opportunities, and lifelong friendships.
- **Create a Culture of Invitation** – Make it a habit: after each event, ask, *"Who else can we invite next time?"* Everyone knows someone who wants to serve.

Closing:

Remember, recruitment is about connection. Every new member is another voice, another pair of hands, and another heart committed to making a difference. Together, let's continue to grow our pride and extend the reach of Lionism

Kimberlee Fournier, Second Vice District Governor & GLT

Happy Fall,

Training can take place through many different facets; Lions Learn Portal, your club, research, conversing with others, and USA/Canada Forum, to name a few.

This month's message has a small sampling of information I received at The USA/Canada Forum held this past September. The Forum offers a large variety of seminars to choose from. A few thoughts I would like to share: 1) No matter the size of your club, your events will have a positive impact in the community. 2) Lead by example. 3) Club visibility in your community; how many times have you heard "I didn't know about Lions in our town"? 4) Assisting others helps our self-esteem.

Ultimately, the training the Lions Learn Portal provides will help us to grow and move forward.

PDG Jerry Vaccaro, Cabinet Secretary/Treasurer

Club Financial Reports: This is a reminder that all Club Treasurers should be doing or getting ready to do their IRS 990's which are due by November 15, 2025. Another report is the New Hampshire's Department of State, the 5-year nonprofit report. This Report is due to the State every 5 years from all nonprofits; 2025 this year next time is 2030 -please make note.

District 44H Cabinet "Rally" November Meeting: Please look for the flyer enclosed with the newsletter and note that the \$22.00 per person is due by October 15th. Please get this to me by this date. Thank you.

Club District First Half Dues: There are several Lion clubs that still have not paid their first half dues. Please check with your club treasurers to make sure dues has been paid. Please make checks payable to **Lions District 44H** and forward them to CST/PDG Jerry Vaccaro 74 Chase Rd. Londonderry, NH 03053. Thank you.

LCI Club Reporting: This will be an ongoing request. Please make all efforts monthly, to report on LCI Portal, all Club Service Activities, Hours, New Members and what is important to you.

Club DG Activities: Per DG Marie, she has asked all clubs, please e-mail your anticipated activities to my attention so that I can coordinate these dates for the governors' visit. My email Lionjerryvaccaro@gmail.com. DG Marie will make all efforts to attend.

Looking forward to our November 1st, 2025, District "Rally" I hope to see you then.

If you have any questions, please give me a call.

Linda Hedrick, Global Service Team (GST)

Happy Fall!

I'm sure all the clubs are in full swing with their service projects and fundraisers. Don't forget to enter the information into the portal.

I've asked that you share your ideas on service projects and haven't heard many. Do you have one lined up for mental health awareness? Let me share what the Hudson club is doing. We purchased stress ball in the shape of a football. It says Kindness Matters - You Matter. It also has the hotline number on it. We'll be attending one of the high school football games and throwing them into the stands. What does your club have planned?

Did you attend the USA/CANADA FORUM? Share the info you came home with to others.

Looking forward to seeing many of you at the November 1st Rally! Don't forget to bring your gently used clothing to the Rally on November 1st. The clothing will be donated and delivered to Waypoint in Rochester after the meeting.

PDG Al Goldstein, GET & LCIF coordinator

Happy Fall Season to all Lions of MD44,

We are getting off to a good start this lions year. So far we have donated 10,700 as a multiple district. There are many projects and need ahead of us.

Toni and I are available to talk to your club, feel free to reach out to us. If your club has not selected a LCIF Coordinator, it is not too late to do so.

PCC Robert Gustafson, Diabetes Chair

Have there been any recent breakthroughs for Diabetes you ask?

Recent diabetes breakthroughs include a combination treatment that eliminates insulin for many type 2 diabetes patients by using a novel procedure called ReCET and the drug semaglutide, and the potential use of CRISPR-edited, immune-evading cells to produce insulin without immunosuppression in type 1 diabetes patients. Other promising avenues include a new drug for type 1 diabetes that protects remaining insulin-producing cells, a method for converting alpha cells to beta cells using drugs like harmine, and the use of stem cell-derived islets with immunomodulatory microgels to reverse type 1 diabetes.

Breakthroughs for Type 2 Diabetes (T2D):

- **ReCET and Semaglutide Treatment:** This combination therapy uses a procedure called ReCET to reset the lining of the small intestine, which, when combined with the drug semaglutide, eliminated the need for insulin in 86% of participants in a study, according to SciTechDaily.
- **Alpha to Beta Cell Conversion:** Researchers have shown that the drug harmine can induce human beta cell regeneration, potentially by converting abundant alpha cells into insulin-producing beta cells. Adding a GLP-1 receptor agonist, like semaglutide, further enhances this effect.

Michelle Ackroyd, Childhood Cancer Chair

The goal is survival. But what comes after is rarely easy. Survivors of pediatric cancer often live with:

- Organ damage
- Fertility issues
- Cognitive challenges
- Chronic pain

Some are cured but feel like strangers in their bodies.

Some lose the ability to walk, read, or play.

Some don't make it past their 30s.

So, when you hear "great news, they're in remission"... know it's just one chapter. There's still a mountain to climb. That's why respite and care beyond the cure is everything.

Jeri Maynard, Environment Chair

Back in August of 2024 at the 44H District Cabinet Meeting, we had a guest speaker from the Exeter Window Dressers Community Build Project. A follow-up explanation about the program was placed in a later issue of the "Pride".

But in case you may have forgotten: **Window Dressers** is a low-cost program that enables homeowners/renters to insulate their interior storm windows with a portable insert that helps protect their home from the cold in the winter and the heat in the summer. In between seasons, the inserts can be removed enabling residents to enjoy the more pleasant spring and fall weather...

The "community build" aspect of the program is that participants receiving inserts, along with volunteers from their surrounding areas, help build the inserts. **Since Lions are always looking to provide service to their communities, this is a perfect opportunity to complete your service hours.**

The NH Lions Green Team is looking for volunteers for the Window Dressers Build in Concord, NH that will be taking place on October 23-28, 2025. There are two four-hour sessions each day with October 25th designated as "Lions Day"- however volunteers are needed for each session. **No special skills are required**- just a willingness to pitch in, whether it be helping on the assembly line, assisting with wrapping, taping, drying and finishing. You might be helping with the meal provided or signing in the people at the beginning of their volunteer shifts. If you can give a few hours, your help will make a BIG difference. To sign up, go to windowdressers.org and click on Community Builds, NH-Concord.

Back to Exeter: Exeter had a successful Window Insert Community Build in January, 2025 and are now working on a second build in January, 2026. Because of the enthusiasm and gratitude shown by their participants, the Exeter Build Committee will be extending their opportunities to the following towns/areas: Stratham, Brentwood, Newfields, East Kingston, Kensington, and of course, Exeter- whose bragging rights include 86 community volunteers and 189 Inserts built at their first event.

For more information on the **NH Lions Green Team** and their upcoming projects visit their Facebook Page: NH Lions Green Team. For questions E: nhlionsgreenteam@gmail.com

P.S. Besides Exeter and Concord, there are 4 other Window Dressers Community Build sites in NH; all have Builds planned for 2025!! Kearsarge (11/6 -11/12); Merrimack Valley (10/30-11/05); Monadnock (10/16-10-22); Mt. Washington Valley (10/17-10/22).

***There is a site for every Lions Club, in the State of New Hampshire, waiting for your service**

Mental Health Service Ideas

Lions International has designated October 4th through 12th as a time for all Lions to provide a mental health and well-being related service project. Here are some ideas if your club is struggling with this topic.

Lion Portal Tip

As part of the club excellence award criteria this year, three service weeks have been identified for all clubs to participate in. The first one is Oct 4-12, Mental Health and Well-Being.

To report service for Mental Health and Well-Being, create a service activity, in the Cause field, select Other Humanitarian Service, in the Project Type field, select Mental Health and Well-Being. Complete the rest of the service report as usual. It is important to report this service with an activity date between 9/24/25 and 10/22/25, in order to have it count toward your Club Excellence Award application for 2025-2026.

44H Club Happenings

Atkinson

Happy Fall everyone!

While everyone was hopefully taking advantage of the great summer weather we had, Atkinson Lions participated in a few community activities. An impromptu Food Drive was held in July to help benefit the local food kitchen. Lots of food was collected.

Members also participated in a Sun & Fun Day for the recreation department by providing lunch for the 60 campers and counselors.

Members continue to work at Camp Pride to keep it up and running and a great place for all to have fun.

Our kickoff to the new Lion year BBQ was a great time with steaks and fireworks being the highlight.

The annual Car Show, co-sponsored with the Fire Department. saw hundreds of antique cars in town. Lions provided the food for the event, as well as giving out popcorn from our very own popcorn machine.

Atkinson Day returned last year and we once again provided the food for the day. Activities for all. Weather didn't totally cooperate, which led to the fireworks display happening the following night. It was an awesome display!

The Annual Golf Tournament was also recently held. Beautiful weather made for a great day of golf, followed by an Italian food buffet at the Atkinson Country Club.

Proceeds from all of these events will benefit the local community.

Coming on October 18th is our Octoberfest Meatfest Rafflefest. Refer to the flyer for details.

Derry

The Derry Lions participated in Derryfest on Saturday September 20. Seven of our members manned a booth from 10 am to 4pm. We had a Lion Lion cut out for picture taking by parents of their child roaring like a Lion. Lion Ellen showed the kids how to do it. We were able to gather 8 names and contact info for individuals interested in learning more about Lions. We also had a raffle for Fall Scented Hand Soaps made by the daughter of one of our members. In addition, we gauged interest in forming a Jump Rope Club chaired by a new member who has coached jump rope teams. We hope to partner with the Derry Rec Dept. in the near future.

Hudson Lions Club

The Hudson Lions Club 1st Vice President Pamela Lalmond, welcomed home Past International Director Steve and Lion LeeAnn Middlemiss along with Lions throughout New England on Saturday September 6. Club members since 1980, Lion Lillian Bellisle and PCC Roger Latulippe led the Lions Toast. PCC Scott Wilson presented a donation on behalf of the club, to Camp Pride in Steve's name. The afternoon was filled with presentations from attendees. Good food, laughter, and much fun made for a festive Homecoming.

As part of a project with the Nashua Lions Club, Hudson Lion Pauline Boisvert knitted 18 comfort shawls and delivered them to Ed of Pastoral Care at St. Joseph Hospital. Pauline truly is a fine example of the Lion's motto, "We Serve."

The Hudson Lions Club presented a \$10,000 check to the Town of Hudson at the Board of Selectmen meeting to kick off Phase 1 of the new town recreational project which starts with brand new pickleball courts. The club is also funding the first 3 years of maintenance to ensure this project gets off to a strong start.

Hudson Lions Club members gathered at Benson's Park at 5:30pm for the rededication of the Hudson Fire Department Memorial followed by the Town's annual 9/11 Memorial Observance. A touching tribute to those who lost their lives on September 11, 2001.

Loudon

Loudon Lions Club

Loudon Lions hosted a pancake breakfast the morning of Loudon Old Home Day Pancake Breakfast. Lions DG Marie Valliere, Gerry Lange and Sara Wagner serving residents who enjoyed pancakes, fresh fruit, Juice, coffee, and a variety of treats prior to the parade.

At the Old Home Day Parade the Lions decorated the District Float to match the theme of "The Ocean". Our entry won first place in its category. Lions Jean Blogett, Gerry Lange and Sara Wagner displayed the trophy. Lions Esther Boriss, Lynda Caine and DG Marie Valliere showing part of the float.

Lions RoseMarie Giambalvo and Ed Friedrich presenting Hugs & Cuddles Bears to Wendy Bassett of the Richard Brown House in Loudon. The bears will be given to residents going through difficult times.

FVDG Vince and Lion RoseMarie Giambalvo presenting a check from Lions Youth Services to Kersten Matera, Library Director and Nicole Gauvreau, Youth Services Librarian and Assistant Director of the Maxfield Library in Loudon. The grant is for a special library project to be used in parent-child workshops.

Nashua

The Nashua Lions Club welcomes new member Suzanne O'Malley; sponsored by Louise Deschenes. In addition, we welcome 11 members of the Nashua Hunt Community Lions Club Branch. They were induced by PDG Peter LaPointe, and their officers were installed by DG Marie Valliere.

Nashua Service: Lions presented 20 Hugs & Cuddle bears to St Joseph's hospital. Busy hands worked weekly at End 68 Hours of Hunger to pack food bags. Five Nashua Lions volunteered at the Hampton Beach Seafood Fest; they worked ticket entrances and Lion Al St. Louis sang the national anthem. Nashua Lions PID Ed Lecius, Lion Elaine Lecius, and PCC Kamal Masand joined the celebration welcoming PID Steve Middlemiss back to the state. PID Ed presented letters from US Senator Maggie Hassan and Congresswoman Maggie Goodlander as well as a commendation from Governor Kelly Ayotte. Lions supported Girls Inc in their golf tournament. Nashua Lions kept busy with another vision screening where 4 children were referred for further evaluation. We continued our monthly meal to Marguerite's Place. We had guest speaker Randy Pierce at a meeting where he discussed Lions Lift and the ability for Lions to assist visually impaired individuals who are challenged by getting to appointments because they cannot drive themselves. Six club members are in the process of becoming Lions Lift drivers! PID Ed and Lion Elaine Lecius represented our club at the USA/Canada Forum. They were joined for dinner one evening by District Governors Pam Prentiss (44N) and Marie Valliere (44H). PID Ed worked the Lions USA booth. PID Ed and Lion Elaine enjoyed the company of fellow Past International Directors and Past International Presidents from the ID class of 2007-2009. We cleaned the trails in Mine Falls Park, and participated in charity walks for suicide prevention and childhood cancer. It was a busy month.

Coming Soon! We are supporting the Nashua Soup Kitchen and Shelter by holding a hygiene drive as our mental health service project in October. We hope to see many of you at the Camp Pride Work Day on Oct 25th. Also, please consider giving yourself and others a great evening out with our Warren Miller Extreme Ski Movie presentation on December 6th, 7pm, Nashua High School South. Sugarbush is providing a free mid-week ticket for each of the swag bags given out at this event. Salem

September saw the Salem Lions working hard on the inaugural 5K to raise funds for childhood cancer research, and it succeeded beyond all our hopes! We had a great turnout including Lions from around the region, family, friends, and neighbors from Salem and beyond. It was a beautiful day full of support, laughter, music and movement. The highlight of the day was Weston crossing the finish line after completing the entire route, never once losing his smile! While we don't yet have exact numbers, we are thrilled to have had such a successful first effort, and are already planning for next year!

This inaugural year we were determined to do even more to support Weston Moss, our neighbor, friend, and the son of fellow Lion, Kelly Moss, by donating 100% of the money raised from the 5K to Little Warrior Foundation. Little Warrior Foundation is a 501(c)3 organization entirely devoted to the cure of Ewing Sarcoma, a rare and therefore woefully understudied form of cancer. The most advanced treatments for ES are over 30 years old, and most are highly toxic, have long term negative side effects, and do not work for many patients.

A number of members of the club also presented a \$1,000 check during the ALS walk earlier this month.

Wakefield

Club members met at Ken & President Gloria Ballinger's home for a pot-luck meal, a business meeting, and our summer raffle drawing of 500 tickets. Congratulations to all the winners.

Fourteen Lions members served BBQ at Paul School's Welcome Back Night, featuring a live Wildlife Encounters demo for all attendees.

Wakefield Lions helped Paul School (K-8) remove several old desks, chairs, and metal items from storage to be recycled. Pictured are Lions Tom Daniels, Mary Wing Soares, Donna Ackerman, Mary Collins, Ken Ballinger, Tim Bartlett, and Assistant Principal Aaron Nason (center).

This year 18 Lions participated in "Feel Good Day" while welcoming students back to school with encouraging signs. The event was marked by positive "feel good" signs that were acknowledged with waves and horns from those driving by.

Our annual Shred Event provided community members a secure way to dispose of sensitive documents. Participants drove through and dropped off materials, with volunteers assisting in unloading boxes and bags from vehicles. A total of 3,200 pounds of material was shredded. Lions Joe Palmariello, Mary Wing Soares, Carrie Hubbard, President Gloria Ballinger, Ken Ballinger, Sharon Baldwin, and Tim Bartlett volunteered at the event. Wolfeboro

The Wolfeboro Boy Scouts joined us to kick off our year. They presented a wonderful video slideshow highlighting their Jamboree trip to New Mexico this past summer. Each Scout shared a favorite memory, reflecting on the challenges they faced and the strong sense of brotherhood they built through the experience. One Scout mentioned that they would not have been able to attend the Jamboree without the support of the Wolfeboro Lions Club. His words are a powerful reminder of just how meaningful our work is in the community.

We hosted our 20th Annual Golf Tournament — and our largest fundraiser did not disappoint! This year, 100 golfers registered for the event, and 90 players hit the course for a fun and spirited day of golf. Beyond the greens, participants enjoyed chances to win raffle prizes (donated items tucked into the small bags pictured), a lottery board valued at \$100 in tickets, and silent auction items. A heartfelt thank you goes out to Event Chair John Adams, along with the many volunteers and generous sponsors who helped make this year's tournament another great success.

By the time the newsletter is published, we will have been out in the community again: the Parks & Recreation Fall Festival, and the Kingswood Youth Center Chili Challenge. Both events are fun-filled, and provide the opportunity to show our pride to families in the community. Our Lottery Scratch Ticket raffle is sure to be a big hit.
