Submitted by DGE Susan Bonura

Three members of the South Carroll Lioness Lions Club were recently recognized with Lions Vision Research Foundation (LVRF) *Knights of the Blind* pyramids. Lions Marilyn McCamant, Betty Wallace and Fran Wisniewski were recognized for their work with the club's Sight and Hearing Committee. For the 16th year, 6 local Lions Clubs - Deer Park, Freedom District, Greater Carroll, Roaring Run, South Carroll and Taylorsville-Winfield - joined forces to raise funds for the American Diabetes Association, which provides research, education and advocacy to people throughout the state of Maryland who are affected with diabetes or at risk for developing the disease, the Lions Vision Research Foundation, Inc. (LVRF), which supports low vision research and rehabilitation to minimize the disabilities caused by low vision and blindness and the District 22W Hearing and Speech Action Program which provides low cost hearing aids to those in our local community who meet the criteria for hearing aid assistance through the Lions Affordable Hearing Aid Project. THURMONT LIONS PRESENT LION AND JUNIOR LION AWARD

Submitted by Lions Joyce Anthony

The Thurmont Lions Club honored two students at their Education Night. Each year the club presents a Lion Award to a Catoclin High School (CHS) student and a Junior Lion Award to a Thurmont Middle School (TMS) student, who have volunteered the most hours. Each student is presented with a certificate and a check.

Community service is one of the most popular extracurricular activities for high school students. There are six reasons why volunteering is so critical: (1) gaining user experience and insight; (2) giving back and helping others; (3) creating connections with people; (4) gaining a sense of accomplishments; (5) building career options; and (6) aiding in college administration process. They are important on a college resume. The Lion Award was presented to Devin Stafford, a senior at Catoclin High School who has accumulated 967.5 hours of meritorious service during his high school years.

Devin has distinguished himself in the areas of leadership, school activities and myriad activities within his community. He is an Eagle Scout, President of his local Venturing Crew 270, a troop guide for Boy Scout Troop 270, team leader for the Mass Casualty Incident Team and captain of the 2017 CHS varsity lacrosse team. Devin has been on the Honor Roll throughout high school, a member of the CHS National Honor Society and awarded the George Kuhn Soccer Award. He has achieved many other awards during his high school years. Devin plans to attend Frederick Community for two years and then transfer to the University of Maryland to major in computer science, with an emphasis on computer programming.

The Junior Lion Award was presented to Seth Young, an 8th grade student at the Thurmont Middle School. He has completed 344 volunteer service hours. Seth's service projects included volunteering at the Thurmont Elementary School facilitating a station on NASA history at STEM night. He has volunteered at Cub Scout day camps and community events in conjunction with the community park. Also, Seth volunteered to help put stones on the bottom of the new activities building at the Thurmont Ambulance Company. Seth has made contributions to many other numerous projects.

During Seth's non-volunteering projects, he enjoys woodworking and working on mechanical things. In the future, he would like to pursue college and learn how to fix computers

PRESCHOOL VISION SCREENINGS Submitted by DS Barbara Brimigion

On May 8, 2017, Chair Joe Wisniewski with the help of Region IV Lions Saving Kids Sight Chair, Ron Kafchinski, operated our Plus Optics camera for the first time at the Eldersburg Library.

Lions Ron Audlin, Gary Peltier, and Ron Mihalko assisted. It proved to be an improvement over the prior procedure with increased speed, and simplicity. They will continue to use the camera for all future screenings.

The committee will no longer need to administer the Depth Perception Test. 16 children were screened with 14 passed, one referral and 1 unable to test.

For the year, they screened a total of 283 preschoolers at 10 facilities and had 28 referrals.

Chair Joe Wisniewski expressed a special thanks to Lions Ron Audlin, Gary Buchman, Gary Peltier, Joe Moreau, Barb Brimigion, Ron Mihalko and Jay Cinquegrani for their time and effort at the preschool vision screenings this year.

Lions Clubs International Foundation (LCIF) is the charitable arm of Lions Clubs International. Established in 1968, LCIF is committed to providing humanitarian services to those in need, including providing disaster relief, saving sight, supporting youth and combating disability. Our International President, Chancellor Bob Corlew, wrote, "Every act of kindness and every dollar matters when you're investing in hope. Every dollar flows back into our communities through the effort of Lions. And each dollar is spent where it will have the most impact." LCIF was ranked by a Financial Times study as the #1 non-governmental organization with which to partner.
