### VETERANS APPRECIATION

Submitted by: Lion Don Champ

The Freedom District Lions Club (FDLC) held their Veterans Appreciation Night in Celebration Hall, Messiah Lutheran Church in Berrett on April 24, 2019. Eighty Lions, Veterans and other guests enjoyed a dinner provided by Mission Bar-B-Que.

The evening was planned by FDLC member Richard Collins who is the Chairman of the club's Veteran Support Committee. Following dinner, Commissioner Ed Rothstein briefly discussed services available to Carroll County vets before he introduced George Owings, III, the Maryland Secretary of Veteran Affairs who enlightened everyone about the services available to veterans in Maryland and encouraged veterans to avail themselves of these earned benefits and services if they are not currently doing so.

Following the Keynote address, Commissioner Rothstein presented a donation from the FDLC to Ed Cramer, Vice President of the Carroll County Veterans Independence Project to assist with their support of Carroll County veterans. A table was also set for the POWs and MIAs who could not be physically with us on this special evening and there was a cake cutting ceremony with the oldest and youngest veterans present doing the honors.

### DEER PARK LIONS HAVE A BUSY MONTH!

Submitted by: Lion Trudy Landry

Deer Park Lions have been very busy! Following are some of the **Services** the club accomplished:

**Six Vision Screenings:** 31 Lions put in nearly 80 Lion Hours to screen 133 Children, of which 6 children were referred to an eye specialist for further evaluation.

**Hospital Equipment Loaned:** 4 Lions loaned 6 pieces of Hospital equipment to assist 4 people in need. An estimated 12 Lion hours was accumulated.

**Six Feed the Hungry Sessions:** 30 Lions put in 90 Lion Hours to serve groceries to 650 people at Carroll County Food Sunday.

**Deer Park Cleaned:** Lion Bill Stonesifer took on the project himself and cleaned the entire park! Countless number of people are served and appreciate this service we provide.

The above list of services (minimum of 800 served) would be a good month, but look at what else the club accomplished:

**Mulch Fund Raiser:** 21 Lions worked over 80 Lion Hours to sell 1,140 bags of mulch and raise \$2500 in funds that will go back into the community.

**Senior Expo Publicity:** Six Lions put in 21 Lion Hours to make the Carroll County Community aware of Lions and how Lions contribute to the community.

**Lions Info Night:** 4 Lions put in 12 Lion Hours to share Lions information with the community.

Two clubs were visited (5 Lions), Five meetings were attended including Leader Dog hosted by DPLC (11 Lions), DPLC Club Meeting (21 Lions), LSKS meeting (2 Lions), Zone Golf Meeting (2 Lions), Cabinet Meeting (2 Lions). AND many of us made an effort to get to the Peep Show!!

Coming up: The 151st Annual Memorial Day Parade and Ceremonies will be held in Westminster on Monday, May 27, 2019. This is the longest running Memorial Day tradition in the country. The ceremony begins with a parade that will form at 9:00 am on Monroe Street, near West Middle School and St. John's Catholic Church. Parade will step off at 10:00 am. Deer Park Lions will once again participate.

### EXTENDING BEYOND THE FARM HAGERSTOWN LIONS CLUB

Submitted by: Lion David Kaplan

It's there for farmers—that's our usual perception of the Agriculture Extension Center on Sharpsburg Pike. Our April program presenter, Jeff Semler (pictured) who works at the center and is actually a faculty member of the University of Maryland Ag Department, expanded that perception beyond what most of us could have imagined. He initially provided an historical background of the centers which occur in all fifty states and the District of Columbia. Their origin goes back to the establishment of land grant colleges in 1862, but their scope and mission has been enlarged through the years by various federal regulations.

Today the Washington County Extension Center provides a broad range of outreach through workshops, seminars, classes, clinics, and consultations with individuals and groups. Topics include 4-H and Youth, even a "Tractor Safety" course (which is really a farm safety unit), gardening (help from Master Gardener's), food and nutrition, health and wellness (including diabetes control), insect pest control and pollinator expansion (Monarch Alliance has found helpful guidance in developing way stations) and money and budgetary help! Not just for farmers—all citizens of the County can benefit from the services the Extension Center offers. Who knows? Perhaps there may be ways for Lions to team with the Center on future service projects.

### BEST FRIEND PHIL

Submitted by Lion Dave Kaplan

When Deanna Greco entered Catholic University of America, she was a lonely, shy, and often discouraged student. She suffers from a disease that affects the cones in the retina of her eyes, destroying most of her vision. Since the third grade she has been unable to see school chalkboards. In spite of outstanding intelligence and persistence which enabled her to gain admission into college, the disease had isolated her from many social contacts. But, she had some Lion friends who introduced her to the Leader Dog Program. She decided to apply for a service dog. That's when Phil, a black Labrador retriever and a graduate of the Leader Dog training program in Michigan, entered Deanna's life. She describes that event as a transformation in her life giving her enthusiasm, confidence, and good humor.

Lions from Region II were blessed to hear her story and converse with her at the annual Leader Dog evening in April at the West Hagerstown Club Meeting. Clubs in the Region and Lions present at the meeting offered over \$3,100 in support of the Leader Dog Program

Pictured left is Deanna Greco and her dog (at her feet) Phil receiving a check for Leader dog.

### WEST HAGERSTOWN AWARDS SCHOLARSHIPS

Submitted by: Lion Donna Jackman

It was an honor and pleasure to be able to present the two young ladies that received our 2019 West Hagerstown Scholarships at our meeting on Monday Night, May 20, 2019. Each student received a Scholarship Certificate and a one thousand dollar check was sent to the college where she is enrolled to begin classes for the Fall Semester.

Sarah DeMuth will be graduating from the Barbara Ingram School for the Arts. She has participated in the Music Program of the School. This fall she will be studying at Lee University which is located in Cleveland, TN. Her goal is to become a youth minister and continue her music training at this university. Sarah is the daughter of Eric and Amy DeMuth who accompanied her to the award presentation and enjoyed dinner with our members.

Taliah Hodges is a senior at South Hagerstown High School. She was on the Volleyball Team, participated in several of the school's clubs and tutored at the Boy's and Girl's Club in addition to working part time. Her goal is to study at the University of Maryland College Park in the health field. Eventually, she would like to go to Africa or one of the other foreign countries and work to help those residents have better health care. Taliah was accompanied by her mother, Amanda Mattingly, her stepfather and her grandparents. Her father, Anthony Hodges, Jr. is deceased.

The West Hagerstown Lions Members wish each of these young ladies much success as they continue their education at institutions of higher learning. We hope they keep in touch with us to let us know how they are progressing.

### THURMONT LIONS HAVE A BUSY SEASON

Submitted by Lion Joyce Anthony

**SUMMER SANDWICH SALE:** The first sandwich sale of the year was held in April. The weather was very windy all day which helped to keep the crowds down. We had a strong start but customers dwindled by noon which limited the total profit for the day. The lower turnout combined with higher initial startup costs contributed to the lower profit for the day. On a positive side, the new changes we've made at Bell Hill seemed to work quite well including the front line, the new slicer, the new sinks and the new cooker.

**NEW LIONS BROOMS AVAILABLE:** We are selling Lions brooms once again this year at the sandwich sales. We now have four sizes available: Larger patio brooms, regular house brooms, whisk brooms, and the smaller toy/hearth brooms. You can also contact Lion Doug if you would like to purchase a broom.

**EASTER EGG FUNDRAISER:** We started a new tradition this year by offering a limited edition collective Easter egg. We sold 215 eggs out of 250 that were available giving the club a profit of \$1,124. LOOK FOR THE SECOND EDITION OF THE EGGS—Different Color different picture next spring.

**2019 CASH BINGO:** On March 30 we held a fun filled cash bingo. The Lions had an exciting time selling King Tut tickets, tip jars, specials, raffle tickets and a 50/50

Approximately 13 baskets, along with baked cakes, were raffled. These amazing beautiful baskets and delicious appealing cakes were donated by club members. Lion Don Keeney rocked the food booth as always with his committee. The array of snacks was overwhelming. What a selection! The food was so YUMMM! A big thanks to all who helped and to Lions Don and Jan who chaired our bingo for an outstanding event.

### MEMORIAL PARK WYE OAK GARDEN

**CLEANUP:** Lions Bob Johnson, Bill Reynolds and Bill Long met at Memorial Park and did a spring cleaning at the Wye Oak Garden. They weeded the beds, cut back dead growth from last year, edged the bed, and added fresh mulch. All in all, it was a several hour cleanup to cut back the plants.

### ROARING RUN LIONS PRESENT "HEROIN STILL KILLS"

Submitted by : Lion David Brauning

Roaring Run Lions presented the showing of "Heroin Still Kills" at the Finksburg Library on May 29th. A full house with several speakers including Carroll County Commissioner Christopher Eric Bouchat; Edward Coyne Carroll County State's Attorney Office; Brittney Saybock also from the State's Attorney Office; Shawn Wehland, Writer and Director and Linda Auerback, Producer of the film,

Commissioner Bouchat stressed Public Awareness and the need for the knowledge about addiction. The state's Attorney's Office works to stop the supply along with Law enforcement. Outreach and prevention is the most cost effective.

Those in recovery need to find a purpose and are most effective in talking with those who need help.

There were 82 deaths from overdoses in Carroll County in 2018. The substance use epidemic presently is the most urgent public health issue.

### FD LEO ADVISORS

Submitted by: Lion Don Champ

The Freedom District Lions Club (FDLC) recognized the accomplishments of the members of the Century High School Leo Club and the Liberty High School Leo Club during their May 8, 2019 meeting held in Celebration Hall, Messiah Lutheran Church.

### CATOCTIN HIGH SCHOOL LEO CLUB

Advisors: Lions Bob Kells, Sarah Kells—School Adviser Patricia “Trish” Steele

**CHS LEO OF THE YEAR:** THE CHS Leo’s are planning several events to help the community and celebrate the end of another year of service. First up is a collection drive for personal hygiene items taking place now at CHS. Students and teachers are encouraged to bring in hygiene items such as toothpaste, toothbrushes, soap, Shampoo, deodorant, and hand wipes. We prefer the smaller, travel size items because these are easier to carry. These items will be bagged and given to homeless and low-income residents of Frederick County.

We want to encourage TMS students to continue their participation in Leo’s once they get to the high school. We’re also looking at projects the two clubs could work on together, such as a car wash, and the weekend Lions’ pit sandwich sales.

Speaking of sandwich sales, all Leo’s are encouraged to support the Leo Club ice cream sale that takes place over the summer. We want to have a presence at all the sales this year. The schedule for the remainder of the year is: May 25, June 15, July 6, August 3, and August 31. We will open the stand if we have at least two Leo’s to sell ice cream. The hours for ice cream sales are 10:00am-2:00pm.

The CHS Leo’s are also planning for the end of the year trip to Hershey Park. Tickets will soon go on sale for students, their families, and friends to go to Hershey Park on May 17, 2019. If we have enough people we will rent a bus for the day.

### THURMONT MIDDLE SCHOOL LEO CLUB

Advisors: Melanie Ware, Lion Gayle DeSalvo, Lion Dianne McLean

Current and future projects:

- \*TMS Leo’s donated \$200 to the Leader Dog for the Blind at the Leader Dog Banquet
- \* Hoops for Heart will be the next event to take place at the June meeting
- \* New officers will be selected at the May meeting

### CATOCTIN HIGH SCHOOL LEOS CONTINUED:

CHS Leo’s are leading the way in community service. Thanks to all the Leo’s for their participation in club events. Let’s work toward a strong finish to the year. LEOS ROAR! (Lion Bob K.)
