**District 22-W Awards**  
**DISTRICT 22-W HONOR ROLL**

The District 22-W Honor Roll Award recognizes Lions and Lionesses who have rendered outstanding service to their clubs and their communities at the "grass roots" level over an extended period of time, who exemplify the spirit of Lionism through their unselfish dedication and who are deserving of District-wide recognition for their efforts in support of Lionism.

**ELIGIBILITY CRITERIA**

Lions and Lionesses who have been members for at least five years are eligible for nomination to the Honor Roll. The current Cabinet Secretary, Cabinet Treasurer and Club Presidents are not eligible and may not be nominated. Past District Governors will become eligible five years after their term as District Governor.

**NOMINATION PROCEDURE**

Each club may nominate one member per year. In addition, the District Governor may submit two nominations, none of whom may be members of his/her club. Nominations are to be in writing, signed by the nominee's Club President or Secretary, or the District Governor, and shall list the reasons the nominee is considered deserving of the award by providing a detailed description of the nominee's service and activities in support of Lionism. Nominations may be made at any time during the Lions year, but must be submitted to the First Vice District Governor by email or US mail postmarked no later than April 15th.

**SELECTION PROCEDURE**

Award recipients shall be selected from among the nominees by a committee chaired by the First Vice District Governor and consisting of the Second Vice District Governor, Cabinet Secretary, Cabinet Treasurer and the nominee's Zone Chair. The committee may select up to ten recipients per year. The final selection of the recipients will be based solely on the above eligibility criteria and only what is submitted on the nomination form.

**AWARD PRESENTATION**

Honor Roll Award recipients will be announced by the First Vice District Governor at the District Luncheon during the Multiple District Convention. The names of all recipients, and their clubs, shall be inscribed on a master plaque which will be updated each year and

displayed at the convention. Each recipient will receive a certificate signed by the District Governor. The outgoing District Governor will give the plaque to the incoming District Governor for carry-over to the next convention.

**DISTRICT GOVERNOR'S**  
**MEDAL OF COMMENDATION**

The District Governor's Medal of Commendation will be awarded by the District Governor to individuals (Lions, Lioness, LEOs and non-Lions) who have demonstrated performance above and beyond what is normally expected during the operation of the club, a club project or a special event or occurrence.

Nominations for this award will be made, in writing, either by letter or email directly to the District Governor stating the name of the individual nominated for the award and will include the date(s) and location of the event, project or occurrence and a short description of why the individual believes a District Governor's Medal should be awarded. The decision on the issuance of the commendation will rest solely with the District Governor.

Presentation will be made by the District Governor or a Cabinet officer designated by the District Governor at an appropriate meeting or ceremony.

## ***ALERT in a “Nutshell”***

*What should Lions do in the event of a disaster?*

This plan of action will be useful for any disaster whether natural or manmade where two or more clubs are likely to be asked to respond.

1. **Lions take care of your family first!** Are they in a safe place? Is anyone injured? Do they have shelter, food, and water?
2. **Lions take care of your club members!**  
When a local incident occurs, use your internal ALERT phone tree to verify that all members are accounted for. You can ask the same questions you have asked your family.
3. Unless you are a trained first responder or suddenly find yourself at the scene of an incident, **do not respond directly to the scene of the disaster.** Our role is to respond as a coordinated team with the backing of the local disaster relief organizations, the community, and the governmental authorities. Volunteers should be screened, trained, assigned a task and location, and given a person to report to. All volunteers should be logged in regarding their duties, role, place of work, and hours of work.
  - a. Watch and listen to local TV and radio announcements that may indicate where volunteers are being screened.
  - b. Call your County Volunteer Coordinator or Red Cross Response Team to get this staging information. (You have been working with them before the disaster occurred, haven't you?)
  - c. Call your Lions ALERT County Coordinator that is listed in the District ALERT POC listing for this information (contact Chair Myron Horn for this information).
4. As the scope of the incident increases, more **Lions may need to get involved.**
  - a. Local ALERT chairs should contact nearby clubs and the ALERT County Coordinator when requesting help.
  - b. County Coordinators should make sure all local clubs have been notified and notify adjoining County Coordinators.
  - c. If a full District response is likely to be required, notify District ALERT Coordinator and District Governor.

## **ALERT (Continued)**

5. If an LCIF Grant is required, the District Governor must make the request. The District Treasurer must arrange funds transfer and track how funds are used. The District Secretary will record the clubs involved, the hours worked, and the services performed. The District ALERT Coordinator will assist the Secretary in completing an After Action Report.

### **CLUB SAFETY OFFICER**

Every club should have a safety officer whose job it is to improve the safety of each Club event. The Safety Officer should inspect the event site in order to identify and correct possible safety concerns. Although not a complete list, here are some common things the safety officer should be looking out for:

- Adequate lighting inside and outside of the event site.
- Overloaded electrical circuits
- Loose or misaligned equipment
- Equipment not properly maintained
- Dull blades
- Trip hazards
- Loose or non-existent traction pads on steps or ramps
- Overhead hazards
- Supplies or equipment stacked too high
- Presence of first aid kit and fire extinguisher
- Improperly marked exit signs
- Presence and use of personal protective equipment (goggles, hearing protection, fluorescent traffic vests, etc.)

No matter how good the safety inspection, things happen. When something happens that injures a Lion, a guest, or a private citizen, provide immediate first aid and assistance. If there is any doubt at all, call 9-1-1. The experts can decide if the victim needs to be transported. Any incident where additional medical treatment is likely should be reported to the District Governor and to LCI. The LCI carries insurance that should be in effect for any Lions' sponsored event.

Provide evidence of automatic insurance coverage from Lions International for your events. Lions can produce their own Certificate of Insurance through the following: [www.lionsclubs.org/EN/member-center/resources/insurance/index.php](http://www.lionsclubs.org/EN/member-center/resources/insurance/index.php).

# PROTOCOL

## Official Protocol

Protocol is an official expression of good manners. The courtesy we show each other in our everyday lives affects our attitudes, our work and, in turn, how we view ourselves as human beings. Protocol means respect for position. It is a form of etiquette. Protocol is nothing more than exhibiting GOOD MANNERS to an invited guest of your District or Club.

## Order of Precedence

The following is the official protocol policy of the International Association of Lions Clubs. Only the principal speaker is required to acknowledge all dignitaries present. Lions shall be recognized in the following order:

International President  
International Vice Presidents (according to rank)  
Immediate Past International President  
International Directors (Board Appointees)  
Past International Presidents  
Past International Directors  
Chairperson, Council of Governors  
District Governors  
Association Executive Administrator  
Association Secretary  
Association Treasurer  
Past Council Chairperson  
Immediate Past District Governor  
Vice District Governors  
Past District Governors (alphabetically, by last name)  
Multiple District Secretaries  
Multiple District Treasurers  
District Secretaries  
District Treasurers  
Region Chairperson  
Zone Chairperson  
District Chairperson  
Club Presidents  
Immediate Past Club Presidents  
Club Secretaries  
Club Treasurers  
Past Club Presidents  
Multiple District Secretaries (staff)  
Multiple District Treasurers (staff)

## PROTOCOL (Continued)

### General Comments

When a Lion holds more than one title, he or she shall be recognized for the highest one. In areas that have positions in addition to those previously listed, they should be recognized in accordance with local customs, provided that elected officers always have precedence over appointed ones.

It is recommended that Melvin Jones Fellows be recognized as a group. In introducing speakers, their status as Fellows should be mentioned.

### Non-Lion Dignitaries

Non-Lion dignitaries should be given precedence in accordance with local protocol and/or custom, keeping in mind that if the non-Lion is the principal speaker, then he or she should be seated to the right of the chairman.

### Head Table Seating

The presiding officer or meeting chair must always be seated at the most central seat at the table when there is no central podium, shown as seat number one in the following diagram (Figure 1). The principal speaker should occupy seat number two, then other Lion dignitaries in accordance with the general order of precedence. If possible, there should be the same number of seats to the right and left of the chair or presiding officer (who would normally be the Club President, District Governor, Council Chair or International President).

**Figure 1**

**(Audience)**

7 5 3 1 2 4 6

As shown in Figure 2, seating at the head table with a podium is essentially the same, except the meeting chair or presiding officer is always seated at the left of the podium (facing the audience) and the principal speaker at the right.

**Figure 2**

**(Audience)**

7 5 3 1 Podium 2 4 6 8

When spouses are present, they should be seated to the member's left when on the left side of the table, and to the member's right when seated on the right side of the table.

## **PROTOCOL (Continued)**

### **Multi-Head Tables**

If there is more than one head table, the table at the highest level shall be considered the primary one. Care should be taken not to seat Lions of the same rank at different tables.

### **Head Table Introductions**

Introduction of the head table should begin with the meeting chairman or presiding officer and then continue from the person with the lowest rank on the order of precedence to the person with the highest. When spouses are present at the head table, they should be introduced with the member (e.g. "Past International Director John Doe and his wife Jane").

## **EMAIL ETIQUETTE FOR LIONS**

1. Be professional. Use the email addresses of Lions for Lions' business only. (No jokes, stories, political or religious messages.)
2. Include your name and club name in your response. There are hundreds of Lions in our district and everyone does not always recognize your email address.
3. Do not use the "reply all" feature unless the response is applicable to everyone who was copied on the original message.
4. Respond in a timely fashion; usually within 24-48 hours. If you need more time to formulate a complete response, send a reply indicating this so that the sender knows you have received the message and are working on the issue.

## OFFICIAL VISIT OF DISTRICT GOVERNOR

Your District Governor is required by Lions Clubs International to make at least one official visit to every club within the District. In most cases the District Governor is the highest-ranking officer of Lions Clubs International to visit the Club during the year. On the occasion of the Official Visit, certain procedures or protocol should be followed:

1. Do not schedule other programs during this visit.
2. Publicize your Governor's visit.
3. Have your attendance committee strive to secure excellent attendance at this meeting.
4. Encourage all members to wear their Lions' Club name badges.
5. Have your District Governor properly introduced to each Lion and Lioness. Usually the President or Master of Ceremonies should do this. The Cabinet Secretary, or other District Officer, will provide the official introduction of the District Governor during the meeting.
6. When the Governor is introduced, the Club members should stand, and in like-manner, should also stand at the conclusion of the talk.
7. A brief Board of Directors meeting should be scheduled following the regular meeting. This is the appropriate time for members to ask questions and participate in a discussion with the Governor. Accordingly, full attendance by the Board is appreciated, as well as attendance by all other interested members of the Club. To permit the Governor to be able to respond and offer the best possible attendance, it would be appreciated if special problems or questions are made known to the Governor well in advance of the visit.
8. Your District Governor welcomes suggestions for improvements in the District.

## LIONS CLUBS INTERNATIONAL

### CODE OF ETHICS

**TO SHOW** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

**TO SEEK** success and to demand all fair remuneration of profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

**TO REMEMBER** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

**WHENEVER** a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

**TO HOLD** friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

**ALWAYS** to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

**TO AID** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

**TO BE CAREFUL** with my criticism and liberal with my praise; to build up and not destroy.

## **LIONS CLUBS INTERNATIONAL PURPOSES**

**TO ORGANIZE** charter and supervise service clubs to be known as Lions clubs.

**TO COORDINATE** the activities and standardize the administration of Lions clubs.

**TO CREATE** and foster a spirit of understanding among the peoples of the world.

**TO PROMOTE** the principles of good government and good citizenship.

**TO TAKE** an active interest in the civic, cultural, social and moral welfare of the community.

**TO UNITE** the clubs in the bonds of friendship, good fellowship and mutual understanding.

**TO PROVIDE** a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

**TO ENCOURAGE** service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

## **LIONS CLUBS INTERNATIONAL VISION STATEMENT**

**TO BE THE GLOBAL LEADER** in communities and humanitarian service.

## **LIONS CLUBS INTERNATIONAL MISSION STATEMENT**

**TO EMPOWER VOLUNTEERS** to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

## HAGERSTOWN LIONESS CLUB MEETING

1<sup>st</sup> Thursday

6:30

## HISTORY

### Multiple District 22

The 16<sup>th</sup> District of Lions Clubs International was organized in 1921 and consisted of the states of New Jersey, New York, Maryland, Delaware and the District of Columbia. Because of rapid growth, it became necessary in 1922 to divide the area – New Jersey remained as the 16<sup>th</sup> District, New York became District 20, and Maryland, Delaware and D.C. became District 22.

The Baltimore club was the first to organize (October 26, 1921) within the boundaries of the present District 22. In 1940, District 22 was divided into Districts 22-A and 22-B. In 1944, District 22-C was organized, followed by Districts 22-D and 22-W in 1947. The Frederick club was the first to have organized (June 7, 1922) within the boundaries of the present Sub-District 22-W. Multiple District 22 is divided into the following sub-districts:

- District 22-A – Anne Arundel, Baltimore, Harford and Howard Counties and Baltimore City
- District 22-B – Caroline, Cecil, Dorchester, Kent, Queen Anne's, Somerset, Talbot, Wicomico and Worcester Counties
- District 22-C – Calvert, Charles, Montgomery, Prince George's, St. Mary's Counties and the District of Columbia

- District 22-W – Allegany, Carroll, Frederick, Garrett and Washington Counties

## CLUB CHARTER NIGHT

Charter Night is a special event celebrating the beginning of a new Lions club as well as an annual celebration or “birthday” for the club.

The first task is to appoint a Charter Night chairperson and Charter Night committee. The next task is to select a Charter Night date. For new clubs, this takes place approximately 90 days after the charter approval date. For existing clubs, this takes place at a date during the month in which the charter was originally approved.

The next task is the preparation and mailing of Charter Night invitations. The chairperson and his/her committee should confirm attendance, secure entertainment, invite and provide accommodations (if necessary) for the guest speaker, ensure the room is set properly and check that equipment is in working order. It is customary to invite the Lions clubs in your district and those within a reasonable distance. It is also customary to invite the members of the sponsoring club as well as the current district governor, the district governor’s spouse or companion and all past district governors within the district (see pages 67-70 of this roster book for this information).

Another task is to design and print a suitable program for the event. Contents of the program typically include: Cover with club name, Charter Night date, event location and the Lions logo (available at [www.lionsclubs.org](http://www.lionsclubs.org)); name of sponsoring club, list of the charter club officers, directors and members; program agenda; list of people the club wishes to thank; list of club contributions.

### CHARTER NIGHT CHECKLIST

#### **Executive Committee**

- Appoint a charter night chairperson, preferably the immediate past club president
- Choose a Charter Night date
- Divide responsibilities among committees
- Review and approve plans

#### **Finance Committee**

- Determine the budget
- Set the cost of admission
- Approve expenses

#### **Invitations/Entertainment Committee**

- Design and distribute invitations at least 30 days prior to event.
- Invite prominent community officials and confirm their attendance (Note: If you invite local officials, the club is expected to cover the cost of their attendance. Clubs should be prepared to allow each to present prepared remarks.)
- Invite guest speakers
- Arrange travel and accommodations (if necessary)

## **CLUB CHARTER NIGHT (Continued)**

- Confirm attendance of members from clubs within the district and the local area Book entertainment and/or keynote speaker
- Ensure the sound system and equipment is in working order
- Check that the room is set-up properly

### **Program Committee**

- Set the agenda to include the meeting being called to order by the current club president
  - The agenda should include an invocation, Pledge of Allegiance, patriotic song and Lions/Lioness/Leo toasts
  - Follow the protocol for seating at the head table and the introduction of guests (see pages 108-110 in this roster book)
- Design and print the program
- Distribute programs to attendees
- Include awards and recognition to be made to deserving Lions (such as membership awards, Melvin Jones Fellowship, etc.)

### **Public Relations**

- Send news releases to the local media
- Contact the media and invite them to the event
- Arrange for a photographer

### **Charter Presentation Committee (for new clubs)**

- Confirm the district governor has received the charter
- Plan and practice the charter presentation

### **Charter Re-Certification Ceremony (for existing clubs)**

- Display the charter in a suitable place of honor at the program

All of this information and more can be found on the Lions International web site at [www.lionsclubs.org](http://www.lionsclubs.org) and in the publication, *Celebrating the New Club, Charter Night Planning Guide*. This guide can be found at <http://www.lionsclubs.org/EN/common/pdfs/tk26.pdf>.

## FOR YOUR INFORMATION

Information in this book agrees with data available at the time forwarded for printing. Errors, however, may creep in and changes will occur even before printing is complete. Should you detect any errors or have any change in address, telephone number, etc., please notify the Cabinet Secretary immediately.

The Cabinet Secretary and/or the Cabinet Treasurer usually travel with the District Governor. At times, there will be others accompanying the Governor, such as the 1<sup>ST</sup> and/or 2<sup>ND</sup> Vice District Governor(s) or Region Chair. If the 1<sup>st</sup> & 2<sup>nd</sup> Vice District Governor, Region Chair or Zone Chair plans to be present at the time of the District Governor's visit to a Club, those Lions will make their own reservations.

**Member's personal information is to be used solely for communication between members and clubs "to unite the clubs in bonds of friendship, good fellowship and mutual understanding" and cannot be used for personal gain.**

## Notes

**HIGHLIGHTS OF THE 2018-2019 INTERNATIONAL  
THEME:  
BEYOND THE HORIZON**

This year, President Gudrun Yngvadottir asks, **“How do we build on our already impressive legacy?”** It’s simple. We do what Lions have always done. We get creative and reach within our communities, clubs and selves to discover a new level of service.

**To reach beyond the horizon, we will focus on:**

- **Moving membership forward** by inviting new members and keeping current members engaged
- **Increasing leadership development** opportunities for all Lions and ensuring women have equal representation
- **Promoting the fellowship of Lions** to increase member retention, growth and overall satisfaction
- **Sharing our stories** to show others in our communities and around the world the good Lions are providing

**To achieve these goals, we will focus on the programs that will carry us forward.**

- Our Global Causes, with a new focus on diabetes
- Lions Clubs International Foundation (LCIF)
- The Global Action Team

**Chart Your Destination**

Every club has a service project they’ve always wanted to complete, yet for one reason or another, haven’t. Together we can help them turn those ambitions into action.

**The Horizon Is Ours**

## **LIONS INVOCATION**

**“Lord as we Lions gather here, we pause to offer up this prayer. Bless now this food that we partake and every effort that we make to build the towns in which we live and put it in our hearts to give to worthy causes. Bless the blind and all we do to serve mankind. Lord, let us also remember and appreciate the brave men and women who are now serving in our armed forces and the many veterans that have so bravely protected us and gave us the freedom we enjoy this day and throughout the years. Be with us till we meet again and bless our lands and homes. Amen.”**
