**State of the District Address:**

Congrats to Lions Anne Banks Matoy, Cathie Huddleston, and Katrina Sinor for receiving their Masters from Lions University. They were presented their diplomas at the USA/Canada Forum in Calgary Canada. We currently have **1009 members in 42 clubs in district 3NW**. Since July 1 our district has served 4,055 people, held 24 service activities and had 1,595 hours of volunteer hours. As always, be sure to enter your service in MyLion. Remember if your club wants to sponsor a Peace Poster Contest or Youth Speech Contest, please contact me for details. There are strict deadlines for both of these.

Reminder: Lions **Cowboy Cadillac** tickets are selling. The drawing is November 12<sup>th</sup> in McAlester at Sam Wampler's Freedom. This is a great way to support *OUR Oklahoma Lions State Projects and your chance to win \$25K towards a new truck or \$20K cash (yes, Fed and Ok tax apply)*.

Speaking of supporting, Hurricane Fiona struck Puerto Rico and many islands in the region. LCIF has sent a \$100,000 for major catastrophe grant. This is why donating to OUR foundation is so important. This is exactly what makes Lions Global. We Serve. Your donations count and help those in need. It is so easy to set up an automatic payment deducted right out of your account. Please support LCIF as it supports the world.

Fall is right around the corner, I hope, and I have many clubs scheduled to visit. As you can see from my goofy picture, I was Wolverine for Halloween. I enjoy the season changes and it is always busy for everyone. I hope lots of clubs have lots to report for next month. Heads up! Our Dis-

trict Cabinet meeting is October 10<sup>th</sup> at 8:00pm on Zoom. Meeting ID: 488 380 5032

Passcode: 551066  
The planning for our District Convention is underway as well. The official

invite for **International Director Jay Moughon** and his wife was submitted. February 18<sup>th</sup> 2023 is the convention date. Those helping with set up and escorting our guests will be there the night before. I am meeting the Chamber of Commerce of Fairview to secure a caterer and visit the Fairview Community Center to scope it out and visualize us there. My challenge to you all. One Lion from all of our 42 clubs in the District. Maybe a pie in the face would be in order or my head shaved if this happens. I was also tasked to play a couple of 80s song on the guitar for you all as part of the Saturday evening theme and gathering. It was State Secretary Marie Burn's idea if it turns out bad. Now, onto my favorite part of the newsletter.

**Club Reports-** I am glad to see so many clubs posting on Oklahoma District 3NW Facebook page. They are sharing service projects, their guest speakers, and students they support. If you do not have Facebook, please send me your club services and programs.

**Fairview-** The club will have a concession at the Fairview Expo-Center at the Major County Fairgrounds and will host the Central Plains Stone Age Show. The good Lions presented a check to the Cub Scouts for \$825 for their work at the

Glass Mountains Car Show over Labor Day Weekend. Talk about investing in youth. Good Job Fairview.

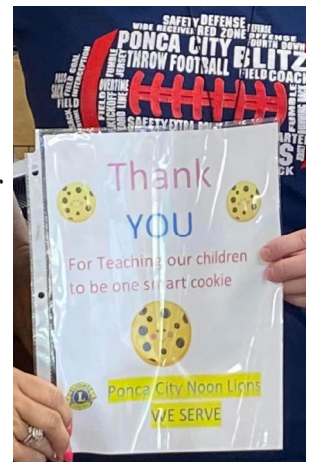

**Goodwell-** In the great deed of environment and kindness, the club is still maintaining Hamilton Field. Keep up the Good in Goodwell.

**Morrison-** The Morrison club will have their auction and event October 11<sup>th</sup>. If you are around the area, go check it out and support the club.

**North Enid-** Provided vision screenings to children Pre-K through 5<sup>th</sup> grade at St. Paul's Lutheran School. On October 1<sup>st</sup> they will hold the Enid Antique Power Gas Engine and Tractor show at the Garfield County Fairgrounds. The club will also be participating in the Chisholm Homecoming parade, the United Way Chili Cook-off (YUM) and distributing Halloween treats to the Meadows of Hope to the families.

**Ponca City Noon-** Teachers were treated with cookies for an appreciation and thank you. Cookie Cookie Cookie starts with C but Lions helped provided and served thirteen schools. They have three schools scheduled for Charlie Adam's Day and the Kanza Health Fair Kid-Sight for eye screenings. They are working on their Club Excellence Award applications. They will be in attendance for Ponca's Oktoberfest on October 1<sup>st</sup> and 2<sup>nd</sup>. They also ran out of Cowboy Cadillac Tickets and had to get more!!!

land Park Methodist Church alongside with church members from September 24<sup>th</sup>-October 31<sup>st</sup>. On October 1 they are holding a pancake breakfast. There are plenty of activities taking place throughout the month.

Yours truly will be playing some Halloween tunes on October 16<sup>th</sup>. I am not on the program as we would not want to create a rumble and rave. The club also provided vision screenings at the Payne County Fair (below: **Lion Doug Emde and Gaye Trivitt**). If you around

**Chandler-** I had the privilege to be invited to the club for an appreciation for their long-time club member Lion Jerry Kashwer. He joined the Chandler club when I was barely crawling. State Secretary Marie Burns and Zone Chair Sharyl Pickens were also in attendance. Chandler Lions Club had our annual golf tournament 08/27 at Chandler Municipal Golf Club. We had 65 hole sponsorships and 9 teams and we made a net profit of \$6700. This is our main fund raiser for the year and allows us to continue providing 4 – \$1,000 scholarships to Chandler Seniors in May. Our next event will be catering the Chandler Veterans Day Luncheon Nov 11.

**Stillwater Noon-**The club is running the Pumpkin Patch at the High-

Stillwater, be sure to visit the Patch and say hi to the Lions.

Pics from **Ponca City Noon & Oktoberfest 10-2-22.** The student nurses did 53 blood glucose tests and 131 children were screened.
