

2022-2023

**3-NW District
Governor
Derek McCubbin
Derek_Mccubbin@yahoo.com
405-742-7513**

State of the District Address: We currently have **1018 members in 42 clubs** in district 3NW. We need to get to 1,251 members and create two new clubs. Have you asked one person to join you to serve or attend a fun club meeting? If your club wants to sponsor a **Peace Poster** contest or **Youth Speech Contest**, please contact me. The theme for the Peace Poster is **“Lead with compassion”**. Our Multiple District set the theme for the Youth Speech Contest as “Lead with compassion, Together We Can.” There are very strict deadlines for these entries as it has club, district, multiple district and International levels.

I am also super excited about our **District Convention February 17-18th in Fairview, Ok.** Stillwater Noon and Fairview clubs are working together to make a great Convention for our district. We have International Director Jay Moughon from Clifton, Virginia as the keynote speaker on the 18th. More details to come in future newsletters; but please put it on your calendar. Make it a full fun weekend. I want every club to have at least one delegate to attend.

I was welcomed by the Guthrie Lions on August 19th for lunch. Chartered November 10, 1919, the club is currently performing a club health assessment which helps clubs identify areas of strengths, weakness, and opportunities. It is always a great

idea for any club to perform this. Lions have to know where they can serve in a community in greater and better ways. Thank you Guthrie for thinking about the fu-

ture of your club. On Saturday August 20, I woke bright and early to pick up Lion PID Mike Banks and the two of us headed to Morrison for a club visit. One of Stillwater Noon’s members, Lion Charles Cox, was their guest speaker. With a great breakfast, with a great cup of coffee and with a great group of Lions we ate, listened and heard about the Morrison Lions Club upcoming fundraiser. It will be held October 11th. They will have a silent auction, live auction, food and more. If you live around the area, go support Morrison as this club pours their hearts into their community.

Club Reports- As a lot of our clubs are coming back from their summer hiatus, we don’t have many clubs reporting service activities. If your club did perform service and is not listed, please contact me so I can enter it for next month. Remember to enter your service activities on MyLion every month. There is no reason we can not get all 42 clubs to report.

Ponca City Noon- Totally awe-

some that we have some clubs mingling and assisting other clubs. Lions Katrina Sinor and Cathie Huddleston joined forces with Perry’s Lion Andrea Blubough to screen 32 children with Lions KidSight at Perry Head-Start.

I hope more clubs can step outside their own local club and do more service work together. Ponca City Noon also served meals for their monthly Friendship

Feast and is in need of plastic bags. They also spent the morning July 23rd cleaning up Sunset and Liberty Parks.

North Enid-Fed 144 teachers and staff at Chisholm Middle School. Be sure to mark your calendar for October 1st for the 39th Annual North Enid Lions Antique Power and Gas Engine and Tractor Show.

Guymon-Served alongside scouts and parents with set up and tear down at the Texas County Fair at the 104th Panhandle Expo. Another great example of stepping outside your club to serve.

Together We Can
And Together in Service,
District Governor 3NW
Derek McCubbin

Mulhall-Orlando-Fed the teachers and staff at the Welcome Back to School Feed.

Fairview- Held a Teacher and Staff Appreciation breakfast for the entire school district. and has diligently posting their speakers on our 3NW District Facebook page. Keep up the good work and great meetings. And Thank You Fairview for co-hosting our District Convention in February 2023.

Stillwater Noon- Helped with shopping assistance at Our Daily Bread the first Monday of every month. The club was asked by Our Daily Bread to perform eye-screenings. Thirteen individuals were screened and five were referred for further testing. Recently took 1540 pairs of glasses to the Ok Lions State Office.

2022 STILLWATER
PUMPKIN PATCH
 SEPT. 24- OCT. 31
 HOSTED BY: HIGHLAND PARK UNITED METHODIST CHURCH & STILLWATER NOON LIONS CLUB
524 N. STALLARD
PROCEEDS GO TO SERVICE PROJECTS FOR STILLWATER NOON LIONS CLUB AND HIGHLAND PARK UNITED METHODIST CHURCH

North Enid Lions Celebrated their **60th year anniversary** on August 27, 2022 at the Enid Event Center. Since the club's chartering in 1962, its members have worked on a variety of projects in the local community, such as diabetes, vision, humanitarian, environmental, hunger, and youth.

Proceeds from past fundraisers have gone to eyeglasses for those in need, Scholarships for Chisholm and Enid High School, Lions Meadows of Hope, Dr. Eugene S Briggs Scholarships, World Service for the Blind, Leader Dogs, White Cane, Chisholm Prom, Ok Lions Eye Bank and Ok Lions Service Foundation. The club is currently scheduled to participate in the Cherokee Strip parade, the Enid Antique Power Show, United Way Chili Cook-off and Cowboy Cadillac fundraiser. We are proud of our club's 60 years of service to the community. The Lion club members thank everyone who contributes to this important work. You are truly helping Lions make a difference in our community.

Lions from Fairview, Mulhall, Stillwater, and Gore visited with the North Enid Lions Saturday and helped them celebrate sixty years of service. **Lion Jim Coleman** received recognition as being the only remaining charter member.

Mark your calendar for October 01, 2022 for the North Enid Lions 39th annual Enid Antique Power Gas Engine & Tractor Show. Show starts at 9:00 am with ham & bean meal at noon by donation. Plans are for the "Ford Model T Club" to disassemble and reassemble while you watch! Many old tractors.

Eye Glass Recycling

Altus Lions	61 Ink Cartridges
Mustang Lions	700 glasses
Edmond Lions	1523 glasses
Broken Arrow Eve	67 glasses
NW E club	180 glasses
Laverne Lions	450 glasses
Crescent Lions	175 glasses
