The secret phrase is: **Just Ask One.** Please serve our District and our Multiple District by stepping outside of your club and joining a board or committee. Contact me for opportunities.

have 21 Lions registered!!! Our caterers for the event must have a food count by February 10<sup>th</sup>. If you turn in a late registration or show up the day of, there is a possibility you might not have a plate of food for yourself. Regarding food: if there is anyone with a special diet, please contact me. **SERVICE:** Be sure to bring your collected eyeglasses with an accurate count and I will take them to the state office. As our District GST Cindy Cummings has arranged, we are supporting **The Pantry in Fairview.** Please bring any of the following items: bath soap, deodorant, shampoo, canned soup, canned vegetables, Vienna sausages, ravioli, canned meals, and mac and cheese.

Bring cash too. Not only will we have a Tail Twister floating about, but Zone Chair Bill Johnston from Fairview has donated a painting. We will be selling raffle tickets and the proceeds will be sent to LCIF.

If your club wants to brag, please come with either a short presentation or even pictures and

set up a small booth. We want at least 4 clubs to participate. So far Ponca City Noon has signed up. And clubs that are attending: **Bring your club's banner(s) and a way to hold them upright.** We can not hang anything from the walls. We will recognize each club in attendance and I want to parade each of you around the convention. Within the State Newsletter is our Registration and Agenda. Now, read a bit about our visiting International Director:

**State of the Governor:** Busy, but managing. Stressed, but very satisfying. I visited the Wakita Lions on January 10<sup>th</sup>. They collected 94 eyeglasses and a few ink cartridges that I took to the state office prior to our Council Meeting on Jan. 21<sup>st</sup>. They gave out Santa Treat bags in December and also held a drawing to give away turkeys and hams. They cleaned the streets to help the environment, but their big event is the Wakita Old Settlers Day Celebration, which I missed the City's 100 year last September. However, Sept. 23, 2023 is on my calendar. I am taking my family, going to eat good food, enjoy their parade, visit the Lions again, and get back to the Twister Movie Museum. It was, of course, my privilege to present chevrons. Although they had 7 Lions drop, they had Five new Lions join in just 2022. Keep up the good work and service. And thanks Lion Linda for the personal tour of the museum.

**Club Reports-** I will be reporting on club activities in the March newsletter covering January - February. Please send an email to me with pictures.

**State of the District:** We have **1012 members and 42 clubs in district 3NW.** Now we only need another 238 new members in our district. Get your friends and families to work service projects with your club. This is a great way to introduce our motto: **We Serve and to get them interested in the greatest service organization in the world,** perhaps even the universe.

**Oklahoma Lions Service Foundation:** Is in a great need for a vice president as soon as possible. Please consider serving "our motto is We Serve". I highly encourage your club to hold a White Cane drive as this is one way we can help support our state projects.

**Brigg's Scholarship:** The application deadline is due on March 15<sup>th</sup>. Visit the Oklahoma City Community Foundation [occf.org](http://occf.org) and click on "Scholarships", the drop down will appear and click on "available scholarships" the area is sorted by due dates. This scholarship is funded only by donations. Please consider donating and supporting our youth. They are our future leaders.

**Oklahoma Eye Bank:** Schedule a visit to this incredible facility to witness awesomeness. Our district will have many vacancies on this board.

**Meadows of Hope:** tell your club treasurer to tack on some extra dollars to your monthly dues and have him or her send it to MOH; or, pledge a monthly amount. Contact [lionsmoh.org](http://lionsmoh.org) and there is a "donate" link.

**Lion Club International Foundation:** This is **our foundation.** There are many different types of grants out there for clubs. Think outside the box and "GO BIG" do something your club never thought they could do. Remember our global causes: Vision, Hunger, Childhood Cancer, Diabetes, and Environment.

**February 18<sup>th</sup> District 3NW convention:** You might sit down for this one. As of January 23 we
