**LCIF**

Your donations to LCIF make a difference at home and in the world! District 3NW is proud of our contributions! Currently, we have donated \$8,173.00. Our goal for this Lion year is to \$26,370.00. Out of 40 clubs in our district we have had 18 clubs (or individuals from a club) donate this year. A major goal is that 100% of clubs donate to LCIF (any amount counts). Thank you to those who have donated.

***My Fellow Lions!***

This is the time of year clubs start serving more within their communities. And It's time to elect new officers in your clubs. Nothing rejuvenates a club like new officers!

**Membership**

The Global Membership Approach gives your club the tools to motivate and engage members through fellowship and dynamic service and revitalize your clubs in the process. Take the new Global Membership Approach training to find out how this exciting approach can help your club boost its membership and stay on the path to success.

Our goal is to have a positive membership by the end of June 2024. Currently, we have gained 70 new members; however, we have a net membership of -19 for the Lion year. I believe we can still meet our goal.

Lastly, our friendly competition between Zones/Zone Chairs, "Kiss the Pig" event is scheduled for Saturday, June 15, 2024 – Meadows of Hope (Perkins Campus) – 11:30 am. The Zone/Zone Chairperson with the least number of new recruits will Kiss the Pig.
