assistance to those in need during this holiday season. The North Enid Lions Club collected and donated to the YWCA Women's Cri-

**Fellow Lions,  
Happy New Year!**

Here we are, the beginning of a new year – a time of new beginnings, fresh hope, and a strong desire to improve ourselves and the lives of others. It is hard to believe that we are already halfway through the current Lions’ year. I hope everyone had a wonderful holiday season with an opportunity to bring joy to others through Lions’ service.

I am looking forward to seeing many of you at our upcoming District Convention and Cabinet Meeting on February 24, 2024 at the Stride Bank Center in Enid, OK. If you have not attended, now is the time to come and check it out. The District Convention registration is included in the mailing with this newsletter and can be found on our district and state website.

Our Lion Portal is scheduled for a 2024 launch date. The Portal will include training at launch so Lions can learn while exploring. Again, the Lion Portal is built on Salesforce, a commercially available platform used by over 150,000 organizations, including 40,000 nonprofits. Salesforce is the recognized industry leader in relationship management systems and will allow Lions consistent experience with continuous, specific user support and technological support.

Our district is seeking volunteers to fill positions in next year’s cabinet. If you are interested in serving such a role, please contact either VDG JD Koch or myself.

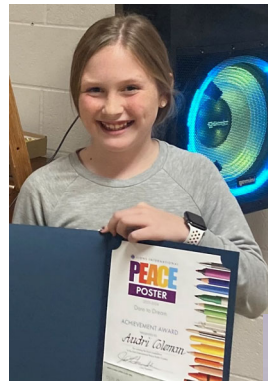

Wishing you all a Happy, Healthy and **Productive New Year!**
