Newport Lions Club

What's happening!

United for Good

Lions and Leos make a difference every day, everywhere we serve. And with the support of Lions International Association and Lions Global Foundation, we are changing lives, communities and the world we share.

Highlighting three GLOBAL CAUSES:

1

CHILDHOOD CANCER

We provide support for the needs of children and families affected by childhood cancer.

2

DIABETES

We work to reduce the prevalence of diabetes and improve the quality of life for those with it.

3

DISASTER RELIEF

Taking steps to meet immediate needs and provide long-term community support.
