Bulletin Report

DG Mike and fellow cabinet members

Thank you to those that have submitted info and pictures for me to put in the bulletin. It is much appreciated.

I am happy to also post anything that may be happening in your club or zone, just send me the details and I will put it in the bulletin.

Please feel free to send any feedback you have regarding the bulletin.

This year I am sending this out to all the Presidents and Secretaries, if one or other of these has no email address I am sending to another member of their board, usually a VP or Treasurer. I am hoping that the club secretaries are forwarding this to their club members.

Quite a bit of time goes into putting together the bulletin, with the hope that the Lions in our District are getting to read it and hopefully see/learn what is happening.

Respectively Submitted
