

MD19 District I
Cabinet Meeting Jan. 11, 2025
CARE REPORT

We are halfway through the Lions year and the donations for the CARE project this year are lower than expected.
Here is a breakdown by District.

L \$2450.00
I \$1195.00
O \$4970.00
N \$2250.00
S \$650.00

We continue to encourage clubs to donate to CARE through the District news letter and visitations by Zone Chairpersons and the DG and vice DG. The results are not encouraging, please try to promote CARE when ever you can.

Thank You
Kim Davis, MD19 District I Chairperson
