

District I Cabinet meeting April 26, 2024

CARE report

Project Location: Northern Honduras

Project Name: Support Families with Production of Natural Fuel for Cooking

Total donations from District I at the last reporting was, \$4,275.00

We are halfway through the Lions year and our donations are down but I'm hoping to see more Clubs start submitting their contribution this spring.

Clubs that have not donated to CARE will be asked at the Spring Conference to donate.

A thank you letter has been sent to all the Clubs in District I who have donated to CARE. Those who have donated \$500.00 or more are encouraged to apply for a Gordon Smith Fellowship.

A suggestion was made at the last CARE zoom meeting that we should think of a catchy slogan to help get the word out about CARE. How about "Kindness Matters We CARE"

MD19 CARE projects need more promoting.
